STANDING RULES

The Standing Rules of the Florida Annual Conference will be found in the Journal of 1931. In order to save expenses we are not repeating them in the Journal of this year.

CHRONOLOGICAL ROLL

The Chronological Roll in the Conference Journal of 1930 is fairly accurate up to that date. In order to get your years of service, add the years you have served since 1930. The Editor of the Minutes hoped to have a revised Chronological Roll in the Journal this year, but so many questionnaires had not been returned that it was impossible to compile this roll without delaying the printing of the Journal.

IN MEMORIAM

The list of our deceased preachers does not appear in this volume this year. Because of lack of funds we thought wise to omit it this one time. The list can be readily found in the Journal of 1931. The names of those who have died this year will be found in the General Minutes, and in the Memoirs.

CONFERENCE SESSIONS

Former sessions of the Florida Annual Conference, dates, places, and other data will be found in the Journal of 1931. These also are omitted this year for lack of funds.

RESOLUTIONS OF THANKS

Be it resolved by the Florida Annual Conference in annual session in Jacksonville, Florida, December 8-12, 1932, that we unanimously and heartily record our appreciation of what has been thought out for us, beforehand and carried out in the slightest detail by any and all who have held us in such gentle consideration, and that we express our gratitude:

First, for the Christian hospitality extended to us by the Presiding Elder and the Pastors and the members and the friends of this city.

Second, to the public press for its constant efforts and particular care in reporting to the world what we have endeavored to do. We especially name with gratitude Mr. Francis Bridges who has so faithfully and satisfactorily made report to the public press of our doings. The son of a Methodist parsonage, having grown up in Methodist atmosphere and familiar with Methodist phraseology he has done a distinctive work.

Third, We must express our thanks to the Burroughs Adding Machine Company for the loan to us of their machines by which our work has been greatly facilitated. Also to the Royal Typewriter Company for the loan of a typewriter for our accommodation.

Fourth, we say to our revered Bishop John M. Moore and to all the secretaries of this laborious session, that we cannot be unmindful of your protracted and burdensome labors in aiding us to accomplish in so orderly a manner what otherwise and oftentimes would have been confusing and disconcerting.

Fifth, to the railroads and hotels and transfer companies for the generous concessions made to us and our people.

Sixth, we cannot fail to set down our thankfulness to Mrs. L. E. Roberts who has labored night and day as our general stenographer and assistant. We wish her to know that we are moved with feelings of a real gratitude for her services.

Seventh, to any and all others who in any way and at any time have contributed to help us, we say, we most heartily thank you.

BOARD OF FINANCE

Your Board begs leave to make report No. 1. as follows: For clearness it will be divided into two parts; the first will deal with Superannuate Endowment and the work of the General Board of Finance and the second will deal with the work of the Conference Board of Finance.

(1) The Fourteenth Annual Report of the General Board reveals the splendid efficiency with which the work of that Board is carried on. In these days of what the President, Mr. Hoover, says are unparalleled conditions, when all forms of securities have decreased in value, when many bond issues have failed to pay either interest or principal, when thousands of banks and bond houses have had to close doors, the Gen. Board of Finance has earned 4½ per cent on those funds held in trust for the Florida Annual Conference. It is extremely interesting to know that the Board, so far, has suffered no losses in capital although a great many bonds have not paid the interest and some bonds have had to be deposited with bond-holder committees for readjustment of the accounts.

The amount of Florida Conference endowment fund, held in trust by the General Board of Finance is \$101,340.79, on which your Conference Board receives a dividend check for \$4,536.58. This will be added to the income of the Conference Board to be distributed as other funds are distributed to the Conference Claimants. Your Conference Board is gratified by the fact that this check is the second largest sent out to the Annual Conferences

The value of this fund may be seen when we realize that during the fourteen years of the Board's existence, it has distributed to the Conference Claimants throughout the Church \$2,193,616.60. This year the Board distributed, direct to the claimants, on the basis of years of service, \$182,472.75, except a small amount which is held in reserve for contingencies.

Under the privilege of adjusting the unpaid quota balances the Quarterly Conferences charged off more than \$5,000,000.00. They approved, however, of more than \$1,000,000.00 as an obligation and pledged themselves to present the cause to their respective congregations and to request contributions to be credited to their charge. The charges of the Florida Annual Conference after adjusting their quotas re-approved \$54,959.53 on which they paid last year \$2,832.54, leaving a balance to be paid of \$52,126.99.

(2) In the beginning of the year the Director of Superannuate Endowment conceived the idea of using calendars for the collection of the annual amount due on adjusted quotas. With the consent of the General Board, he sent out between 1700 and 1800 to pastors who requested them and who promised to place them in the homes of their members. It is hoped that these pastors have brought their collections to Conference or have sent them to the office of the General Board direct.

Your Conference Board of Finance highly appreciates the opportunity given to our Director to present this holy cause to the District Conferences and we again respectfully request the presiding elders to make provision for its presentation at the next District Conferences. We would call the attention of the presiding elders to a resolution adopted by the Annual Conference that the sessions of the District Conferences be so arranged as to permit the officers of the Conference to be present.

During the year Brothers D. A. Cole, E. L. Ley, H. S. Miller and Gus Davis honored superannuates of our Conference passed away.

Mrs. J. P. DePass, Mrs. Mary S. Fulwood, and Mrs. A. E. Harrison, widows of deceased preachers passed away also.

The Conference acknowledges with great appreciation a check for \$1846.20 received from the Publishing House and we urge our pastors, churches and Sunday schools to buy books and literature from the House as every sale helps the cause of our superannuate preachers and other claimants on your Board.

This has been a hard year for these Conference claimants as the Board was unable to pay the full amount of their appropriations and we highly appreciate the efforts of those pastors of churches which these claimants attend in encouraging their people to assist in every way possible to make the lives of these noble men and women more comfortable and happy. We trust they will continue their kindly offices.

The Board concurs with the General Board in the appointment of Reverend W. A. Cooper as the Conference director of Superannuate Endowment.

The expense of administering the affairs of the Board during the year is as follows:

Prorata expense Conference Commission on Benevolences -----	\$100.00
Board's share for Printing Minutes -----	217.50
Auditing Conference Treasurer's Accounts -----	40.00
Premium on Treasurer's Bond -----	25.00
1000 Stamped Envelopes -----	22.76
Clerical Help -----	120.00
Miscellaneous Expense -----	15.87
Total -----	<u>\$541.13</u>

BOARD OF MISSIONS REPORT NO. 1

The General Board reports through its representative Mr. J. F. Rawls, Treasurer, whom we were glad to have with us, that it has closed the year without increasing its indebtedness. That the income for 1933 has been so greatly reduced that unless the Church responds to the Kingdom Extension offering in a larger way than it did in 1932, the probability is the Board will be compelled to retrench its operations in a drastic way.

So far no missionaries have been withdrawn from the Foreign Field and none of the institutions have been closed up, but the work in other directions has been somewhat curtailed.

In the Home Field several of the activities have been greatly curtailed, especially our work in the Negro Training Schools.

The Women's Section of the General Board while somewhat reduced in income has suffered less than the General Section. It still carries on its full program, thanks to the loyal support and cooperation of the Women's Missionary Societies in the several Conferences.

Paine College, our one A grade college for Negroes, is celebrating in 1933 its fiftieth anniversary. The General Conference in 1930 by suitable resolution called upon the several Annual Conferences to cooperate with Paine College in a special observance of its fiftieth anniversary. It also requested the appointment by each Annual Conference of a Paine College Commission to cooperate with the General Conference Commission in making preparations for and carrying through this anniversary celebration. In accord with this General Conference action we recommend for appointment the following Paine College Commission:

- Rev. W. F. Dunkle, President of the Conference Board of Missions.
- Rev. A. H. Cole, Conference Missionary Secretary.
- Mrs. F. B. Godfrey, President of the Conference Women's Missionary Society.
- Rev. R. Ira Barnett, Executive Secretary Conference Board of Christian Education.
- Mr. Harwell Wilson, Conference Lay Leader.

The General Commission on Benevolences has arranged with Bishop Kern to have general charge of the January-February Kingdom Extension

Period. We earnestly desire our Presiding Elders and Pastors and all the Conference Boards, to give heartiest cooperation in the preparations for and the carrying through of the Kingdom Extension Period. Benevolences are the primary financial obligations of the Church. The General and Conference Commissions on Benevolences must have the full cooperation of the Presiding Elders, the Pastors, the Lay Leaders, and the Churches, in 1933 in order to secure a larger payment on the General and Conference Work Benevolences. We recommend, therefore, to the Presiding Elders that they immediately make plans for the raising of the Benevolences and for fullest cooperation with the Conference Commission on Benevolences.

BOARD OF MISSIONS REPORT NO. 2

In spite of our many adverse conditions the Pastors who have served their Missions for the year, report progress in nearly all of the Missions. Our people have been loyal and our Pastors have been earnest and faithful in joining with the people in sacrificial service and giving.

We began the year with nearly \$2,000 overdraft. We have been able to reduce this overdraft by \$1100 but in order to pay the preachers this year we have been compelled to increase our overdraft very much, so that we shall begin the year with approximately \$5,000 overdraft. This reduces our reserve fund to the point of peril. The Board is compelled to maintain a reserve fund sufficient to pay the first two quarters of its appropriations. Otherwise it would have to borrow from the banks and pay eight per cent interest even if any bank could be found to lend the money without collateral. We cannot further reduce the reserve fund without depriving our preachers of the assurance of receiving their appropriations for the first two quarters promptly, and those are the quarters when the money is most needed.

We regret that the Kingdom Extension offering was not more fully taken and that the return was about \$2,000 less than last year. We urge upon our Pastors that they do not deprive their Churches of the cultural benefits which come from the observance of the Kingdom Extension Period and that they do not deprive them of the spiritual blessing which comes from an opportunity to make a free will offering to the missionary program of the Church.

Both at Gainesville and at Tallahassee in cooperation with other Boards of the Church and of the Conference, work is maintained for the Methodist students who attend the state institutions of learning. This good work should not only be continued but increased as rapidly as possible.

The Board cooperated with other Conference Boards in maintaining the Pastors' School at Southern College for 1932. About twenty-five of our Mission Pastors attended this school and took work for credit. We have made provision to cooperate in maintaining the School for 1933.

The Board has cooperated with the Board of Christian Education and with the Women's Missionary Society in developing a program of Rural Church Extension and Training, and will continue to do so for 1933.

For seventeen years this Conference and Board has had Dr. Ira S. Patterson for its Conference Missionary Secretary. No Conference has been better served. He brought to this office large gifts, untiring diligence, burning zeal, complete loyalty to every interest of the Board and of the Church. The Board as well as the Conference had grown to depend largely upon him. He has come to the end of his service. We shall sorely miss him.

Rev. A. H. Cole has been chosen by the Board to take the place of Conference Missionary Secretary, without salary. The Board will undertake to provide for his travel and office expense. We bespeak for him the same cooperation the Conference gave to Dr. Patterson.

By action of the Conference Dr. L. P. McCord was taken from the Board and placed on the Commission on Budget. We were loath to give

him up. He had been a valuable member for a long time. Capt. A. B. Potter takes his place and we recommend him as a member of the Board.

Bro. H. F. Tolle has been elected to be Vice-President in place of Dr. McCord.

The Committee on Evangelism conducted one evangelistic campaign during the year. It submits the following report:

"Believing that the gospel is the Power of God unto salvation to all who hear and believe it, and recognizing the obligation as well as the privilege that is ours in carrying out our Lord's Commission to go into all of the world and preach His Gospel to every creature, we would call upon the pastors and leaders of our Church to put special emphasis upon this phase of the work, using every available means to secure a net increase of at least 5,000 members in the Florida Conference this Conference Year:

We recommend the continuation of John B. Culpepper and Frank P. McCall as General Evangelists.

We recommend W. H. McLeod, T. E. York, H. L. Ezell and J. I. Whitworth as approved evangelists."

The books and accounts of the Board have been audited by the Auditing Committee whose report is as follows:

"We have carefully examined the books and accounts of Rev. C. H. Summers and of Dr. Ira S. Patterson, and find them carefully and correctly kept in every detail."

BOARD OF CHRISTIAN EDUCATION

The educational interests committed to this board have made very satisfactory progress during the year. A majority of our local churches are now operating under the new legislation and finding it a great help and inspiration. Each district board has its organization perfect and a program functioning. Our work at the institutions of higher learning in our state Southern College, the Florida State College for Women, the University of Florida, and Miami University, has made real progress and the opportunities for such work greater than ever before.

We appreciate the visit of Dr. Dice R. Anderson, President of Wesleyan College, to our Conference, and pray God's blessing upon the campaign to raise funds to meet the needs of that great institution. Their Board of Trustees recently elected two members of our Conference to their board, and we submit their names herewith for confirmation:

F. D. Jackson, Tampa, Fla.

Rev. R. Ira Barnett, Lakeland, Fla.

We request the Conference to elect to membership on our board W. U. Lathrop, a layman from the Sarasota District.

J. H. Bunch was elected Vice-Chairman of the board in place of Dr. E. O. Heath.

We recommend for appointment the following:

CHURCH EXTENSION

We your Board of Church Extension wish to make the following report:

We are glad to report that those churches who have made loans from the Board of Church Extension are making earnest effort in most cases to make payment and the Board is trying to take such an attitude that it will hearten our people to carry on the program of the church and save their church houses and parsonages.

We have tried to relieve the embarrassment under which some of our congregations have labored with large debts and have tried to aid in saving valuable property. Our only regret is that our money received this year has been so small that we could not help more churches.

The Board wishes to call attention that hereafter all applications must be in the hands of the secretary one week before conference and must be correctly filled out.

The Board asks that no new buildings be erected unless they meet requirements as laid down in the Discipline.

The Board also asks that the conference allow them to have a Anniversary next year on Thursday night to present the work of the Board of Church Extension.

HOSPITAL BOARD

This Board is pleased to report that in point of service of our sick and distressed, this has been our greatest year to date. The real meaning of the Golden Cross has been demonstrated.

This Board has authorized the admission of 19 patients into Wesley Memorial Hospital, during this year. These have spent a grand total of 403 days, at an average cost of \$61.23 per patient. At regular prices we have received over \$15,000.00 worth of free service, and all these patients, except two, have been returned in health to Church and family. These all bear grateful testimony, even to owing their lives to the Golden Cross, and to Wesley Memorial Hospital.

The Golden Cross was presented earnestly at each District Conference, and other gatherings. It has been kept before the Conference by articles, editorials, letters, and literature, by both our own, and by the General Board. We spared no effort to make the Annual Enrollment the best in our history. District and Church Directors were secured, but only about \$300.00 has been reported to date. It would have been much larger but for

the setting of the Annual Harvest Day for the Orphanage on Golden Cross Sunday. And this Board, in its program of mercy to our poor and distressed, Pastors and people, wishes to protest the setting of any day for gathering of funds by any Board, on Golden Cross Sunday, which is fixed by the Discipline.

This Board again expresses its gratitude for the favorable relation sustained with Wesley Memorial Hospital, and for the many courtesies shown to our patients by both the management of the Hospital, and by the officers of the General Hospital Board.

The funds for this life saving work are about spent. It pains us that we must ask authorization of the Conference to draw again on our small and fast melting reserve. But we hereby ask authority to use \$500.00 of this balance, and the authority to use the proceeds of the enrollment for this year, these funds to be used only for cases of utter distress among our Pastors and people, where only treatment in the hospital will save life.

The total cost to our Board for all expenses of promotion of Golden Cross, and arrangement for these 19 patients, in the Hospital, was only \$280.00 for the year. And we earnestly recommend that the Conference continue its appropriation of \$150.00 for this work.

We heartily commend the efficient service of Rev. L. E. Wright, Conference Director of Golden Cross, and we unanimously request his continuation in the same office, without salary, for the ensuing year.

L. E. WRIGHT, Secretary and Treasurer
GEO. E. SUMMERS, Chairman of Board

REPORT OF BIBLE BOARD

A splendid article on the subject: "The Bible the World's Best Seller" by Mrs. J. S. Purcell of our Conference, appeared in a recent issue of the Christian Advocate. We quote the first paragraph in full as follows:

"Why not make the renewed study of the Bible one remedy for the depression? Thomas Huxley, the agnostic, called the Bible "the Magna Charta of the poor and the oppressed." Huxley claimed not to know of God, but he knew the power of the Bible that served as the great dynamic when oppression and greed ran riot in the government of nations. Roger Babson declares that he got the idea of his financial charts from Joseph in his conduct of affairs in Egypt. William Lyon Phelps believes one can learn more of human nature from the Bible than by living in the polyglot city of New York. Thomas L. Masson, humorist-writer, says that the Bible is the most economical book in the world, for it renders all other books superfluous. Truly these and many others testify that the "Word of God is the sword of the Spirit."

In the same article it is further stated that thirty-six million copies of the Bible or parts are sold annually, and the surprising statement is made that China leads all the world in such distribution and sale.

The American Bible Society continues with commendable zeal the publication and distribution of the Bible. They are giving special attention to the preparation of Bibles for the blind and at prices making them available to many who before had been denied the privilege of reading God's Word for themselves. It is the feeling of the Committee that no wiser direction is given to any part of our Benevolence Dollar than the small amount apportioned to the American Bible Society.

The fact that the Bible in whole or part appears in a new tongue once every five weeks is most encouraging.

We recommend that our pastors and people annually observe Universal Bible Sunday, literature for which is supplied by the American Bible Society.

CHRISTIAN LITERATURE

It is interesting to note how often the Rev. Mr. Wesley, exhorted and even commanded his ministers to read. Improve their time by reading good books. He advises that they, the ministers, devote themselves from six in the morning until twelve noon—with one hour for breakfast—to read in order, with much prayer, "The Christian Library and other pious books." Again he declares, "We talk or read history, or what comes next to hand. We must, absolutely must, cure this evil, or betray the cause of God. But how? Read the most useful books, and that regularly and consistantly." He advises to spend five of the twenty-four hours each day in this sort of mental and moral exercises. So much does he prize good reading that he gives orders, "That every assistant may beg money of the rich to buy books for the poor."

American Methodism early undertook the printing of tracts and books, the distribution of the same was, considered, a part of the work of the pioneer preacher. John Dickins, of Philadelphia, is generally considered as the founder of the publishing interest of the Methodist Church. He was the first "Book Steward" and was its first Editor and Publisher, beginning with a capitol of \$600.00. It was on August 17, 1789, the first book was issued, "Wesley's abridged translation of the immortal Imitation" of Thomas a' Kempis.

From then until now, Methodism has been printing and distributing good books and other Christian Literature. We are justly proud of our achievements in this field of Christian endeavor, but what of the reading? With the Radio, dumping all sorts of programs in the family circle, the Daily Newspaper, with its glowing headlines of the latest crime, the magazines with their attractive covers and filthy insides, the "movies" with their programs, ridiculing religion, making crime a virtue and indencency and achievement to be desired. In the midst of all this and more, it is small wonder that the Bible, "Advocates", and other Religious Literature find small place in the average home.

We must seek to re-possess the place our Christian Literature, once occupied in our homes. We have a commodity to sell that is essential to our spiritual welbeing and the success of our Church. If we are to accomplish this, there must be more than the entombing of a few trite "resolutions" in our Conference Journal. We suggest—

That, this Conference designate the 3rd Sunday in December, and the week following, as "Christian Literature Week," the Pastor to preach a sermon emphasizing this part of our work, displaying in some suitable place, our publications of books, Advocats, tracts and other publications of our "Publishing House," taking orders for the same.

That, if we continue our Florida Advocate, it be placed on a par with the Sunday School periodicals, to supply such families as desire it, and be paid for by the quarter.

That, we respectfully request the Program Committee of our next Annual Conference to set aside Wednesday evening, of the Conference week, for the Anniversary of this Board.

That we heartily endorse the present form of our Florida Advocate, and commend most sincerely the splendid work of Rev. I. C. Jenkins, D. D., as Editor, and recommend that he be continued in the same capacity.

That, we voice our thanks and appreciations to Dr. J. Edgar Wilson, for his loyalty and sacrifice, in publishing the Florida Advocate.

That, we commend most highly Rev. William P. King, LL. D., for his work as Editor of our Christian Advocate, keeping as he has, this journal of religious news, to its high level in Christian thought and world outlook.

That, we record our thanks to Whitmore and Smith, Agents of our Publishing House that through these difficult days, they have so managed, that a substantial profit is shown in the business of the year.

R. B. TEMPLETON, Chairman.

GEORGE W. TEDDER, Secty.

BOARD OF TEMPERANCE AND SOCIAL SERVICE

CONCERNING THE PRESENT PROHIBITION SITUATION WE DECLARE:

First: We fully endorse the action of our General Conference of 1930 which declared for the retention of the eighteenth Amendment as the best expression of the social conscience of the people. Hence we oppose any effort made by the wets to repeal this amendment and thus return the old saloon.

Second: The responsibility of individual citizens to their country and to their God for their votes for the president, governor, senators and congressmen and all other state or government officials, cannot be altered, or excused by any party fealty or party declarations. TO HIS OWN GOD HE STANDS OR FALLS. Moral Principals are paramount to any party loyalty, and obedience to God and the home towers above political party dictum and political leaders.

Third: We cannot escape the sad fact that to endorse and vote for any party, group, or individual standing for the sale and use of beverage intoxicants, is to sanction the evils and inevitable results of such sale and use.

Fourth: The present situation calls for much prayer upon the part of christian people throughout the world. We are sure no man or woman is praying for the return of the licensed liquor sales agency. Even the extreme wets who fear not God and neither regard man, have been known to pray for the business. There should be seasons of prayer in which communities engage as one man, crying mightily to God to overthrow the plans of the enemy and give us relief from the coming evil results.

Fifth: Since we are taught that "no drunkard shall inherit the kingdom of God," we should preach a gospel that saves the drunkard. The appeal to him specifically naming his danger will result in a process of education which he needs, and that will aid in creating a church conscience against this evil.

Sixth: Through the Sunday School, the Epworth League, the Woman's Missionary Society and the Adult Bible classes, we should bring the evils of drink, and the necessity of protecting the home, the schools, and the young people from the curse of drink.

Seventh: We urge that our presiding elders be instructed to provide for special temperance meetings in each charge in their district for the purposes of temperance education. To see that a district Board of Temperance and Social Service be organized in the several districts and where possible that out-of-door meetings be held for the same purpose. Also that joint debates be held if such arrangements can be made.

Eighth: Let each pastor organize a Board of Temperance and Social Service as the Discipline directs for the purpose of educating the people on this question and to promote the cause of prohibition in the community. Of course no pastor will hesitate to bring this matter before his people at such times as opportunity offers.

My Brethren and Sisters: God is on his throne. He still hears prayer. "All power is given unto me in heaven and in earth." Then listen: "Ask and ye shall receive." The christian cannot serve the liquor intersts and the church at the same time. THERE IS NO DIVIDED ALLEGIANCE. Jesus said: (H. B. Montgomery's translation) "No slave can serve two masters, for either he will hate the one and love the other, or he will pay heed to the one and despise the other. You cannot be the slave of both God and gold." "Come out from among them and be ye separate, saith the Lord."

Let our final appeal be "TO THE LORD GOD OF HOSTS, whom we can trust to keep his promises.

We endorse the Womans' Christian Temperance Union, and the Anti Saloon League, also all other organizations which are working against the repeal of the eighteenth amendment, or the return of any form of sale of intoxicants through the state or governmental authorization.

We recommend that Rev. C. W. Crooke be appointed Supt. of the Anti-Saloon League of Florida.

The following Resolutions were adopted by the Board:

I. WHEREAS: A movement has been initiated in this State by those opposed to prohibition to repeal the Florida (19th) Prohibition Amendment, and the prohibition code, at the next session of the Legislature,

THEREFORE BE IT RESOLVED: That the Florida Conference of the Methodist Episcopal Church, South, go on record as opposed to the repeal of both the 19th Amendment to the Constitution of Florida and the statutes in support thereof, and, further

BE IT RESOLVED: That the Conference shall hereby concur in, and shall advise its church membership to actively support the state-wide REMONSTRANCE proposed and now being initiated by the Anti-Saloon League of the State of Florida against any and all such repeal movements by the Florida Legislature at its next (April) Session in 1933.

II. WHEREAS: The present status of Prohibition demands earnest, co-ordinated and immediate action by all the prohibition forces of the state working together through the two leading political parties, both of the state and the nation; and

WHEREAS: That by the adoption of this resolution there is hereby created the nucleus of a state-wide organization in Florida, to be known as the Bi-partisan Good Government League, and that the Florida Annual Conference of the Methodist Episcopal Church, South, in conference assembled, invites and urges the hearty cooperation of christian people and believers in prohibition to join us in promoting temperance and prohibition in the state.

RESOLVED: That this conference select five business and professional men and women from among the laity of the church to comprise a Committee on Permanent Organization, acting in conjunction with similar committees from other groups of laymen, to constitute a temporary board of directors till a permanent organization is formed. The committee so formed to have full power and authority to take immediate steps toward forming a permanent organization.

Signed,

W. J. CARPENTER, Chairman.

BOARD OF LAY ACTIVITIES CONFERENCE

Your Conference Board of Lay Activities, as directed by the Discipline of our Church, submits its annual report as follows:

We are pleased to report progress along the various lines of our work in the field of stewardship cultivation, promotion of payment on benevolences, a proper observance of Laymen's Day, a lay speaking program covering the entire conference in several of the outstanding features of the conference work, and a number of Wesley Brotherhoods rendering effective service.

Stewardship

Your Board realizes keenly the great need of a more vital, intensive, and extensive educational program for spirituality. This will come as our people are brought to realize that they are stewards in the great program of God for their lives—stewards of their talents, possessions, all their powers of body, mind and spirit—to be dedicated to the service of God and the spread of Christ's Kingdom. The proper inculcation of this great scriptural doctrine and principle of life will tend to solve all the problems of the church in the realm of service and finance.

We urge the study of Christian Stewardship in the organized Bible classes of the Sunday Schools, in Standard Training Classes and in Standard Training Schools.

We recommend the observance of a special period of four weeks for stewardship cultivation, as far as possible, during the months of April and May.

The Benevolences

We earnestly recommend that all lay leaders and boards of stewards redouble their efforts for the coming year to secure one hundred percent payment on all Benevolences. All of the great causes of Methodism are involved in these funds. The closest possible cooperation should be given by the lay forces of the church to the leadership of the Bishop, the Elders, and the Pastors in their efforts to make the Florida Conference one hundred percent in all its financial program.

We wish to commend the dual budget plan to the consideration of the churches in the Conference that have not adopted and made a success of the single budget. And we especially urge that those churches which use the single budget shall make pro rata payment to all of the items in the budget. We believe that proper attention to this important matter will be productive of larger funds for the Kingdom.

The Wesley Brotherhood

We cordially commend the Wesley Brotherhood to the consideration of our churches for the development of the spiritual life of the men. We urge that those interested in this movement secure the handbook of the Wesley Brotherhood which has recently been published by our General Board.

Laymen's Day

We recommend that the Conference designate the second Sunday in June (June 11, 1933) for the observance of Laymen's Day throughout the Conference. The theme for the program for this Conference year will be "The Stewardship Interpretation of Life."

Lay Speaking

The value of lay speaking has been demonstrated from the beginning of Methodism. It develops the Christian character of those participating and is an effective agency for promoting the general program of the Church, and for the extension of the Kingdom through religious services held by laymen. We recommend that the Presiding Elder and the District Lay Leader, together with his Associates, plan carefully for this program to continue throughout the Conference year.

The Methodist Layman

We most cordially commend the Methodist Layman, the official organ of our lay movement. We recommend that an earnest effort be made to secure a minimum of five subscriptions to this paper from each charge, at the club rate of fifty cents a year.

Spiritual Life

We call upon the laity of the Church to deepen their spiritual experience by prayer, Bible study, worship, giving and personal service. Let our laymen avail themselves of the privilege of personal evangelism by example, teaching and working as did our Lord and Master. We are especially concerned that the entire lay organization shall give to our Bishop, Presiding Elders and Pastors the fullest possible cooperation in their plans and leadership for the fuller development of the spiritual life of all our people and for the winning of souls to the Kingdom.

Conclusion

As a Board we wish to express our deep love and appreciation of our Bishop, Elders and Pastors in their leadership of our Church, in their interest in the development of the laymen, and in their activities for the Kingdom.

Conference Lay Leader

We nominate for Conference Lay Leader Harwell Wilson.

HARWELL WILSON, Secretary.
DOUGLAS BAILEY, Chairman.

ORPRANAGE BOARD—REPORT NO. 1

We are delighted to report that your Orphanage has come through this most strenuous year of its history with no deficit, even though we have no cash balance and two months are between us and another fifth Sunday.

Having made cuts in salaries and all other reductions possible, consistent with discretion, we face the new year with renewed confidence and steadfast faith.

We recommend that no assessment be made for the Orphanage for the coming year but in lieu thereof the Orphanage be given all the offering on all fifth Sundays in the Sunday Schools, and the cash offering morning and evening, of church services of all churches; and that Work Day and Harvest Day which were permanently fixed on second Sunday in May and Saturday before, be unanimously observed.

We recommend the appointment of Rev. Harry H. Waller as financial agent for the ensuing year, and the election of Rev. P. A. Fletcher and Dr. I. C. Jenkins as trustees in place respectively of Dr. E. O. Heath, transferred, and Dr. Paul Ellis, automatically removed by change from the district in which the Orphanage is located.

L. P. HAGAN, President.

R. F. HODNETT, Secretary.

REPORT NO. 2

We are gratified in reporting on the material status of the Orphanage, that the general condition of the property is most excellent despite the fact that for four years cost of repairs has been kept down to a negligible minimum. The general appearance of the grounds and building has been greatly improved at no cost to the Conference.

Through donations of friends and good management of Supt. Shannon many helpful and valuable enterprises have been achieved. One for example is the laundry building and equipment, an average value of \$6,000.00, at a cost in money to the Board of less than \$200.00. As a result during the coming year alone we will be saved approximately \$500.00. Our entire property has not deteriorated but grown in value several thousand dollars.

There have been cared for during the year one hundred and sixty children. Many times our hearts ached for those seeking admittance, for most of them we had to say no. But some were too deplorably sad to turn away. The hardest of all our duties has been to say no to needy, hungry, destitute children, yet we have had it to do because of the financial shortage.

There are now one hundred thirty children in the home, all well and happy and well provided for. Death and very severe illness have been spared us.

Mental and physical development of the children is highly satisfactory, and excellent progress has been made in practical vocational training for the older ones.

Nothing in the entire institution is more satisfactory than the spiritual life manifested and beautifully developing in the children which have reached the age of responsibility. Thirty of them this year became intelligent, bright, happy members of the Church. They are growing into splendid citizens of industrial, moral and religious worth.

The total expense of operating the Home for this year was \$30,579.46, about \$2,000.00 less than last year, and we expect to operate this year with probably a greater reduction.

The fifth Sundays netted in round numbers eleven thousand dollars, Work Day six thousand; of the remaining cost, \$13,000.00, practically all was raised by the persistent, effective work of our financial agent, Rev. Harry H. Waller. Without his splendid work we would have suffered severely and might have been forced to close our doors.

The Supt. of Publicity, Rev. D. B. Sweat, has wrought wonders with

that sparkling little paper "The Orphans Friend." He has made for the Orphanage many thousands of friends all over America and caused thousands of good things to be done for us.

There are fourteen workers in the Home. Insurance carried, \$47,000.00. Total value of all property, \$205,400.00.

L. P. HAGAN, President.

R. F. HODNETT, Secretary.

FLORIDA CONFERENCE ORGAN BOARD

We wish to commend the sacrificial service of our editor, Dr. I. C. Jenkins, who has labored with great zeal and almost without salary, through the past year. We extend our thanks to Dr. J. Edgar Wilson, who also has, at great sacrifice, acted as publicity agent for the paper.

This Board along with other Boards, has suffered in it's income during the year and has not been able to render the service with which it had planned to render and has come to the end of the year with a deficit, which has been absorbed by the editor and the publishing agent. These men are not able to stand this loss but have graciously consented to do so. The Board deeply regrets the necessity of allowing this to be done.

We feel that the Florida Christian Advocate has materially added to the income of all the Boards in the Conference, especially in the recent Harvest Day campaign. In addition to this, it has furnished a medium of contact for the various Churches and organizations of the Conference without which contact, we could not have moved as a unit. On this basis we make an appeal for better support during the coming year.

We recommend that an attempt be made to secure at least one subscriber for every ten members of the local Church and that this be accepted by the Conference as a goal towards which we will work.

We recommend the re-electoin of E. B. Walthall to succeed himself on the Board. And the election of Rev. Smith Hardin in the place of Dr. J. H. Therrell, whose term expires.

We ask that the cabinet committee on calendar give to the Advocate a day on which this interest of the Church may be presented and urge that the brethren faithfully present this cause to the people.

We recommend the election of Dr. I. C. Jenkins as Editor and Rev. J. Edgar Wilson as publishing agent.

SABBATH OBSERVANCE

The Scriptures teach that "the Sabbath was made for man and not man for the Sabbath", and the Church interprets this teaching as referring primarily to man's highest needs, to his spiritual and eternal well being. Hence the command to "remember the Sabbath day to keep it holy" is to the intent that man may develop in holiness of character, therefore be it resolved:

First, that we seek to make more emphatic the spiritual import of the Sabbath, by strict adherence to the rules of our great Church regulating its observance that it may be set apart as a day holy unto the Lord.

Second, that we give ourselves more earnestly to create a conscience against those forms of Sabbath desecration which are most commonly practiced, which practice tends to detract from the spiritual conception of the Sabbath and leads to more violent forms of desecration.

Third, that we pledge our united efforts to restore to its proper place and function this important divine legislation for the spiritual development of the race, to prevent further encroachment upon the sanctity of the Sabbath by those who have no regard for the laws either of God or man, and we favor the passage and enforcement of such laws as would most effectively accomplish this end.

COMMISSION ON BENEVOLENCES

In presenting this the annual report of the Conference Commission on Benevolences, the decline in the collections on Benevolences during the past few years has been a matter of great concern and has worked hardship, trials and privations on our Mission preachers and the Superannuates of our Conference.

We issue definite call to all of our preachers and Lay members of our Conference to take the payment of these claims upon their hearts and set as our goal for the Florida Conference one hundred per cent payment on all Conference Claims.

We distinctly urge that we make immediate beginning of this task early in the Conference Year, recommending the Every Member Canvass, earnest appeal to have our claims either in cash or good pledges by Easter Sunday, to send in all amounts as soon as collected.

Your Commission requests the appropriation of \$250.00 for their expenses during the ensuing Conference Year.

SMITH HARDIN, Chairman.

THE COMMITTEE ON ADEQUATE SUPPORT
OF THE MINISTRY

In pursuance of duties assigned by the last Annual Conference, the Committee on Adequate Support of the Ministry has made a survey of the needs of our itinerants and endeavored to provide a practical fraternal plan to aid our Pastors who are receiving sub-minimum salaries. We are very glad to report that we have a plan, similar to one which has been successfully operated in the Southern California Conference of the M. E. Church, which we believe is practicable for our Conference.

It is our belief that the establishing of such a Fellowship Fund as is outlined in this report will not only help to meet the dire material needs of many of our brethren but will promote brotherhood in our Conference in such a way as to improve the morale of our Florida Methodism. The plan is as follows:

THE FELLOWSHIP FUND

Plan of Organization and Administration

NAME. The name of this fund shall be The Fellowship Fund.

MEMBERSHIP. It is recommended that all effective members of the Florida Annual Conference be participating members of this fund.

PURPOSE. The purpose of this fund is to supplement salaries in an effort to provide a comfortable support for members of our Conference who receive less than a reasonable minimum salary.

MINIMUM SALARY. The following schedule of salaries is recommended as a goal:

1. Single members, \$750. (and living quarters)
 2. Married members, \$1,000. (and parsonage)
 3. The minimum salary shall be raised \$50. for each child up to a maximum of \$1,200, said increases becoming effective immediately upon the birth of a child.
 4. The minimum salary to be fixed by the Annual Conference each year upon recommendation of a Fellowship Fund Committee.
- SOURCE OF REVENUE.** It is recommended that all participating members contribute to the fund quarterly, according to the following schedule of sharing:

- a. Salaries under \$1,799. 1-2 of 1 per cent per year.
- b. Salaries from \$1,800. to \$2,499. 1 per cent per year.
- c. Salaries under \$2,500. to \$2,999. 1 1-2 per cent per year.
- d. Salaries from \$3,000. to \$3,499. 2 per cent per year.
- e. Salaries from \$3,500. to \$3,999. 2 1-2 per cent per year.
- f. Salaries from \$4,000 to \$4,499. 3 per cent per year.
- g. Salaries from \$4,500. to \$4,999. 3 1-2 per cent per year.
- h. Salaries from \$5,000. up ——— 4 per cent per year.

The above percentages to be paid on salaries reported paid at the Annual Conference, inclusive of cash income from the Conference Mission Board.

ADMINISTRATION. 1. It is recommended that the Fellowship Fund be administered by the Fellowship Fund Committee, composed of five participating members, elected by the Annual Conference on nomination of the presiding Bishop.

2. It is recommended that 10 per cent of all receipts be set aside for emergency needs, the funds thus secured to be expended for such needs as they arise, or at the time of the next Annual Conference.

3. It is further recommended that the Annual Conference Committee appoint for each district a committee of three pastors and the Presiding Elder, whose duty it shall be to investigate each pastoral charge where sub-minimum salaries are anticipated, and recommend such appropriations to the Fellowship Fund Committee as will be needed to meet the minimum salary scale.

4. Appropriations may be made from emergency funds to participating members whose churches have experienced calamities resulting in sub-minimum salaries.

We recommend a careful study of the Fellowship Fund plan during the ensuing year by members of the Conference and we request a continuance of the committee for another year.

MEMORIES OF PREACHERS

REV. DANIEL AUSTIN COLE

Rev. D. A. Cole was born in Pennsylvania October 1st, 1849. His parents were Presbyterians but he was converted in a Methodist revival about 1873, and it is not strange that he united with the Methodist Church. He was married to Miss Eva W. Murray the same year. On account of his wife's health the family moved to Florida in 1883 and settled near Tampa where his wife died in 1884.

He was licensed to preach and recommended for admission on trial 1885 and admitted on trial in the Florida Conference in January, 1886, in a class of sixteen. Rev. Fred Pixton being the only surviving member. For thirty-five years he served faithfully and efficiently as pastor and presiding elder.

In December, 1887, he was married to Miss Anna Wilkinson of Bowling Green, Florida, who preceeded him to the better land by only a few months. In December, 1920, he was superannuated but continued to preach and loyally assisted his pastor when health and opportunity made it possible until God called him on February 18th, 1932, from the home of his daughter, Mrs. E. J. Nix, in Jessup, Georgia, to the home not made with hands, eternal in the heavens.

He leaves one son by his first wife, Rev. A. H. Cole, an honored member of the Florida Conference, and three children by his second wife, Mrs. E. J. Nix, Jessup, Ga.; Mrs. J. L. Pierson, Cocoa, Fla.; Mrs. A. A. Taylor, Shiloh, Fla. to cherish the memory and follow the example of an affectionate father. One child died in infancy.

Bro. Cole had a vital Christian experience and felt a definite call to preach the gospel, he felt that God had laid his hand upon him and said "Rise, stand upon thy feet, for I have appeared unto thee for this purpose, to make thee a minister and a witness of these things." He never forgot that he was the ambassador of God.

While he was gentle and kind he was brave and patient. He never sought, nor shunned responsibility, but when it was placed upon him he met it in faith and the spirit of self-sacrifice. The writer has sometimes felt that because of this and his ability in administering discipline, that he was called upon to do more than his part in adjusting some of the perplexing problems of the church, even outside of his own charge. He was a wise councillor. Often, as a member of the Board of Trustees of Southern College, when they were confronted with great difficulties, and other members had expressed their views, he was called upon for his opinion and would present a plan that immediately appealed to the Board as the wisest solution of the vexing problem. The writer recalls that on some occasions, when facing great difficulties, Bro. Cole called the Board to unite in prayer for wisdom from above, and the answer came.

He was a man of more than ordinary intellect. When the Bishop in charge, in a meeting of the cabinet, was appointing him to an important work, he was reminded that Bro. Cole was a diligent student and he declared he would rather have such a man, who had learned to think and read great books and was still pursuing his studies, than one who had secured his college degree, but was neglecting to continue his studies.

He was always faithful and conscientious in doing the work to which he was assigned. He was a man of heroic character, solid piety and so lived as never to bring reproach upon his church, and his memory will long be cherished by his brethren, who knew him and loved him.

His body was laid to rest in the cemetery at Cocoa by the side of his faithful wife, who, for so many years, shared with him, the trials incident to an itinerant life. The services were conducted by Rev. J. H. Daniels, presiding elder of the Orlando District, assisted by Rev. M. H. Norton of First Church, Orlando; Rev. C. H. Summers of Broadway Church, Orlando; Rev. L. P. Driskell of Mims, Fla., and Rev. J. T. Guy, Pastor of Cocoa.

This record very briefly outlines the work of one who has finished his earthly course and entered upon his heavenly inheritance, but whose influence abides and his works will continue to follow him while his body slumbers in the soft sand of Florida and the flowers bloom above his last resting place.

J. P. HILBURN, Tampa, Florida.

REV. GUSTAVIS ADOLPHUS DAVIS

Rev. Gustavis Adolphus Davis was born at Brunswick, Georgia, Jan. 29, 1876. In the city of his nativity, he lived with his parents, Dr. and Mrs. L. B. M. Davis, until he was ready for College. He received his A. B. degree at Emory College, Oxford, Ga., in June, 1903.

He joined the South Georgia Conference in December, 1903, and on Dec. 6, 1904, he was happily married to Miss Mattie Wooten, daughter of Dr. and Mrs. Wooten, of Chauncey, Ga. This union was blessed with three children, a daughter who died in infancy, and two sons, Henry Lee, and Gus A., Jr., who reside with their mother at 715 Bradley St., West Palm Beach, Fla.

He received four charges in the South Georgia Conference, namely: North Highlands, Columbus; Midland Circuit, Meigs, Ochlochnee and Altamaha. In December, 1909, he transferred to the Florida Conference. In this Conference he served Jennings two years. He spent 1912 and 1913 at Vanderbilt University. He served Macclenny Charge four years, from 1914 to 1917 inclusive. He spent 1918 at St. Augustine. He served Greensboro Charge four years, from 1919 to 1922 inclusive. He spent 1923, 1924 and 1925 at Parish and Ellenton. In 1926 and 1927 he served Tarpon Springs, and in 1927 and 1928 he was at Cedar Key. In June, 1928, he took the superannuate relation. In December, 1928, he was strong enough to take work again, and was appointed to Highland City and Eaton Park. His last pastorate was Sarah Wagg Memorial, West Palm Beach, where he served three years. He was superannuated at the Conference in Tampa in December, 1931. He was making his home at 715 Bradley St., West Palm Beach, when God called him to Heaven on June 8, 1932.

His funeral service was conducted in Sarah Wagg Memorial Church, Saturday afternoon at 3 o'clock, June 11, 1932. Rev. Bruce Gannaway had charge of the service, assisted by Rev. Smith Hardin, Presiding Elder of the Miami District; Dr. C. K. Vliet, Pastor First Methodist Church, West Palm Beach; Rev. Walter Kimmell, of West Palm Beach, and Dr. W. K. Piner, of Miami Beach.

His pallbearers were: C. D. Blackwell, Morey Dunn, Howard W. Selly, J. W. Loadholtes, M. D. Brown, and E. J. Hills. His precious body was laid to rest in Woodlawn Cemetery, West Palm Beach—Mizell Mortuary in Charge of all funeral arrangements.

Brother Davis was a thoroughly prepared man, and while he spent his life in serving small stations and humble circuits, he was fully prepared for filling the largest stations in our connection. He was an able preacher, thoroughly orthodox, spirit filled, faithful and careful in all his pastoral work. He led hundreds, perhaps thousands, into the kingdom of Christ, and into the Methodist Church. Some preceded him to the Celestial City, and were there to welcome him when he arrived. Hundreds are still on the road, and will meet him in the "Sweet Bye and Bye."

Our precious brother suffered great physical pain during the latter months of his life on earth, but through it all he was patient and sweet like his blessed Master. He fought a good fight, he kept the faith, and now he wears a crown of righteousness—placed on his saintly brow by the nail-pierced hands of his loving Saviour. His faithful and efficient companion, who shared with him in the burdens and blessings incident to the itinerant Methodist ministry, feels very lonely and sad since he passed away, but she would not call him back from his happy heavenly home, if

such were possible. She is comforting and training her two noble sons as they walk in the foot-prints of their illustrious father.

'Servant of God, well done!
Rest from thy loved employ;
The battle fought, the victory won,
Enter the Master's joy."

GEORGE COOPER HERNDON

Rev. George Cooper Herndon was born in Baker County, Florida, Feb. 23, 1880. He was gloriously converted and called to preach under the ministry of Rev. G. S. Roberts in the year 1911. This happy experience came to him in Jacksonville, and he was licensed to preach by the Jacksonville District Conference in 1912. He served as a supply pastor from 1913 to 1919 inclusively. During this period he was pastor of Jacksonville Mission New Augustine, Maitland and Sebastian Charges. He was admitted on trial in the Florida Conference Dec. 9, 1920. He was received into Full Connection, and ordained Deacon by Bishop Ainsworth in 1922. He was ordained Elder Dec. 7, 1924, by Bishop Ainsworth. After entering the Conference he served the following Charges: LaBelle, Zolfo, Apalachicola, Marvin Church, (Jacksonville) Wildwood, Boynton, and began a most promising pastorate on the Sebastian Charge.

On Jan. 12, 1911, he was happily married to Miss Sallie X. Ridge in Jacksonville, Florida, by Rev. G. S. Roberts. This union was blessed with six children. Of this number two have gone up to Heaven to live with Jesus. Three lovely daughters, Mary Louise, Dorothy, and Georgia, and a noble son, Robert, are left to comfort their precious mother in her sad bereavement.

His last earthly appointment was Sebastian where he was warmly received, and started a very promising pastorate, but in April was taken violently ill. He was carried to Wesley Memorial Hospital, in Atlanta, Ga., where he was given a surgical operation. Everything was done for him that medical science and loving hands could possibly do, and on May 24, 1932, God gave him his highest and best appointment. He was carried by angels to a mansion in Heaven, and there he awaits the coming of his loved ones in the "Sweet Bye and Bye."

His funeral service was conducted by Rev. J. H. Daniel, Presiding Elder of the Orlando District, assisted by Rev. H. E. Partridge, Rev. Smith Hardin, Rev. G. R. Stephens, and Rev. Eshman, a Presbyterian minister, who was a close friend of Bro. Herndon. He was so greatly loved that many came a long distance to attend his funeral, and to mingle their tears with those of relatives and friends. The gospel he preached, and the ministry he gave blessed vast multitudes of humanity. This gospel and ministry, coupled with his holy life, comfort his faithful companion who shared with him in the joys and sorrows of the itinerant Methodist minister's life. The memory of their good father will inspire his fine children to walk in his godly foot prints.

His noble body was quietly laid to rest in the Sebastian Cemetery under a marvelous profusion of exquisitely beautiful flowers placed by the loving hands of those who had been blessed under his holy ministry.

"Up to the city where falleth no night,
Gathering home! gathering home!
Up where the Saviour's own face is the light,
The dear ones are gathering home.

Up to the beautiful mansions above,
Gathering home! gathering home!
Safe in the arms of his infinite love,
The dear ones are gathering home.

REV. ELIAS LEITNER LEY

Rev. Elias Leitner Ley was born in Micanopy, Florida, March 4th, 1863, and passed away in Miami, Florida, January 16, 1932, having lived 68 years, 10 months and 12 days.

Brother Ley was the youngest son of Rev. J. C. Ley and wife, and brother to Rev. J. B. Ley and Rev. E. F. Ley whose labors in the Florida Conference are well known to Methodism in our state. In the passing of Brother E. L. Ley closes the 87th year of this illustrious family preaching the Gospel of Christ in the Methodist Church. No other family in Florida has such a record.

Brother Ley was trained in a religious family and gave his heart to God when quite young. He had the utmost regard for the good and the pure and was taught from childhood to honor and respect the fine things in life.

He did not answer the call to the itinerant ministry very early in life, but was a local preacher for many years before coming to the Conference and did constructive work as a Local preacher in Jacksonville, Florida. He was faithful and loved his church and was true to its doctrine.

He was sent to Key West by Bishop Denny in 1916 and arrived there December 28th, to a little Church known as "Rocky Road." The congregation was small and no Church building to use. They used a vacant store building. The way looked dark for a prosperous church, but he worked hard, prayed much and soon a Church building was purchased on Division Street and everything was paid for during his pastorate there. He served that Church 12 years—the longest pastorate in the Florida Conference to that time—and the Church regretted to lose him as pastor.

It was the writer's privilege to serve three years in Key West with him and we knew him intimately and loved him devotedly.

To know him was to love him. I am sure that no Pastor was more loved in Key West than Brother Ley was and his life, his cheerful disposition will linger affectionately in the minds of that people. He married more couples, baptized more babies than any other pastor who ever served there.

Brother Ley was a faithful servant of the church. His preaching was based upon the fundamental doctrines of our Church. He kept away from theories and controversial subjects. He was attentive to the sick, courteous to strangers, sympathetic to the distressed and kind to the erring. He scattered sunshine everywhere. His body was frail but he seldom complained. His faith in God was sublime; he also had faith in folks.

Brother Ley was so loved by the church he served so long in Key West that during the 4th year of his pastorate there, the name was changed to "Ley Memorial" and years to come that Church on Division Street will be a perpetual memory of his faithful and consecrated work done in our Conference.

In 1928 he was sent to Holloman Park, Miami, Fla., where he served two years. During his pastorate there, everything was paid in full.

In 1930 he was sent to Matecumbe but his failing health caused him to give up the work the latter part of 1931 and he went to Miami, Fla., to live with his daughter, Mrs. H. W. Heyward, where every comfort and attention was given.

Brother Ley's wife preceded him to the better world something like 20 years ago and he was attentive to his children, being a father and mother both to them. He is survived by one daughter, Mrs. H. W. Heyward, of Miami, Fla., in whose home Brother Ley lived and 3 sons, Leitner of Ft. Meads, Fla.; Lovick of Key West, Fla., and Willard of Miami, Fla.

His body was laid to rest in Micanopy cemetery by the side of his wife. The service at the grave was conducted by Rev. S. I. Hendrix, assisted by Rev. L. M. Broyles, Rev. W. A. Myres, and Rev. S. A. Wilson.

REV. HILLIARD SUMMERS MILLER

Rev. Hilliard Summers Miller, son of John Hilliard Miller and Mrs. Ann Caroline Ott Miller, was born in Clayton, Alabama, Aug. 3, 1855. He was gloriously converted, and joined the Methodist Church in Orange County, Fla., in 1869. In the year 1879 he was received into the Florida Annual Conference on trial. He was ordained Deacon in 1880, and Elder in 1883. He was on the effective list in this Conference 29 years. He refrained from marriage until he was past middle life so that he might successfully serve some of the hardest charges in the Conference. Often he told the Bishop to send him to the hardest places he had, and save the better places for preachers who had families to support. He built up many weak charges so they could support a married preacher, and then went to another inferior place to make it stronger for some preacher who had a family. He was a very self-sacrificing man—preferring his brethren above himself. He took the supernumerary relation in Dec., 1907, and was superannuated in Dec., 1908. After this he made a home for himself and loved ones in Bradford County, Florida. Later he moved to Worthington Springs, Fla., and lived there until January 1, 1932. The latter months of his life were spent at Thomaston, Ga., near his son.

After spending 42 years of celibacy for God's glory, our precious brother was most happily married to Miss Eulalie Hiers, of Bradford County, Fla., Dec. 16, 1897. She built for him a happy Christian home, where three children were reared in the nurture and admonition of the Lord—the eldest having died in infancy. Two noble sons, and a lovely daughter are now a great comfort and inspiration to their bereaved mother. George H. Miller is now an attorney at law practicing at Thomaston, Ga. Albert H. Miller is a civil engineer with the U. S. War Department, at present working on the Mississippi River Flood Control. Miss Virginia Miller, their youngest child, is now a senior at Wesleyan College.

Brother Miller had the advantage of being reared in a noble Christian home. His saintly father was Superintendent of a Sunday School for 35 years in Clayton, Alabama, before moving with his family to Orange County, Fla. The deep religious impressions formed in that good parental home lasted our brother until God took him to Heaven.

When Bro. Miller joined the Florida Conference he owned a splendid orange grove. Later he sold that grove, and used every dollar of that money in the Conference for the glory of God, and the advancement of Florida Methodism.

Bro. and Sister Miller were living in Thomaston, Ga., near their eldest son when his last illness came. On August 20, he took his bed never to be up again. On Sept. 4, he was carried to Wesley Memorial Hospital, Atlanta, Ga., and as nothing could be done for him he was brought home. In his home he was tenderly nursed by a good nurse, and by his own loved ones until God called him to Heaven. He suffered no pain, and was anxious to go home and live with Jesus. One day he said, "I will be on way to Heaven tomorrow." And it was so, on Sunday, Oct. 9th, he sank into a coma, and never rallied. On Oct. 12th, at 8:25 A. M., he quietly and peacefully slipped away from the loved ones on earth to live with loved ones in Heaven. His funeral services were held Thursday morning at 11 o'clock from the residence in Thomaston, Ga. Rev. John G. Logan, Pastor, conducted the service, and was assisted by Rev. J. M. Tumlin, a Superannuate, and Rev. Dodd, pastor First Baptist Church. His precious body was tenderly laid to rest in Glenwood Cemetery, Thomaston, Ga.

'A few more storms shall beat

On this wild, rocky shore,

And we shall be where tempest cease

And surges swell no more.

Then, O my Lord, prepare

My soul for that blest day;

O wash me in thy precious blood,

And take my sins away.

A few more struggles here
A few more parting o'er,
A few more toils, a few more tears,
And we shall weep no more.
Then, O my Lord, prepare
My soul for that blest day;
O wash me in thy precious blood,
And take my sins away."

MRS. ANNA M. GUNNELS DePASS

Anna M. Gunnels was born December 2nd, 1842, in Laurens, South Carolina, and died in Williston, Florida, August 11th, 1932. She was a descendent of a long line of preachers and doctors, being a direct descendent of the Rev. Archibold Etobo, who was sent from Scotland as a missionary to Central America, but being ship-wrecked off the coast of South Carolina settled in that state.

She was united in marriage with the Rev. James P. DePass, December 2nd, 1866, in Marion County, Florida, she having moved to this state a few months previously with her father, the late Dr. G. M. Gunnels, M. D. The Rev. James P. DePass riding his horse from Rutherfordton, North, Carolina, to claim her as his bride. Dr. DePass being at that time a member of the South Caroline Conference. He reached Florida on Wednesday before his marriage on the following Sunday at 5 o'clock A. M. The ceremony being performed by the Rev. Jack Penney, Bro. Penney immediately mounting his horse and riding to his appointment at St. John's Church, some 20 odd miles distant, to preach at 11 A. M. Bro. DePass leaving on Monday following his marriage to attend the meeting of the South Carolina Conference, at which Conference he transferred to the Florida Conference to begin the long years of honorable and efficient service he gave this Conference.

The above incidents are recounted to show the heroic mold in which our Methodist fathers were cast. There were giants in the land in those days. May we be as faithful to the call of duty as those who came before us!

Sister DePass entered most heartily into the labors and hardships of her talented husband. His was to go forth to battle. Hers to keep watch at home. In every way she showed herself worthy. She was loyal to every trust. For thirty-nine years, in sunshine and shadow, she lived in parsonages, in her fathers home and in her own home, anywhere she could best aid her husband in his work and best care for their children. She was the mother of 12 children. Five died in infancy. Seven lived to be grown. While five still remain to call her blessed. These are: Mrs. P. N. King, Williston, Florida; Mrs. E. Lee Hughes and Mrs. Bates Curry, Miami, Florida; Mrs. M. M. Ferrell, Tampa, Florida, and Mr. G. M. DePass, of Dallas, Texas. She is also survived by nine grandchildren, one great-granddaughter and one sister, Miss Eliza Gunnels, of Williston, Florida.

She was active in the work of the church. Until failing health and strength prevented she attended all the ordinances of the Church. She was a charter member of the Woman's Missionary Society of Williston and continued her membership therein until her death. She gave her support to the whole program of the Kingdom of God, for it her prayers were given and also her financial and personal service. For ten years she lived on a farm five and a half miles from Williston, Dr. DePass serving during this time as Editor of the Florida Christian Advocate, published then at Sanford, as presiding elder of the Gainesville District and the Bronson and Archer Circuit. Much of the time he was away from home being absent at times for two months at a time. It was during these years that three of their children died, the oldest daughter being buried for a week before

Bro. DePass learned of her illness. The other two likewise died while he was out in the field. It was during these years that the life of Sister DePass shines with added splendor.

She managed the farm and took charge of every interest of her home. The schools of the community were uncertain as to quality or length, so she undertook the education of her children. So well did she succeed that the three oldest were prepared, by her, for college. She conducted classes in Bible study, using Sunday afternoons for this work, teaching her own and her neighbors children the doctrines of the Christian faith. Thus like Sussanna Wesley teaching all who would attend her ministry.

Since the translation of Dr. DePass she has lived with her children. For the past three and a half years staying constantly with her oldest daughter, Mrs. P. N. King, of Williston. Here full of faith and of good works she quietly waited the setting of life's sun. Had she lived to see her next birthday she would have been 90 years of age. In surroundings, familiar, from long association, with loving hearts to cheer her, the last years were happy ones. Content in her Father's will she yet longed to depart and be with Christ so when the summons came it found her ready.

Her life was an inspiration. She lived in the sunshine of a happy and joyous religious experience. None came under her influence but to be blessed. The writer can testify to her devotion to our Lord and of her keen delight in the progress of His kingdom. She kept awake. Until stricken down in the last few days she kept fully informed about current affairs but it was of the Church and its work that occupied her most. Knowing her during these last days and being also acquainted with her long life of devotion to our Lord I feel that unto her there was administered an abundant entrance into the everlasting Kingdom of our Lord and Saviour Jesus Christ.

She was buried from our church at Wacahoota, near Williston, Fla., being placed, beside her sainted husband, in the cemetery nearby. The service being in charge of her Pastor, Rev. B. D. Bourn, assisted by Rev. J. M. Sullivan, Pastor of the Baptist Church of Williston. The simple burial service for the dead, as found in our Discipline, being read. At her request a few words only were spoken. There was no sermon or long eulogy given. Her life speaks for itself. There was no need of any tribute from human lips. So we placed her precious body to rest out there at old Wacahoota but she was not left there, even though men may so think, for our Sister had already registered and been assigned an eternal leading in the mansion above.

'Servant of God Well Done!

Thy glorious warfare's past;
The battle's fought, the race is won,
And thou art crowned at last."

BERRY D. BOURN.

MRS. MARGERY ELIZABETH HARRISON

Mrs. Margery Elizabeth Harrison, the beloved wife of Rev. E. A. Harrison, was born at King's Ferry, Florida, April 3, 1858, and passed on to her Heavenly reward January 12, 1932. She was the daughter of Andrew Jackson King and Alief Geiger King. She was educated in private schools and in Camden County Academy, St. Marys, Georgia.

She was happily married to Rev. E. A. Harrison, then Principal of the Camden County Academy, July 16, 1881. This union was blessed with two fine, noble daughters, Mrs. George Robinson, Lecanto, Florida; and Mrs. Charles W. Sanderson, Miami, Florida.

In 1882 Mrs. Harrison, with her husband, settled at Lecanto, Florida. In 1887 he was elected the first Superintendent of Public Instruction for the newly formed citrus county and served in that capacity until he entered the Florida Annual Conference, January 1, 1897. Sister Harrison was his

faithful and valued helper in the ministry until his death at Lemon City, October 5th, 1919. The charges they served together were Deland, Apalachicola, St., Matthews Church in Jacksonville, First Church, Key West, Riverside, Jacksonville, Fleming Street, Key West, Perry and Lemon City.

After her husband's death she made her home with her daughter, Mrs. George Robinson, Key West. In 1924 she re-established her home in Lecanto, where Mrs. Robinson, herself widowed, joined her. They made their home together until her death, which occurred in the Tampa Municipal Hospital, Tuesday, January 12, 1932. The funeral services were held in the Lecanto Methodist Church, January 14, at 11 A. M. The services were conducted by Rev. A. H. Cole, of Live Oak, Rev. E. C. Sanders, her Pastor, and Rev. J. O. Kroff, of Tavares, all close friends of the family.

Mrs. Harrison was one of the best Christian women I have ever known. Her faith in God was steadfast and immovable. Through all the storms of life (and they were many), she kept a straight and steady course. She left nothing undone that might help her husband in his ministry. One marked characteristic of her life was the way she could educate children through ordinary conversation. She never talked down to them and they never failed to appreciate this courteous tribute to their intelligence. Rich and poor, educated and unlearned, friend and stranger found hospitality under her roof whether she had little or much to set before them. She was a true and devoted wife, a kind and loving mother and withal, she possessed a great Christian character.

Besides her two daughters she leaves to mourn her death two brothers, Captain F. P. King and A. J. King, of Tampa, Florida, and three granddaughters, Misses Florence, Margery and Gertrude Sanderson, Miami, Fla.

Her body was laid to rest in the beautiful cemetery at Lecanto to await the resurrection morn when she will go forth to meet her Lord and to join her loved ones in the Heaven above.

"When musing sorrow sweeps the past,
And mourns the present pain,
'Tis sweet to think of peace at last,
And feel that death is gain.

Oh, let me wing my hallowed flight
From earth-born woe and care,
And soar above these clouds of night,
My Saviour's bliss to share."

M. H. NORTON.

MRS. JESSIE WITHERSPOON PHILLIPS

Mrs. Jessie Witherspoon Phillips, widow of the late Rev. T. J. Phillips, of precious memory, as an honored member of the Florida Annual Conference, Methodist Episcopal Church, South, and the beloved mother of the late Rev. F. E. Shipp, who was also a prominent member of the same Conference, was born in Williamsburg, S. C., August 8, 1844. She was the eldest daughter of the late Judge Robert McCottry Witherspoon. Her mother was Mrs. Susan Ann Hammett Witherspoon, daughter of Benjamin Hammett and his wife Isabel Nelson Hammett. Just before the opening of the Civil War she moved with her parents to Madison County, Florida, where she was married to Prof. F. E. Shipp, of the University of Virginia, who died in service as a soldier, August, 1862. Ten years later she married the Rev. T. J. Phillips, a member of the Florida Methodist Conference. She served faithfully with her godly husband in the itinerant Methodist ministry for thirty-six years, and during this period he served as Presiding Elder of the Live Oak District from 1893 to 1897. She was a lovable true wife; cultured, refined, and deeply spiritual—inheriting many exalted traits and virtues from her saintly and intelligent ancestors. The Witherspoons, Hammetts, and Rev. Claude Phillips de Richebourg, of Virginia

and South Carolina, were some of the intellectual and saintly giants numbered among her splendid ancestry. She was a great saint—emulating the glorious examples of her illustrious ancestors. She was in the home of her daughter, Mrs. S. J. White, of Live Oak, Fla., when God called her up to Heaven on June 24, 1930. Her preacher husband had preceded her to the "Better Land" twenty years before—passing from the home of his son, Herbert S. Phillips, Tampa, Fla., into the realm of "Eternal Glory," in the year 1910. She is survived by six children; Mrs. S. J. White and Mrs. Susan Pate, of Live Oak, Fla.; Mrs. Phillips McCall, of New York; Col. Herbert S. Phillips, of Tampa, Fla.; Mr. Cecil R. Phillips, Deland, Fla., and Mr. Benjamin Phillips, of Philadelphia. She is also survived by twenty-one grandchildren and four great-grandchildren, and the widow of her son, Rev. F. E. Shipp, Mrs. Kate Mattox Shipp, of Winter Park, Fla. She is waiting for them in Heaven, and they know where to meet her in the "Sweet Bye and Bye."

Her funeral services were conducted in First Methodist Church, Live Oak, Fla., by her pastor, Rev. W. M. McMullen. Her precious body was laid to rest by the side of her preacher husband, and the grave covered by a riotous profusion of exquisitely beautiful flowers. A large concourse of friends and loved ones were present to pay their last tribute of respect to this great and good servant of God.

"I know not where God's gardens cast
 Their blossomed perfume on the air,
 Nor where they meet who now have passed
 Beyond our sight, but not our care.

With folded hands and brimming eyes
 I think of that dear friendly train
 Who somewhere, far within her skies,
 Some day I pray to see again.

Where is the shining street they walk?
 Where grows the sweet eternal tree
 Beneath whose gentle shade they talk,
 Perchance, of earth and you and me?

No whisper from the winds of Heaven
 Comes floating down the bright abyss
 Across whose heights our faith has striven
 To bridge God's other world than this.

Yet this I know, that love is there,—
 Since God is love and he abides,
 And love encircles those who fare
 Beyond the surging tides."

Suffer the little children to come unto me: for to such belongeth the kingdom of God."—Mark 10:14.

IS IT INSURED?

Nobody knows when Fire or Lightning, Windstorm or Hail will destroy. Somewhere every day church or home property is burning.

A Burning Shame

THE NATIONAL MUTUAL CHURCH INSURANCE COMPANY OF CHICAGO

(THE METHODIST MUTUAL)

No church can afford to carry its own risk—nor can any home owner! ...NO ASSESSMENTS. ...Legal reserve for the protection of its policyholders the same as stock companies. Insures Churches, Parsonages, Property of Ministers, Homes and Personal Effects of Church Members.

NO AGENTS

DEAL DIRECT

IN MEMORIAM

The list of our deceased preachers does not appear in this volume this year. Because of lack of funds we thought wise to omit it. The list can be readily found in the Journal of 1931. The names of those who have died this year will be found in the General Minutes, and in the Memoirs. We will restore the list next year.

CONFERENCE SESSIONS

Former sessions of the Florida Annual Conference, dates, places, and other data will be found in the Journal of 1931. These also are omitted for sake of economy.

BOARD OF FINANCE, REPORT NO. 1

Report No. 1 of the Board of Finance will be divided into two parts; the first part will deal with the work of the General Board of Finance and

the work of Superannuate Endowment and the second part with the work of the Conference Board of Finance.

(1) We wish to express our high appreciation of the manner the General Board of Finance has handled the Endowment funds of the Florida Annual Conference which now amounts to \$102,775.23 and on which the Board earned this year $3\frac{1}{2}$ percent. In the midst of the greatest depression known in modern times, when the President of the United States declared a bank holiday and every bank in the country closed its doors; when thousands of them have never responded: when endowments and trust funds have melted away as now our endowment is still in tact and your Conference Board received a check from the General Board for \$3,556.02. This will be added to the income of the Board from apportionments and distributed to our Conference claimants as other funds are distributed. Your Director of Superannuate Endowment is gratified by the fact that this is the second largest check sent to the Annual Conference by the General Board.

The General Board distributed to the superannuates \$3,701.00 and to the widows of deceased preachers \$2,121.00 but we regret to say that the average paid to our retired brethren was only \$374.00 and to the widows \$185.00, from all sources.

The Conference still owes on its adjusted quotas \$42,930.35 and it is hoped, that during the next quadrennium, some plan will be adopted to pay these pledges in full. Your Director of Superannuate Endowment respectfully urges each and every pastor of a charge not having paid its pledge in full for this purpose to bring it to the attention of the congregation during the month of May 1934.

(2) Your Conference Board of Finance appreciates the courtesy of the presiding elders extended the Chairman of the Board to present the cause of our superannuate preachers and other Conference Claimants to their respective District Conferences, and request the same courtesy during the coming year.

The following superannuates died during the year, Rev. F. M. C. Eads, Rev. R. A. Sowell, Rev. D. B. Sweat and Rev. W. C. Staats.

The following widow died, Mrs. S. W. Lawler.

The Conference acknowledges with deep appreciation a check for \$1539.35 received from the Publishing House and we urge all our pastors, churches and Sunday schools to buy their books, Sunday School literature and other supplies from our Publishing House as every sale helps the cause of our superannuates.

This has been the hardest year on these honored brethren and sisters and we thank the pastors and charges who have helped to make these a little more comfortable. We trust they will continue their kindly offices.

The Board concurs with the General Board in the appointment of the Rev. W. A. Cooper as Director Superannuate Endowment for the ensuing year.

Signed,

R. H. Johnson, Secretary.

W. A. Cooper, Chairman.

CHAIRMAN OF THE BOARD OF FINANCE

The Chairman of the Board of Finance beg leaves to report that when the President of the United States proclaimed the bank holiday, the Phifer State Bank, the Conference depository, with all other banks, had to close its doors. Under the ruling of the banking department, no bank could reopen its doors, while it held any amount of frozen assets, therefore the Phifer State Bank could not reopen while the funds of the General and Conference Boards were frozen. The different Boards held certificates of deposit as follows:

General Boards -----	\$ 512.03
Preachers Relief -----	689.85
Conf. Board of Missions -----	9,234.58
Florida Conf. Brotherhood -----	271.89
Conference Missions -----	33.84

Conference Board of Education	84.32
Conference Board of Finance	1,743.51
War Work	7.13
Conf. Board of Temperance-S. S.	244.00
Conf. Board of Sunday Schools	450.73
Conference Orphanage	500.37
Conf. Board of Lay Activities	221.74
Conf. Hospital Board	190.97
Conference Board of Epworth Leagues	121.92
Total	\$14,307.38

The above named Boards of the Conference assigned these certificates of deposit to the Rev. W. A. Cooper, as Chairman of the Conference Board of Finance. Major W. R. Thomas, President of the Gainesville Development Company, Gainesville, Florida, purchased these certificates of deposit at 100 cents on the dollar, and gave to the Chairman of the Board of Finance, a mortgage on 50 lots lying in a subdivision of Gainesville, known as University Heights, for \$14,307.38. This mortgage runs for five years at five percent interest. Any lot sold during the life of this mortgage cannot be released except on payment of \$285.00 to the Chairman of the Conference Board of Finance. Your Chairman of the Board of Finance feels that this transaction guarantees the full payment of all the funds of the Annual Conference frozen in the Phifer State Bank in 1929.

Respectfully submitted,

W. A. Cooper, Chairman

Conference Board of Finance.

REPORT NO. 1, BOARD OF MISSIONS

The presence of Dr. W. G. Cram, Executive Secretary, representing the General Board of Missions, was a pleasure indeed. His message of the work over the entire Church, and of the heroic sacrificial service by our Missionaries in other lands, brought cheer and inspiration to us. The general work has suffered from depleted income, as has our work everywhere. In the face of such a distressing situation, the General Board has maintained the staff of workers and kept our lines intact.

Bishop Arthur J. Moore will direct the Kingdom Extension program next year; and we request our pastors and presiding elders to cooperate with him in this enterprise by following the suggestions of the leader and the provisions laid down in our Discipline.

Raising the Benevolences is of the greatest importance, and should have our untiring, zealous efforts; that the percentum may be increased next year. We earnestly appeal to our pastors and Presiding Elders to make definite plans for securing these funds at an early date and maintain this effort to the end.

We bespeak full cooperation with our Commission on Benevolences in their work.

REPORT NO. 2

The reports at the Anniversary were inspiring indeed, showing the fine spirit of our Conference Missionaries and of the people they have served. They report more than four hundred additions to our membership on profession of faith; a number of new organizations; improvement of our properties; a few new buildings erected; and strong effort to carry out the program of our great Church.

These noble men deserve unstinted praise for their heroic work for Christ and His Church, in the face of many difficulties and handicaps.

The year opened with an overdraft of \$5,000.00; which meant that your Board has been called upon to spend that amount more than the income. We are happy to report that the appropriations made last Conference have been paid in full and promptly. The overdraft has been reduced by \$2,000.00. Thus, we are starting the new year in better condition than last year.

Our Kingdom Extension campaign did not reach our expectations. We earnestly request our Pastors to cooperate in this effort this year, that our entire Missionary program may be maintained.

Our work among the students at the University of Florida and at the College for Women is one of our major interests. This work should be continued and enlarged as rapidly as possible.

Your Board deems it inexpedient to hold a pastors' school next year; and has made no provision for such work. It was also decided not to undertake any Extension work next year.

Your Board makes the following recommendations: Rev. A. H. Cole as Conference Missionary Secretary, without salary; the Board to provide for his travel and office expense. We nominate Rev. W. F. Dunkle and Judge S. D. Harris for membership on the General Board of Missions.

We ask the Conference to confirm the appointment of T. L. Hendrix as the Layman from the Bartow District, and Judge L. Y. Redwine as the Layman from the Sarasota District; these selections made necessary by changes in District boundaries. We announce the election of Rev. F. E. Steinmeyer in place of Rev. L. N. Stuckey, removed by transfer.

The Committee on Evangelism submits the following report: "We, your Committee on Evangelism, note with pleasure the addition to our membership of some twenty-seven hundred members of profession of faith during the year.

While we rejoice at this measure of success, we feel that we are measuring up to our obligation or privilege along this line, and call upon our pastors, evangelists, and laymen to pray much and work harder to reach the unreached, church the unchurched, using every available means to evangelize those for whom we, as a church, are responsible. We recommend the continuation of John B. Culpepper, Sr., as general evangelist. We recommend W. H. McLeod, T. E. York, H. L. Ezell, and J. I. Whitworth as approved evangelists."

The auditing committee presents the following report: "The auditing committee has examined the books and accounts of Rev. C. H. Summers, and find them carefully and correctly kept in every detail."

BOARD OF CHURCH EXTENSION

We your board of church extension wish to make the following report:

We need to put forth greater effort to reduce loan made to churches. Our General Board states that if church and parsonage debts are reduced at same rate as they have this past year it will take 41 years for our church to pay out.

Some churches have made an honest effort while a few have paid other obligations and left unpaid installments on loans from our Board.

The Board made the following donations:

Tallahassee	\$270.00	
Gainesville	150.00	
Miami Beach	500.00

HOSPITAL BOARD

The Conference Hospital Board is pleased to report the best years work since its organization in 1922, when measured by service rendered to the sick. The spirit and meaning of the Golden Cross has again been demonstrated to the Methodists of Florida. The Conference Hospital Board, co-operating with the General Hospital Board, has published abroad our program of mercy to the sick, through the Golden Cross, to every District Conference, to every pastor and church in Florida, by letters, literature, articles and personal presentation, and a steady column of patents has moved to and from Wesley Memorial Hospital; and we rejoice that at last this work of mercy has won the kindly attention and support of so large a number of our pastors and laymen. Twenty-five patients have gone to Wesley Memorial Hospital from among us this year, and, thanks be to God, twenty-three of them have returned to their families and church, restored to health. Two patients remain in the hospital. The patients are divided as follows: 2 children of pastors; six pastors; 5 laymen; the wives of 8 laymen; 2 children of laymen. All of these have been saved to life and service by our Golden Cross. Other cases are pending.

Our Golden Cross has raised this year more than \$680.00 for hospitalization of our patients, as against \$320.00 last year. This is due to the fact that, owing to lack of funds, our Board has inaugurated a strict policy of requiring that the local church, the pastor and friends of the patient must guarantee the expense to Wesley Memorial Hospital, through our Board, as per the favorable rates granted us there. The amount spent on our 25 patients this year is \$1388.40, covering a total of 477 days of time. Our Board, on behalf of this Conference, and of the 25 grateful patients, wishes to acknowledge our debt to our General Hospital Board and to Wesley Memorial Hospital. We sincerely thank our elders, pastors and Golden Cross Directors for the splendid co-operation given us in this work. We wish publicly to commend our Conference Golden Cross Director, Reverend L. E. Wright, on whom has fallen the larger burdens, for the good work done this year; and we wish to recommend him to the Conference for re-appointment to the same office for the ensuing year, without salary, as heretofore.

We also request the Conference to authorize a further grant of \$350.00 from our reserve fund, with the use of all enrollment monies received during the ensuing year, for the care of our patients. We also ask the continuation of the Conference appropriation of \$150.00 for the promotion and expense of the Hospital Board and Golden Cross work, within our Conference. Our Hospital Board is aware that the time set for the Golden Cross Enrollment by the General Conference conflicts with interests dear to Florida Methodists—Our orphan children at Benson Springs. The Bishop and his cabinet have carefully considered this conflict, and upon their advice our Board begs leave to retire from the date set by the General Conference; and hereby asks this Conference to designate the fourth Sunday in June (June 24) as Golden Cross Enrollment Sunday throughout the Florida Conference. Your Board feels that it has the right to ask our Conference to respond to this gesture by our Board, and to see to it that this sacred cause of healing does not suffer by this change of date.

Respectfully submitted,
GEO. E. SUMMERS, Chairman
L. E. WRIGHT, Secretary.

BIBLE BOARD

The Psalmist said of the Word of God that its entrance giveth light. The truth of this is abundantly proven by the history of nations and peoples, past and present. England's good and great Queen, Victoria, when asked as to the secret of her country's greatness, answered in two words, "The Bible."

With the passing of the years, the need of Bible distribution becomes greater. The American and other Bible Societies continue to be the most

effective agencies for this work. More than a score of Mission Boards and secretaries have spoken in highest praise of the work of the American Bible Society, our own Dr. Cram, in his statement, saying that it is the central plant of the Missionary operations of the world.

Through this agency the Bible continues to find its way into many additional dialects and languages. The whole Bible may now be read in 173 languages, one of these having been added this year.

Your committee respectfully presents for adoption the following resolution:

WHEREAS, The American Bible Society, in carrying on its work of increasing the circulation of the Scriptures, is engaged in a task essential to the whole Christian enterprise, be it resolved:

That we heartily endorse the efforts of the American Bible Society in its program of encouraging a wider circulation of the Holy Scripture.

J. T. Mitchell

M. L. Smith.

CHRISTIAN LITERATURE

Sir John Herschel wrote: "Give a man a taste for good books, and the means of gratifying it, and you can hardly fail of making a happy man. You place him in contact with the best society in every period of history, with the wisest, the wittiest, with the tenderest, the bravest, and the purest characters who have adorned humanity—you make him a citizen of all nations, a contemporary of all ages."

The creating of such a literature, has been and continues to be, one of the chief concerns of our Methodism. To furnish the millions of readers with facts, touching every moral and economic angle; To give news of the progress of the church at home and the far outpost of the Kingdom: To knit together the scattered units, of the Christian faith, into one solid phalanx of power and efficiency: To so illuminate our understandings and broaden our sympathies, that we can look upon all Christians as brothers in a common cause, and so through this medium of the printed page, there is begotten, not only a Brotherhood of sympathetic co-operation in the propagation of the Kingdom of Righteousness, but a fellowship of ideal living. "If we fail to give our people Christian Literature, the devil and his numerous friends will see that they are supplied with the literature that reeks with moral filth and religious death. There is no growth in grace for those who feed at the devil's table—evil books and godless magazines. I know of no people who have been made and kept genuinely religious apart from the influence of Christian books and Church papers. There is little or no use in such great Christian literature as the Christian Advocate, the World Outlook, and our numerous and helpful Conference organs unless we place these in the homes of our people." "Under present conditions the world cannot be saved apart from and without Christian literature. What our children read, they believe and think, and what they believe and think they will attempt to do; all of which means that we cannot save the world unless we can change the world's way of thinking; and the world's way of thinking can only be changed for good by giving them attractive Christian Literature." Dr. George D. Herman. We rejoice that Methodism has had such a conspicuous and glorious adventure in this field of Christian Journalism.

Our publishing interest has expressed in beautiful and substantial measure that it is possible to carry on a business, with the interest of all protected; that even books and papers can be printed to the glory of God.

Our present agents, Whitmore and Smith, deserves our grateful thanks, in carrying on through these months of business depression, and instead of a deficit, show a substantial margin of profit.

Also, that we recognize in Dr. William P. King, Editor of our Christian Advocate, a man of superior Editorial and Journalistic ability.

To Rev. P. M. Boyd, we extend our sincere appreciation, for his splen-

did work in so ably editing our Florida Advocate, and hope he may be continued in the same relation.

That it is the wish of this Conference that the second and third weeks in December, be designated as "Christian Literature Weeks" and that we undertake to cultivate among our people a taste for better literature; by preaching sermons, displaying our publications, and taking orders for same.

R. B. TEMPLETON, Chairman.
GEORGE W. TEDER, Secretary.

FLORIDA CHRISTIAN ADVOCATE

We, your Board, request the appointment of Rev. P. M. Boyd, as editor of the Advocate for the coming year.

We highly commend his splendid work as editor.

We wish to express our appreciation of the fine spirit of Dr. R. Ira Barnett in assuming the editorship in addition to his duties as Executive Secretary of the Board of Christian Education.

We have elected Rev. J. Edgar Wilson publishing agent of the Advocate, and also wish to express a deep sense of gratitude to Dr. Wilson for his faithfulness in publishing the Advocate.

We recommend that Rev. A. Fred Turner and Rev. H. W. Blackburn be elected trustees.

Respectfully submitted,
SMITH HARDIN, Chairman.
H. W. BLACKBURN, Secretary.

TEMPERANCE AND SOCIAL SERVICE NO. 1

By a majority of those voting in all but two states of the country, the Eighteenth Amendment, prohibiting the manufacture, sale and transportation of intoxicating liquors, has been repealed.

We return to the legal and illegal sale of these beverages, and without doubt to an era of increased crime and hardship in many sections of the country.

A campaign of falsehood and deception upon the part of the wets has brought about repeal. The old toper and church member have voted side by side. The crook and Christian have joined hands in this matter.

No possible plea for revenue can ever remove the odium and disgrace which has come to the nation.

The prestige of no name however popular, used to influence voters, can ever impart respectability to the worst business known to our people. The dollar has been disgraced by its connection with drink. A possible cash consideration should never warrant life to a universally recognized evil.

The wets will not be on the defensive. It should be the duty of all good citizens to aid them in enforcing the law. They encouraged and even advocated the violation of the prohibition laws so as to render them as offensive as possible. We should evidence a higher moral regard for law than they did.

The wets will be good for a while. That the law will be grossly violated as in the old days, goes without saying. We should make much of such violations.

The church should first teach the evils of strong drink to its young men and women, as well as to the older members. Teaching them to have nothing to do with the business, and not to endorse those who do.

Second: Encourage all efforts put forth by those who seek human good to make the evils of the incoming policy as small as possible.

Third: Use the newspapers so far as they will permit to draw the contrast between legalized beer and liquor results and those under a poorly enforced prohibition law. There will be thousands of instances where the church can create strong sentiment against liquor, as it ob-

serves the logical consequences of a business managed by the wets.

Fourth: Elect or appoint no man to an official position in the church who favors the reign of liquor, or who uses it as a beverage. The wets have made much capital out of the fact that thousands of official church members endorsed their notions of repeal.

Fifth: We recommend that endorsement be given to the Anti-Saloon League, and also of the W. C. T. U., in their stand for a policy of temperance education, and the splendid effort being made to enroll the young people of the state and nation into a federation of opposition to liquor, and pledge them to total abstinence.

Sixth: We pledge our prayers, our lives, our influence, and as much of our time and means as possible to the work of saving the people from the ravages of liquor in any form. We also agree to give our endorsement to those men of character who stand for the home, the church, and the school, both in public and private.

Seventh: We are unalterably opposed to the repeal of the 19th Amendment of the Constitution of our state which forbids the manufacture, sale, or transportation of intoxicating liquors. We urge our people to begin at once a campaign of education for the preservation of this amendment.

Eighth: We urge the Governor and all police officers to protect our state from the importation of all liquors forbidden by law.

We know the liquor interests have no regard or respect for law and will do all in their power to bring hard liquors into the state. This purpose of the wets should be most carefully watched.

REPORT OF TEMPERANCE AND SOCIAL SERVICE NO. 2

Gambling

We deplore the wide-spread tendency on the part of church members to participate in games of chance, and the mania for bridge-playing, especially among the women of our church. This practice greatly impairs the usefulness of Sunday School teachers and other church leaders. We feel that the church, through the pulpit, should cry out against all social sins of the day that prevent the development of a Christ-like character. It is the task of the preacher to warn his flock against the evils of the race track and the gaming table. The theory of gambling, that of getting great returns for little work, (chance) is inherently evil and out of harmony with the ideals of Jesus.

Lynching

We denounce the practice of lynching, or any form of mob violence. Knowing that it is murder, and a deliberate and definite disobedience of the commandment, "Thou shalt not kill," we are against that vile form of collective murder.

Divorce

The home has ever been the measure of our moral life, as well as the basic institution of our civilization. The standards of this sacred unit of our governmental order still point as a weather vane to the whole life of the nation. As goes the home, so goes the entire intrinsic moral wealth of our people. We can never rise above the ideals of our home life. But a dread foe strikes at the heart of this sacred institution, the pride of our nation, the American home. Loose thinking, with regard to marriage and all the sacredness of this holy institution, finds us in the withering grip of the pernicious doctrine of social affinity, or free love and trial marriage; when, as a matter of fact, marriage should be the consummating act of diligent and painstaking thinking into the sacred meaning of life, and the reproduction of immortal beings, rather than something trivial or temporary.

Thousands of homeless children, entitled to all the blessed benefits that a wholesome home affords, cry out against this dread foe, Divorce.

We register all our powers against the loose treatment of home and marriage and loyalty to the high idealism that the American home has

sustained in the past, as shown so blatantly upon the movie screen and vulgar literature now circulating.

Social Injustice

In every age of human history, crime has darkened the pages of progress and besmirched the records of achievement. Wholesale crime, in the form of war, has often been sanctioned by religion. Today for the first time, it would appear that our Christian leadership is rapidly accepting the view that Christianity and war are absolutely irreconcilable and that the Christian duty is to help make the world safe from war, in order that growth of the Kingdom of Heaven may be assured.

With the rapid rise of wealth in the United States, luxury in a thousand forms became a logical ally of crime in the lowering of American ideals. Doctor Bagley, a leading American educator, says, "The increase in wealth, and the consequent increase of leisure, means an increased moral hazard." Economics without religion, the Christian church teaches, is pagan, and religion, uninterested in economics, is unreal. Only a few short years ago a nation of Russian peasants believed in and were loyal to the church of the land. Now, in bitter rebellion and resentment, they have turned against an interpretation of Christianity which was not concerned with their injustices and suffering. Since Christ commanded his church not only to evangelize, but also to teach his followers to observe all things whatsoever he has commanded, Methodism calls upon its ministers to set forth more clearly in their preaching the teachings of Christ upon economic problems and urges the members of its churches to be guided by the principles of Christ in all their business transactions, and to use their influence to have the ideals of Christ enshrined in all economic institutions, commerce and trade.

LAY ACTIVITIES

Your Board of Lay Activities renders thanks to Almighty God for results obtained throughout the Conference during the year now closing. The results we had hoped for have not all been attained, but we take courage and go forward with a determined devotion towards realizing the goals we have set for the year 1934.

The raising of finances in full in every church and charge has been stressed by the Board during the past year and numerous increases have been made over the previous year, even under less favorable circumstances. We would commend the work of our Conference Lay Leader, Mr. Harwell Wilson, in his diligent efforts for the promotion of the program of our church.

As a means of church progress and spread of the Gospel, we urge the study of Christian Stewardship in Bible classes of young people and adults, and the holding of Stewardship revivals.

The observance of "Laymen's Day" has been very helpful and successful during the closing Conference year, and we especially urge the presiding elders, pastors, and lay leaders to diligently work toward the goal of one hundred per cent observance for the coming year. The program topic will be "Laymen and Evangelism," which in our judgment should appeal to our entire Conference. We recommend the organization of the charges in our Districts into small groups, as convenience of location may suggest, for the purpose of better promotion of information and inspiration in our church program. This Board stands ready at all times to cooperate with and assist all of the organizations and movements of the church.

We wish to make especial mention herewith of the hearty and cordial cooperation of the presiding elders and pastors as expressed in the annual report to this Board of the Conference Lay Leader.

We nominate Mr. Harwell Wilson of Winter Haven for Conference Lay Leader for the ensuing year.

Respectfully submitted,

COMMISSION ON BENEVOLENCES

On presenting this the annual report of the Conference Commission on Benevolences we regret to report that the income for the current Conference year is about 50% less than the preceding year. This is a matter of grave concern in view of the distressing need which confronts us in every Board participating in this fund.

We note that "Kingdom Extension" was brought to the attention of all our Congregations save 21.

We again urge that we give immediate attention in the very beginning of the year to the Kingdom Extension program as shall be outlined by our leadership, making diligent effort to so put the matter on the consciences of our people that we may have contributions commensurate with the importance and needs in the situation. We are gratified to announce that Bishop Arthur J. Moore and Rev. J. W. Pearson of Huntington, West Virginia, have been designated for direction of the Cultivation period in the beginning of the new Conference year, and we bespeak for them the hearty cooperation of our presiding elders, pastors and laymen in their program and the itinerary as outlined for the Florida Conference.

Your Commission requests the same appropriation as last year of \$250.00 for the expense of the Commission during the Conference year 1934, which according to the discipline is to be provided by the Boards participating in the fund.

SMITH HARDIN, Chairman.

HARWELL WILSON, Secretary.

ORPHANAGE BOARD REPORT

It is with gratitude to God and the Conference that we report another year of splendid success and progress.

The physical and spiritual condition of the children is exceedingly good. There has been no death nor serious accident or illness among the children in the Home this year; but, with deeply grieved hearts, we record the death of Reverend D. B. Sweät, our universally beloved editor of the Orphans' Friend.

The spiritual life of the Home is one of the greatest assets of the institution. Twenty-four children united with the church on profession of faith. All the older children are active in church work.

Not all that could be desired has been achieved in moral, spiritual, and intellectual life, but a rare quality of excellence has been wrought. Sometimes children are admitted, unwittingly, who are a moral liability, a real danger to the institution, even though the best recommendation of good character accompanies each application. Later these children have to be removed, for the Orphanage is not a reform school. Some trouble of this kind has occurred this year.

During the year we have been compelled to turn away many applicants for admission, because of financial conditions, and only the extremely needy cases have been admitted.

We have had a splendid increase in property value, by the addition of two new buildings, without a cost of one penny to the Board. One, an educational building-annex to Barnett Memorial Church, made possible by voluntary gifts and material from the old orphanage building and a check for \$500.00, given by Jas. A. Gardner, of Key West, directed to be

applied on this building. We wish also to record our sincere thanks and appreciation for this timely gift, making possible the building of this annex, which adds a \$3,000.00 value to the campus and aids very materially the Christian education of the children. And also our sincere thanks and very deep appreciation of the Board and Conference for the gift of a new building for boys. This lovely, very modern dormitory, and its exquisite equipment and furniture of latest mode, is the gift of Mr. and Mrs. J. D. Randall, of Orlando. It represents a \$10,000.00 value and the tender, devoted love of these fine people for the needy, underprivileged boys.

The time for the formal presentation of the building by Brother and Sister Randall is January 12, 1934, at the Home. At this time the building will be dedicated by Bishop Moore. The entire Conference is cordially invited to be their guests that day at the Orphanage.

By the reduction of salaries and rigid economy, Superintendent C. R. Shannon has reduced the cost of maintenance this year to \$2644.00, a reduction of \$4133.00. Leaving a small deficit of less than \$300.00.

Income from the fifth Sundays was \$10,322.00; Work Day \$4450.00. The remaining \$11,676.00 of the cost of maintenance was raised by the faithful, efficient work of financial Agent, Reverend H. H. Waller.

The number of children in the Home has averaged one hundred thirty. Eleven workers are employed.

The value of the plant is \$217,900.00. The amount of insurance carried is \$75,000.00; premiums paid, \$593.00.

We ask that there be no assessment for the Orphanage, but that all the offering on Fifth Sundays in the Sunday Schools and the cash offering in morning and evening services of all our churches on that day, be given the Orphanage.

We ask that Work Day be Saturday before the second Sunday in May, and that Harvest Day be the next day, Mother's Day.

We recommend that Reverend H. H. Waller be appointed financial agent, and Reverend Holmes Logan be appointed editor of Orphan's Friend.

That the following be elected trustees: clerical—J. W. Austin, Marvin Franklin, P. A. Fletcher, Smith Hardin, R. F. Hodnett, M. H. Norton and C. K. Vliet; lay—Calvin Brinkley, W. H. Combs, L. P. Hagan, J. D. Randall, E. B. Watthall, T. L. Walker, Mrs. W. S. Thornton and Mrs. J. D. Randall; and that the Presiding Elder of the district in which the Home is located, the President of the Florida Conference Womans' Missionary Society and the Conference Lay Leader be elected ex-officio members of the Board of Trustees.

L. P. HAGAN, President.

R. F. HODNETT, Secretary.

PREACHERS' RELIEF FUND

To the Bishop and members of the Florida Annual Conference:

Dear Brethren:

We, your servants, the trustees of the Preachers' Relief Fund, most gladly make to you account of our stewardship for the past year as follows:

It is with real regret that we are obliged to state that on account of poor collections of interest this year that we are entirely without funds to make donations as usual to our dear superannuated brethren.

Also we regret that our very efficient treasurer, Mr. H. L. Phifer, felt compelled to resign as member and treasurer of this fund. We hereby nominate Mr. L. P. McCord to take his place as member and treasurer.

COMMITTEE ON LAKE JUNALUSKA METHODIST ASSEMBLY

The program of the Lake Junaluska Methodist Assembly was excellent, and the Conference and Training Schools were well attended.

It seems assured now that the Receivership of the Assembly will be terminated in the next few months, and the Assembly restored to the church with three-fourths of the indebtedness legally wiped out and the remainder extended for a long period on easy terms.

It may be safely said that, when turned back to the Trustees, the assembly will be upon a sounder and more permanent basis than ever before.

We nominate C. W. White for Trustee of the Assembly for a term of two years, and J. T. Feaster for a term of one year.

R. Ira Barnett
 J. T. Feaster.

RESOLUTION FOR STUDY ON REDUCTION OF DISTRICTS

WHEREAS we have passed from the horse and buggy age to the age of roads and automobiles, and

WHEREAS the last General Conference suggested that the presiding elders districts should be enlarged so as to reduce the overhead expenses, and whereas we believe this could be done in the Florida Conference without loss of power or efficiency, therefore be it resolved: the Bishop John M. Moore, presiding, appoint a committee of one Presiding Elder, two pastors and two laymen to study this matter during the coming year, in harmony with the hard road system of the territory of the Florida Conference, looking toward the further reduction of the number of districts as now constituted.

Resolved second, that this committee report the result of such study to the next session of the Annual Conference with their recommendation.

The above resolution was unanimously endorsed by the Florida Conference Board Lay Activities.

By
 H. C. BUCKLAND,

Chairman of committee on suggested legislation of the Board of Lay Activities

A RESOLUTION OF APPRECIATION

Whereas Bishop John M. Moore is completing four years as bishop in charge of our conference; and

Whereas, by his wise leadership, his diligent attention to all the interests of the church within the conference, by his just and brotherly presidency as a presiding officer, he has greatly endeared himself to both the ministry and the laity of our conference; Therefore,

Be it resolved, that we give him a rising vote of thanks as an expression of our love and appreciation, and that we assure him that our love and prayers shall follow him wherever he goes; and

Resolved further, that we commend him to any and all conferences to which he may be assigned for the next quadrennium.

Resolved further that we feel honored in having in our midst, during the sessions of this conference the gracious presence and the genial personality of Mrs. John M. Moore, and that we are deeply grateful to her for the cheerfulness and inspiration she has left in our hearts, and that we greatly appreciate her visit among us.

Signed by the presiding elders and adopted by the conference.

COMMITTEE ON SABBATH OBSERVANCE

We, your committee on Sabbath Observance believe that every Methodist should faithfully observe and keep the General Rules of our Church. Here we are admonished to continue to show our desire of salvation by avoiding "The profaning the day of the Lord, either by doing ordinary work therein or by buying or selling."

This General Rule of the Church is based upon the Commandment, "Remember the Sabbath day, to keep it holy." We do not believe any people are any more holy than that which is shown by the way in which they keep this great Commandment—which has more definite instruction about its observance than any of the others of the Ten Commandments. We urge every pastor to preach at least once each year upon the subject of Sabbath Observance.

We deplore the trend of our times toward making this a holiday instead of a holy day and urge our Methodists to use every means possible to check this.

Respectfully submitted,

A. C. McCall, Chairman.

For the Committee.

MEMOIRS

Rev. F. M. C. Eads

Rev. F. M. C. Eads, son of Isaac and Elizabeth Catherine Eads, was born in Bellefontain, Ohio, June 1, 1866. He was one of eight children—one of whom died in infancy. Three brothers and three sisters grew to manhood and womanhood, and all lived until recently. Three sisters now live in Bellefontain: Miss Mary Eads, Mrs. Jennie Miller, and Mrs. Mattie Gedley. His father passed on to the Glory Land when our brother was only eight years of age. His mother went to her eternal reward several years ago.

Brother Eads was converted in the autumn of 1886 during a revival in the Methodist Church in Bellefontain. He joined the Methodist Church immediately. He was licensed to preach in the spring of 1887, at Parary Gregg Church, in Vermillion Parish, Louisiana. He joined the Florida Conference at Monticello, Florida, in January 1891. He was happily married to Miss Rebecca Louise Hodnett, at the home of the bride at Haralson, Georgia, June 15, 1893. He served two years in the South Georgia Conference, and four years in the North Georgia Conference. He was married twenty-seven calendar years, and twenty eight Conference years. He took the superannuated relation at the West Palm Beach Conference, in June, 1930. He was ordained deacon in 1893, an elder in 1895. He was a hard student, a faithful pastor, a strong preacher, and the very embodiment of church loyalty. He was thoroughly prepared intellectually and spiritually for serving some of our larger stations, but most of his appointments were humble and difficult. He was a man of pure life and clean lips. As a boy he used tobacco, but when converted at an early age he gave up the tobacco habit because he knew it was filthy. He would never smile at a smutty story, and often rebuked those who used unclean language. He was God's holy prophet, and people knew it everywhere he served. His cultured wife was a great benediction and inspiration to his ministry. She came from a family of Methodist preachers, and heroic missionaries. Saintliness and scholarship were outstanding characteristics in her family for many generations, and thus equipped she was a wonderful inspiration to her scholarly and saintly husband during the years of his faithful ministry.

Our precious brother leaves this noble companion, two cultured, lovely, and spiritfilled daughters to mourn his departure. During his last illness they did everything for his comfort that loving hands could possible do. Now, he has been transplanted to the Heavenly Land. They are lonely and sad, but they would not call him back to this world of sorrow, if they could, they are traveling the road to Heaven, and will meet him in the "Sweet Bye and Bye."

His funeral service was conducted by Rev. C. M. Cotton, of Auburndale, assisted by Revs. C. Fred Blackburn, C. W. White, J. P. Hilburn. Besides those officiating the following members of the Conference were present: H. J. Haeflinger, W. A. Cooper, P. M. Boyd, J. Edgar Wilson, R. E. L. Folsom, A. Fred Turner, R. L. Allen, D. B. Sargent, E. Watt Smith, J. H. Daniels, and Harvey M. Hardin. The pastors of Auburndale Baptist and Presbyterian Churches were present.

Our saintly brother passed to his Heavenly Home on April 22, 1933, and his precious body was laid to rest in Roselawn cemetery, Lakeland, Florida, the next day. His translation was from Auburndale, Florida, where he had resided during the years of his superannuation.

T. L. Z. Barr.

REV. R. A. SOWELL

Rev. R. A. Sowell was born in Echols County, Georgia, October 24, 1877. He attended Junior College at Sparks, Ga., and the State Normal at Athens, Ga. He was converted in early manhood. He was married to Miss Sarah Evans, a daughter of an honored member of the South Georgia Conference, in the year 1906. God clearly and definitely called him to preach the gospel. He responded to this divine call, and rendered ten years of fruitful service in the South Georgia Conference. Then he transferred to the Florida Conference—spending nine and a half years of active and efficient service in this Conference. In Florida he served the following Charges: Chattahoochee, Havana, Bushnell, White Springs, and Jennings. Then ill health forced him to give up his beloved pastoral work. He was a sick man a long time—undergoing two major operations in one single year. In the year 1922 he took the superannuate relation in our Conference. He spent several months in Wesley Memorial Hospital in Atlanta, Ga. For a little more than ten years preceding his death he resided in Lakeland, Fla. During most of this period he was an invalid, and was unable to enter into any church activities whatsoever. On January 17, 1933, he was released from all suffering and sorrow. God called him to his eternal reward. This was the happiest call that ever came to our brother. He was a prepared man for this prepared place. He leaves his devoted companion and three daughters to mourn his departure. But they know he is waiting for them in Heaven. His funeral service was conducted on January 18th. Revs. P. M. Boyd, J. Edgar Wilson, R. H. Barnett, C. K. Vliet, and E. Watt Smith officiated at this service. Besides a great host of dear friends Revs. R. E. L. Folsom, W. E. Sewell, W. M. Mullen, H. J. Haeflinger, Paul A. Fletcher, Harvey M. Hardin, J. D. Major, T. A. Ferguson, and R. Ira Barnett, his brothers in the ministry were present. He was a strong preacher, a lover of books, a diligent student, a faithful pastor, a noble husband, a kind father.

His emaciated body was laid to rest in the beautiful cemetery at Lakeland amid the tears and sobs of many loved ones and friends, but his immortal spirit is at home in the Glory Land.

Yes, our ascended brother, who spent so many years living in humble Methodist parsonages, is now dwelling in a mansion "not made with hands, eternal in the heavens." He was faithful down here, and he now enjoys his eternal reward with the glorified saints above.

T. L. Z. Barr.

REV. WILLIAM C. STAATS

Reverend William C. Staats first saw the light of this world on a farm near Woodbine, Kansas, December 4th, 1877, and quietly slipped away in his sleep in the early morning of May 20th, 1933, at St. Augustine, Florida. He attended school in his native state and took his A. B. degree at Central Wesleyan College, Warrenton, Mo. He did graduate work at Northwestern University, but his health would not permit him to take an advanced degree in that institution. In August, 1903, he joined the Missouri Conference, Methodist Episcopal Church. On December 3rd of that year he married Miss Louise DeMand. He served a number of pastorates in his conference and came to his alma mater as professor of rural sociology and director of rural church work. In this capacity he made a distinct contribution to the life of the church. In the year 1924 his health forced him to relinquish his loved work in Central Wesleyan College and following the advice of his physician, he came to Florida. After a few months of rest he was able to again take work. He was received by the Florida Conference in 1924 and assigned to Newberry charge. He served Newberry, Micanopy, St. Augustine, and Fernandina. His health gave way at Fernandina in the summer of 1931. Hoping to regain his health, he was given, at his request, a small church at the 1931 conference. This he was unable to serve. At the Jacksonville Conference in 1932 he was granted the superannuate relation. His faithful companion who shared

with him the joys and sorrows, the triumphs and disappointments of the itinerant ministry, three children, Wilbur, Helen and John, survive him. The funeral service was held in the First Methodist Church, St. Augustine, where he had served so well as pastor. The writer was assisted in this most impressive service by Dr. Felix R. Hill, Jr., Presiding Elder, Rev. F. J. Patterson, Rev. A. P. Smith, and Rev. Marvin A. Franklin. Burial was in Evergreen Cemetery, St. Augustine.

Brother Staats was a devout and scholarly Christian. He was a careful student, reading the best books and magazines. He had one of the best libraries in the Conference. He was well informed on church and civic questions and delighted in the discussion of these. He was not afraid of new ideas, nor ashamed of old ideas and had the happy faculty of blending the old and the new in a wholesomely progressive philosophy of life. In the discussion of personal and social problems he was able to give guidance to youth and adults who sought his counsel. He was a real teacher and through his teaching ministry made a rich contribution to many lives. He was a good preacher, giving careful preparation to his sermons and through them meeting the needs of his people. One of the outstanding things of his ministerial life was his faithfulness and genuine helpfulness as a pastor. He had the shepherd heart, entering into the problems, burdens, sorrows, and successes of his people and counseling them wisely and helpfully. He brightened many a home upon which the shadows had fallen. His quiet, beautiful life endeared him to many. He left a host of sorrowing friends who expect to meet him in the church triumphant.

REV. DANIEL BOONE SWEAT

Rev. D. B. Sweat was born in Ware County, Georgia, June 30, 1864. He was converted and joined the Methodist church, under the ministry of Rev. N. D. Moorhouse, June 1880. In 1894, he was happily married to Miss Minnie L. Buchanan, of Waycross, Ga. Their home life was beautiful. For several years Brother Sweat served as steward and Sunday School superintendent. Soon after moving to Florida he was licensed to preach at Fort Myers, Florida, April 19, 1904, and was recommended to the annual conference for admission on trial. He was admitted on trial in December 1904, at Orlando, Florida. He served the following charges: Green Cove Springs, Fort Meade and Homeland, Sanford, Springfield (Jacksonville), Arcadia, Manatee, Leesburg, Wauchula and served as junior preacher on the Dixieland and Myrtle street charge in Lakeland, while assistant editor of the Florida Christian Advocate. He was editor of the Advocate for two years, later, because of failing health, serving on the Advocate as assistant editor. In 1923 he was moved to San Antonio, Texas, hoping to find better climatic conditions for his beloved wife's health. While there he served as church reporter for one of the leading newspapers of the city. Returning to Florida he was elected editor of the Orphans' Friend, in the summer of 1926, which position he held at the time of his death.

In this work he was very happy and rendered a service that only Heaven can reveal. The Sweat Memorial Printing Office, at Benson Springs is the crowning work of this faithful servant of the Lord. As a pastor he was always successful and greatly beloved. As an editor he rendered an exceptionally fine service. He always brought a message of hopefulness, for Christ was enthroned in his personality. Only a few months ago he moved back to his home in Lakeland, Florida.

On Thanksgiving morning, November 30, 1933, he attended a union service at the First Baptist church and soon after the service began, ere the music of the earthly choir had ceased, he heard the choir celestial. "He was not, for God took him." Noble in life, beautiful in death. He leaves to mourn his loss, his widow, his son and daughter-in-law, Mr. and Mrs. D. B. Sweat, Jr., and two grand daughters Louise and Rena Lee Sweat. Impressive funeral services were held Friday afternoon, December 1st, at the First Methodist church, Lakeland. The following ministers paid tribute to their beloved fellow workman. C. K. Vliet, E. Watt Smith, R.

H. Barnett, W. A. Cooper, J. Edgar Wilson, G. F. Scott, J. P. Hilburn, J. W. Austin, H. E. Partridge. The laymen were represented by C. R. Shannon, superintendent of the Orphanage. The stewards of the church acted as pall bearers and the interment took place in the Oak Hill burial park.

The flowers will bloom over his grave while the beauty of his ministry will live on and on. "He who has friends must show himself friendly." Daniel B. Sweat exemplified this truth during all his earthly career. Fortunate indeed was that one who came into the inner circle of his golden friendship. For over twenty years I enjoyed that rare privilege. This fellowship will ever be cherished as sacred.

"I lost a friend the other day—

His heart was pure and brave and true,

Our days were sweet, but all too few;

He passed from earth the other day.

But while I see him here no more,

I know that on a happier shore,

Not here, but in eternity,

God will give back my friend to me."

George F. Scott.

MRS. W. F. DUNKLE

Mrs. Nell B. Dunkle, the wife of Rev. William Frederick Dunkle, was born at Vilonia, Arkansas, March 17th, 1884, and died at Muskogee, Oklahoma, August 10th, 1933.

Her husband and four children—Margaret, William, Mary, and John Robert; two sisters—Mrs. J. W. Banks of Muskogee, Oklahoma, and Mrs. L. B. Price of Seattle, Washington, and her foster brother—Nilo Munn of McAlester, Oklahoma, survive her.

Her parents were Robert Armstead Munn and his wife, Leonora Isabel Munn. Both had preceded her into the life beyond. She had two of her sisters—Zoo and Ruth, and her grandfather Harkrider.

With her parents she moved from Arkansas to Oklahoma and then to McAlester in the Indian Territory when she was about eleven years of age. There were no public schools in Indian Territory. So she was sent to Oklahoma Central Normal at Edmond, Oklahoma, and from there to Galloway College at Searcy, Arkansas, and from there to Central College at Fayette, Missouri, where she graduated with distinction just after her twentieth birthday.

On January 1st, 1907, in Grand Avenue Methodist Church in McAlester, Indian Territory, she was married to Rev. W. F. Dunkle, presiding elder of Muskogee District. With him she made her first home in Muskogee. Here her first child, Margaret, was born only a few days after Oklahoma became a State.

With her husband she was transferred to Missouri and from there to Florida after some years. Her first Florida home was at St. Petersburg. She never quite quit thinking of St. Petersburg as home. From St. Petersburg after four happy years she went to West Palm Beach where she added to her list of devoted friends. Then to Tampa for four busy, happy years at First Church, where she made and kept to the day of her death a large circle of lovely friends.

From Tampa she went with Dr. Dunkle to Jacksonville District and there too she added to her growing list of friends. In Jacksonville her last child, John Robert, was born. From Jacksonville she went to Lakeland and from Lakeland to Ocala District where she accumulated a large company of most devoted friends. From Ocala she went to Bartow District and added further to her long and growing list of friends.

From Bartow she traveled to Tallahassee—her last earthly home. Here she was beloved as few people are by not only her own church people but far beyond its borders. During all the weary months when she so valiantly

fought with death, they waited and watched in love and prayer, striving with her, and showering her with every possible attention and giving to her such tender consideration as only love can think of and devise. And when she went away to come back no more, they evidenced their love in the most beautiful ways.

Mrs. Dunkle had the kind of religion which is described in the old camp-meeting chorus:

'Tis the old time religion,
'Tis the old time religion—
Makes me love everybody—
And, it's good enough for me.

She literally loved everybody. She knew neither "Border, nor breed, nor birth"—when it came to loving people. The poor, she loved especially. The helpless and the hopeless, she loved compassionately. With all sorts of people she shared gladly her great love for her Lord.

Mrs. Dunkle served Florida Conference for four years as superintendent of Bible and Mission Study in the Conference Missionary Society. She loved this work and gave unstintedly of her time and her life to it. Following that office, she was elected Conference secretary of the Missionary Society and held that office at the time of her death. For months she had been a victim of asthma which left her with never more than a day or two in each week with strength enough to work even in bed. But in spite of this she kept up her work to the day of her death. Even on that last day she was planning about it and had been writing to her co-workers in office about the future plans and how to carry on.

She had hoped, as her family and doctors had, that with the coming of summer, the malady would either depart or abate. She made several trips about the State in the hope that somewhere in Florida she might get relief. None came. Finally her doctors advised a trip into the West. She was not really strong enough to attempt it. But her indomitable courage which never failed her enabled her to make the trip into the highlands of northwest Texas, where after some days going from place to place, it was decided to try visiting her sister in Muskogee. Here for a few days it seemed she might get some relief. But after a few days the malady again came on and with more than usual violence.

The day of her death had been a beautiful day without pain and without distress. She had visited with friends, written letters to the children and to the district secretaries and other co-workers, talked about the plans for the weekend visits, looked over with her sister the family heirlooms, had laughed and talked with friends who came in from time to time during the day, had just finished a hearty supper and while the family was eating she was left alone with a dear friend who had come in. Then, without a note of warning, almost without a sign or a sigh, as if a tired child had suddenly fallen asleep, she slipped away into the invisible world.

On the morning of August 12th, in Grand Avenue Methodist Church in McAlester, with Rev. A. N. Averyt, her friend from girlhood, and the pastor of the church joining him in the service, from the same church she had been married in and from which her mother and father had been buried, she was borne out to the family burial lot in the city cemetery and placed beside her loved ones to await the voice of the arch-angel when time shall be no more and the dead in Christ shall rise. The friends of her girlhood were both chief mourners and pall bearers. The great house was filled with her friends who had come from near and from far to look for the last time on earth upon her lovely, sunny face.

The choir sang the hymns of the Church, hymns she loved so much. Some of the same voices she used to sing with when as a girl she was a member of that choir. The minister, her friend from boyhood, read the stately service of our Church for the burial of the dead. The pastor offered prayer. The congregation of weeping friends passed by for a last long loving look. The pallbearers, all friends of her girlhood, took up their beloved burden. The town streets stood silent with bared heads as the

hearse moved by on noiseless wheels to the city of the dead. The flowers which loving friends from everywhere had sent in greatest profusion were banked about the coffin. The man of God read again those words of comfort—

"I heard a voice from heaven saying unto me:
Write, Blessed are the dead which die in the Lord
From henceforth*****
Yea, saith the Spirit***
That they may rest from their labors.

It was "Journey's end" for her.

And now "we which remain and are alive" must take up the work where she laid it down and carry it on as she carried on—in faith and hope and love, until we too hear His voice saying:

Come, ye blessed of my father,
Inherit the kingdom prepared for you.

MRS. MARY STANLEY FULWOOD

We have been able to secure only the most meager outline of facts in the life of Sister Fulwood.

We learn, however, that she was born in Lynchburg, Virginia on the twenty-eighth day of April, 1860.

She died in Bennettsville, South Carolina, July seventh, 1932. The grim visitor came to her while she was visiting friends of other years.

While she was yet a young woman she came, along with her mother, to Bartow, Florida and while there made her home with her brother, W. D. Stanley.

In 1897 she was married to the Rev. Charles A. Fulwood and, not only from explicit testimony of her husband, but from other and reliable sources we learn that, from the first to the last, she was to him a help most meet, entering uncomplainingly and faithfully into the hardships and toils of our Methodist itinerant ministry.

Their union was blessed with only nine short years, when, as this conference knows, he was suddenly called from the floor of the conference to the general assembly and church of the First Born in Heaven.

Following Doctor Fulwood's departure Sister Fulwood spent about four years with relatives in Bartow, Florida, with Miss Janie Belle West in St. Augustine, Florida, and with Mrs. M. E. White of Citra, Florida. For the past twenty years she made her home with Miss M. E. Ervine, at No. 244 3rd. Avenue, North, St. Petersburg, Florida.

So read the short and simple annals in the life of a woman who, in the quiet and unostentatious devotion and beauty of life, developed and manifested the virtues of the faithful, helpful wife, the patient, trustworthy follower of our gentle Saviour.

She rests in peace, to await the morning of that resurrection which shall summons all the faithful to the Feast of the Lamb.

W. K. Piner.

MEMORIALS TO GENERAL CONFERENCE

1. REGARDING BOARD OF CHRISTIAN EDUCATION

We, the Miami District Conference of the Florida Annual Conference, hereby memorialize the General Conference of the Methodist Episcopal Church, South, to simplify the complicated plan of Christian Education as it relates to the local Church.

2. Regarding Support of Conference Claimants

We, the members of the Florida Annual Conference, in regular session respectfully memorialize the next ensuing General Conference, meeting

in Jackson, Mississippi, May 1934, to add section IV to Chapter V of the Discipline 1930 to read as follows:

OF THE SUPPORT OF CONFERENCE CLAIMANTS

The retirement allowance of the superannuate preachers and the widows and orphans of deceased preachers shall be estimated by the Annual Conference Board of Finance on which they are claimants and that this amount shall be reported to the Annual Conference; provided, that each Annual Conference may determine for itself the method of raising this fund; provided further, that nothing in this paragraph shall have anything to do with the amounts distributed directly to these claimants by the General Board of Finance.

3. Regarding Adequate Support of the Ministry

We, the members of the Florida Annual Conference, in regular session respectfully memorialize the next ensuing General Conference of the Methodist Episcopal Church, South, to create a Commission of seven persons, representing different sections of the Church, to make a study of the whole field of ministerial support and recommend to the General Conference of 1938 any changes in our economy that may be needed to insure a preservation of the spirit of economic democracy that characterizes our Methodism, and to bring about a more equitable distribution of the funds available for ministerial support.

H. W. BLACKBURN, Chairman

Committee on Adequate Support of the Ministry.

4. Regarding the Manner of Providing the Benevolences of the Church

The Florida Annual Conference in session, being deeply concerned about the financial problems which now confront our church, and believing that they involve not only an economic condition but also a spiritual deflation growing out of a deep discontent with the church's present financial structure both in plan and in method, respectfully memorializes the General conference as follows:

I. To recast the whole method of allotting or apportioning the General and Conference Benevolences and of asking for additional free-will offerings so as to allow each pastoral Charge of each Congregation to determine for itself annually what total sum it will undertake to raise for the Benevolences that year.

II. To combine the matter now involved in Chapters IX, X and XI of the Discipline so as to commit to one Commission all the duties now carried on by the Commission on Benevolences, The Commission on Budget, and The Board of Apportionment, under the name of Commission On Benevolences.

III. If possible, reduce the overhead and operating costs of the several boards, commissions, and interests of the church.

IV. Charge the General and the Annual Conferences with the duty of making annually an estimate of the total sum to be asked of the church for General Work Benevolences and for Conference work Benevolences. And have the General Work Benevolences allotted annually to the Annual Conferences instead of quadrennially.

V. Make such other changes as will bring about and restore confidence and harmony in our Church over its benevolent askings and uses.

5. Regarding the Membership and Amenability and of a Traveling Preacher

The Florida Annual Conference in session respectfully memorializes the General Conference to so amend the Discipline as to make clear and definite answer to the questions.

1. Where is the membership of a traveling preacher?

2. To whom is he amenable?
3. What power does the Annual Conference have over him?

To this end we respectfully request that the Discipline be amended paragraph as follows:

1. Chapter VI. Section II. At the beginning of the Section add a new paragraph as follows:

Par.—Where is the membership of a traveling preacher?

Answer 1. In the traveling Connection, from the date of his admission into full connection.

II. Amend Par. 675—Membership of a Traveling Preacher by striking out all the words in line two after the word “but” and in their place put the words—“in the traveling Connection, but he is amenable to the Annual Conference” So that the whole paragraph when so amended will read:

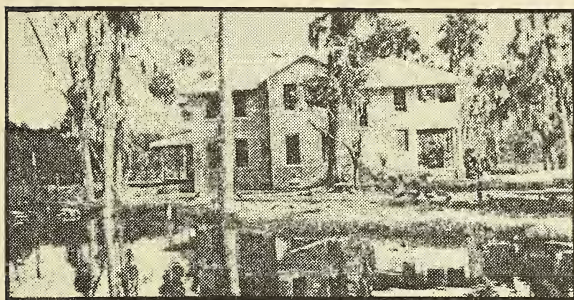

“Par. 675. Membership of a Traveling Preacher.

Membership of a Traveling Preacher is not in the pastoral charge to which he is appointed but in the Traveling Connection; but he is amenable to the Annual Conference.”

III. Amend Section II, Question 1. Par 264 by inserting in line two after the words “power to” the word “locate.” So that the whole paragraph when thus amended will read:

Par. 264. Ans. “To the Annual Conference, which shall have power to locate, to try, and acquit, to suspend, or to expel him.”

Concurrence
W. S. Walker, Chairman
R. B. Templeton, Sec'y.

The above building is the new home for our larger boys and is now under construction. This home is a gift from Brother and Sister James D. Randall of Orlando, Florida.

"And he took them up in his arms, put his hands upon them, and blessed them."—Mark 10:16.

PART IV

MEMOIRS

ROBERT HOWREN BARNETT

These words, "Know ye not that there is a prince and great man fallen this day in Israel?" which were uttered by King David when brave Abner died, expresses something of the feeling that came over the heart of Southern Methodism when the news went out on the morning of February 21st, 1936, that the spirit of Robert Howren Barnett had put out to sea.

He was born in Madison County, Florida, on December 28th, 1849, son of Reverend Thomas Robinson Barnett and Clarissa C. Barnett, and was the youngest of eleven children. His father was a Methodist preacher and his grandfather was a soldier during the Revolutionary War. Following the close of the Civil War, the father of R. H. Barnett was pastor on the Middleburg Circuit. Mighty revival fires burned during those days and it was at this time that the son, who was fifteen years of age, consciously enjoyed his first religious experience. Impressed that he must become a preacher—that he must give his life not only to God, but to the ministry—and preferring a business career, he stifled his better impulses to the extent that his experience grew cold and his interest lapsed. For a time he worked as a section hand on the railroad and then in a store at Lake Butler. While working in the store he also attended school. Finally the decision was made to yield himself to the work of the ministry, and his father who was serving as pastor of the Lake Butler Circuit, licensed him to preach in 1868.

Following this decision he taught a country school and boarded in the home of Dr. T. W. Moore, then presiding elder, under whose tutorage the course was prepared for admission on trial into the Annual Conference. In November 1869, at the fourth quarterly conference of the Lake Butler charge, he was recommended to the Annual Conference; in December of the same year was admitted on trial and assigned to the LaFayette and Taylor Mission. This charge covered two large counties and was ninety-five miles in length, consisting of seventeen preaching appointments.

The 1869 session of our Conference was held at Lake City with Bishop David S. Doggett presiding. At that time there were only 35 members in the Florida Annual Conference. Bishop George F. Pierce ordained Brother Barnett elder at the session of the Conference held in Jacksonville in 1874.

Robert Howren Barnett was united in marriage to Sarah E. Epperson, the daughter of John I. and Jane A. Epperson on December 3rd, 1873, near Williston, Florida. This devout and gifted woman walked by his side, shared his joys, rejoiced in his successes and entered into his sorrows for more than 62 years. To this union eight children were born; six of the number survive him. The eldest son, Robert Vivian, passed to his reward as a young man in Lake City in 1891. William Roy, another son, died in infancy. The second son, R. Ira Barnett, is the Executive Secretary of our Conference Board of Christian Education. Fred T. Barnett, the next son, rendered distinguished service for our General Board of Lay Activities and our General Hospital Board for many years. He is now giving his time to stewardship work in our Conference. D. G. Barnett is a steward in our church at Arcadia and a leading citizen of the community. Loulie Barnett, the only daughter, has taught in Wesleyan College for more than twenty years. Eugene Barnett is head of the Y. M. C. A. work in China and is located in Shanghai. Henry Greene Barnett is Professor of English at Florida Southern College. Of course we are all agreed that few families in the history of Florida have been so outstanding in religious and community leadership as the Barnett family.

Following his first appointment, which was the LaFayette and Taylor mission, with the seventeen appointments, Brother Barnett was sent to the Mellonville Mission, which took in all the territory around what is now Sanford, Titusville and Cocoa. Next he served Micanopy and again Mellonville and then Apopka. Following the Apopka pastorate, he was made presiding elder of the Tampa District, which included all the territory from Inverness to Clearwater, Tampa, Bartow, Fort Myers and Key West. His next appointment was First Church, Key West, then Wildwood, Leesburg and Lake City. Following the Lake City appointment he was made Conference Colporter and served in that capacity for eleven years. Then in succession he served Jasper, Tampa Heights, Riverside Park (Jacksonville,), Ocala, Monticello, Winter Haven, Clearwater, High Springs and Tarpon Springs. After four years at Tarpon Springs, he was appointed financial agent for our Orphanage at Benson Springs. He was superannuated at his own request at the session of our Conference held in West Palm Beach, June, 1930.

The life and achievements of this great man are too well known to you for me to assume to enumerate them. However, there are some outstanding things about his career as a Methodist itinerant for more than sixty years we would do well to often recall.

It seems to me that the one element in the life of this great man that thrusts itself upon our consideration was his unusual intellectual endowments. This may sound strange when we have been so accustomed to think almost entirely of his outstanding consecration to the Christian ethic. However, we should remind ourselves that such unswerving loyalty and complete consecration as were his, are impossible for a person of shallow and superficial mental equipment. Such heights could only be attained by a mind that is splendidly trained and well endowed. Though deprived of formal education to any large extent, his thirst for knowledge drove him to extensive study and reading until he became one of the best informed and most widely alert minds in our Conference. You could hardly name an outstanding scholarly book in the field of religion that he had not read and mastered. He was a student of other subjects besides religion. Knowing his own mind and ever loyal to his own convictions, he was willing to allow the other man the same privilege that he claimed for himself. He drank freely at the fountain which sprang from modern scholarship and scientific learning and was utterly unafraid as to any conflict between these and the religion of Christ. He was whole-hearted in his support of all progressive educational movements within the church, yet was thoroughly evangelistic at the same time. The tides of his thinking ran too deeply to be disturbed by the superficial breezes created by shallow thinking.

I am sure that we should remember the covenant that he and his young bride entered into with God, immediately after their first home was established. This covenant was that they would establish and maintain a family altar; that they would never go in debt; and that they would pay one-tenth of all their income into the work of the Kingdom. This covenant was scrupulously kept. When the husband and father was away travelling the district, holding revivals or doing the work of the Colporter, the mother, faithful to that promise, kept the fires burning upon the family altar. When the children were older, they took their turn. The children grown and out in the big world for themselves, these two saints of God never allowed a day nor a night to pass without scripture reading and family prayers.

They also kept the vow with reference to paying cash and the contracting of no debts. Therefore, they were never hounded by bill collector, harassed by installment payments nor humiliated by obligations they could not meet. The third item in this covenant, of paying the tithe was such a conviction with this good man that he not only kept it himself, but enlisted hundreds and thousands of others in the same movement for the financing of the Kingdom of God. He never went to Conference without

his benevolences paid in full. Many churches and parsonages were built and paid for under his leadership. Though he never received a salary as large as \$1,700 a year, he was able somehow to educate all of his children with college and university degrees, gave thousands of dollars to educational and missionary causes, supported two or three native workers in the foreign fields and saved enough money for an annuity in old age. The story of his tithing experience has been circulated in tract form by our Board of Lay Activities and also by the Board of Missions of the Methodist Episcopal Church and the Presbyterian Church. Neither Brother Barnett nor his wife inherited money, so their unprecedented financial achievements were due to their own frugal living and financial acumen. Among the last things he did were to make heavy payments toward the debt on College Heights Church and toward the new building at Southern College.

Another thing I think we should remember, and one that he never forgot, was the experience he had during a revival meeting in Orlando, while yet a young preacher. To this experience of cleansing and infilling of the fullness of God, he often referred in his testimony at the Conference love-feasts and also in private conversation. He had no disposition to deal in theological terms or ecclesiastical verbiage when referring to this mighty work of grace, but modestly and yet assuredly looked upon it as the pentecost which changed the current of his life and his ministry. A new urge for spiritual conquest and a fresh strength for victorious living sprang from that fountain of experience which ran in swift currents throughout the long years of his ministry. Manifestly from that day down unto the 21st day of February, 1936, he lived a God centered and a God controlled life.

For four years he was my pastor. For more than three years I was his pastor and not once did I ever find in him even the slightest suggestion of prejudice or unkindness, or unbrotherliness toward any person on earth. His faith in God, his love for his fellowman and his consecration to the task of building the Kingdom of Christ on earth, were so thorough that his thinking and his behavior were channeled to one great end. His life was so integrated that to touch him anywhere, under any circumstances, and upon any issue was to receive the same Christ-like reaction. He lived and moved and had his being in that quality of soul so beautifully sketched by the Apostle Paul in the thirteenth chapter of First Corinthians. He walked with God and companioned with Christ so intimately that when the house he had occupied for eighty and six years became uninhabitable, he moved naturally and easily into another that his Father had abundantly prepared for him.

The one supreme prayer from our hearts should be that the torch of faith, of consecration, of unswerving devotion to righteous conduct which he carried so nobly and held so firmly might be caught by the hands of those of us who delight to honor him and his outstanding ministry to a lost world; and may we have the audacity to hold it high!

P. M. BOYD.

SWEN ROBERT EMMANUEL CARLSON

Swen Robert Emmanuel Carlson, son of Axel G. and Selma Anderson, was born November 11, 1896, in Rockford, Illinois, the eldest of four sons. Here he spent his childhood and youth, attending the public schools and graduating from high school in February, 1921. His parents having already moved to Groveland, Florida, he followed immediately, arriving in Groveland in spring of that year. The next few years were spent in that vicinity.

Robert, or Bob, as he was better known, was trained from his childhood in the Swedish Lutheran Church. He had those fine qualities of character that are characteristic of the Swedish people, rugged honesty, sweet simplicity, even temper, sunny disposition, a friend to everyone, very thoughtful of his work and capable of very diligent effort. There being no Lutheran Church in Groveland at that time, he was attracted to the Meth-

odist Church, was converted and joined the church November 2, 1924, during the pastorate of Rev. Howard Dutill. Later during the pastorate of Rev. J. T. Mitchell, he heard and answered the call to the ministry and was licensed to preach in the spring of 1926 in the Orlando District under the eldership of Rev. C. Fred Blackburn. He was immediately assigned to the Walker Memorial Church in Orlando, which charge he served until the Annual Conference in June, 1926, at which Conference he was admitted on trial and appointed as Student to Asbury College, Wilmore, Kentucky.

Here he spent three very profitable years, being able to bring back to his chosen work not only a heart filled with an intense longing to do the work of the ministry, but a mind trained to grapple with its problems. In June, 1929, he was appointed to LaBelle, which charge he served loyally, doing his best to make full proof of his ministry. There were many problems at LaBelle, one an extremely heavy debt. But his loving heart found a way into other hearts, the people rallied and the work went on in a fine way. It was while at LaBelle that Brother Carlson met Miss Maude Magill, a fine young lady, teacher in the schools, Christian and member of the Methodist Church at LaBelle. They finding in each other those qualities they admired, they were soon in love and were married in the LaBelle Church by Rev. E. Watt Smith, presiding elder of Bartow District, on December 20, 1931.

At the last session of the Annual Conference he was sent to the Matecumbe Charge in the Miami District, to which charge he went with a willingness to serve that would have been commendable even in the circuit riders of old. His fine, lovable, friendly disposition speedily made a place for him and his fine companion in the hearts of his flock. He was at his post of duty when the Labor Day hurricane swept across the Florida Keys on the night of September 2, 1935. He and his wife were drowned. They might have escaped, but they felt that their place was with their people, and there they stayed. The church was completely destroyed, the parsonage was carried some distance away, and almost demolished.

Possibly the most diligent search ever made was that made for the bodies of Brother and Sister Carlson. For ten days Reverends Harry Waller, A. A. Koestline, R. C. Holmes and Jack Hager, assisted by the facilities of the W. H. Combs Funeral Home of Miami and Trinity Church and others, searched almost day and night until finally on September 12, Revs. Waller and Koestline found the body of Bro. Carlson wrapped about with the seaweed, and covered with the debris, but so preserved that the task of identification was easy. The body was brought to Miami, prepared for burial, with that of his companion, whose body had been found earlier, by the Combs Funeral Home, accompanied to Groveland by Rev. R. C. Holmes, where they were buried together. There a short service was held, conducted by Rev. C. T. Howes, pastor at Groveland, and assisted by the following members of the Florida Conference: Reverends R. C. Holmes, W. K. Piner, H. C. Hardin, W. E. Bryant, and J. E. Hartsfield, and Rev. Peel of the Zion Lutheran Church of Groveland.

On the preceding Sunday, Memorial Services were held in the LaBelle Methodist Church, conducted by Rev. H. W. Blackburn and assisted by the following: Reverends H. H. Waller, Harvey Hardin, M. D. Jackson of Baptist Church, C. T. Howes and James Lyman; also in the Edge Memorial Methodist Church at Groveland, conducted by Rev. C. Fred Blackburn, who as his elder, licensed him to preach and assisted by Reverends J. T. Mitchell, a former pastor, and C. T. Howes, present pastor at Groveland.

His was a life of unselfish devotion to the cause of Christ and his Church and many things could be said, but doubtless the following poem found by Rev. C. K. Vliet, his Presiding Elder, among his effects, serves to illustrate his faith and trust in God. We give it here:

Jesus, blessed Jesus, at this eventide,
With thy little children, come and now abide;
Keep us from all danger, guard us now we pray;

'Neath thy wings enfold us till another day.

Jesus, loving Jesus, Thine own lambs are we;
Guide us lest we wander, keep us close to Thee.
Naught can come to harm us, when our Lord is near;
Gladly will we trust Thee, loving Saviour dear.

Jesus, holy Jesus, may Thy angels bright
Hover softly o'er us through the coming night.
Bid them never leave us, till the break of dawn,
When we gladly waken to another dawn.
Jesus, guard and keep, while we rest in sleep.

C. T. HOWES.

JOHN R. CASON

About 9:15 Monday evening, December 30, 1935, Rev. John R. Cason, D. D., laid aside the body of flesh and slipped into the other Realm of Life. He had experienced a heart attack the night before and within about twenty-four hours he was gone.

Christmas was his eighty-third birthday and he enjoyed the happy occasion. His family was with him from Monday afternoon until he passed on. Those fortunate in knowing him as father are Miss Claribel Cason of Miami, Mrs. J. L. Love of Delray Beach, Mrs. Nadie C. Ives of Ojus, Mrs. John F. Wilson of Lakeland, Honorable Fred W. Cason of Miami, Dr. J. R. Cason, Jr., of Delray Beach, and Mr. A. E. Cason of Delray Beach. His sister, Mrs. Hattie Hamilton of Fayetteville, Arkansas, and his brother, Mr. Lester Cason of Pine Bluff, Arkansas, were unable to make the trip to Florida to attend the funeral.

Dr. Cason was born in Anson County, North Carolina. In his youth the family moved to Arkansas. When he was nineteen years of age, he entered the Methodist ministry and at the age of twenty-two he joined the Little Rock Conference. Thirty-one years of public ministry were spent in Arkansas Methodism. His lawyer son of Miami said that Dr. Cason moved to Florida in 1905 in order to keep the family together. For more than sixty years he was a Methodist preacher.

Among other churches in Florida, he was pastor at Lakeland, West Palm Beach, Tampa, Miami, and Orlando. It was during his pastorate in Miami that the present building of Trinity Church was erected. While he was a superannuate, he was pastor of Delray Beach Church two years without salary and was the chief factor in bringing the building to the present stage of completion. The Delray Beach Church has been named in honor of him.

He was greatly instrumental in the founding of the Methodist Orphanage at Benson Springs, where today about two hundred boys and girls receive Christian care. His ministry was that of a builder.

Beginning in 1925, he served more than two terms on the Palm Beach County Board of Public Instruction, retiring in 1930. In 1927-1928, he was municipal judge of Delray Beach. Only failing health prevented him from becoming a candidate for the legislature in 1934.

As far as health would allow, he was a regular attendant at the church services. Until just a little while before Christmas, he was at church almost every Sunday morning and sometimes was back there for the evening service. He was kind to and appreciative of his pastor.

A short time before Christmas he dictated to me a letter to be sent to Bishop John M. Moore, said letter concerning the Apostles' Creed, in which letter he contended for the removal of the word "Catholic" and entered the question of changes our church had made at other times in the Creed.

About this same time he was talking to me about old age, during which conversation he said, "It has its compensations to balance its losses. Its greatest need and difficult achievement is to sustain an improved morale." This ambition Dr. Cason achieved.

At the funeral service, which was held at the Delray Beach Church and which I had the honor of conducting, Dr. Ludd M. Spivey characterized him as a man of whom his world had to take notice, a man who stamped his world with his personality rather than allow the world to stamp him, a man who was victor instead of a victim of the world. Others assisting in the funeral service were, Dr. R. Z. Tyler of Trinity Church in Miami, and Rev. W. J. Churchwell of Lakeland. Burial was in Miami, and at the cemetery Dr. J. M. Gross, a friend of many years, concluded the service with a prayer. The church building was filled.

On that Monday evening that I walked into his room about an hour after he had died, I realized again that our bodies are only tools. When they wear out to the extent that we can use them no more, we lay them aside and slip into the other Realm of Life to use other tools. Dr. Cason took the wings of the evening and made them into the wings of the Dawn.

O. SEWELL PALMER.

PAUL W. ELLIS

Paul W. Ellis was born at Plainville, Georgia, May, 1876—son of Rev. and Mrs. J. H. Ellis. Married Lois Cotton, January 5, 1905. Converted at the age of seven years. Licensed to preach in 1898 by M. E. Church, South. Admitted on trial, 1902, and into full connection, 1904. Ordained Deacon, 1902; Elder, 1904. Charges served in Georgia: Reynolds, Jeffersonville, Statesboro, Centenary Macon, Waycross District, Wesley Monumental, Savannah; First Church, Americus, Macon District, First Church, Thomasville; transferred to Florida Conference, 1925, stationed at First Church, Jacksonville, four years; First Church, Clearwater, Deland District, Sarasota District, First Church, Ocala. He passed away at Emory University Hospital on Tuesday, September 17th.

The funeral service of Brother Ellis was held in the Methodist Church at Ocala, at two o'clock, Friday afternoon, September 20th. It was fitting that here in the church where he served his last pastorate, his congregation and the brethren of the Conference should meet to do him honor. The congregation was large and impressive, including a very large number of the ministers of the Conference and lay delegates from many of the churches where Dr. Ellis had served as pastor. The floral offering was beautiful and expressive of the love and esteem in which Dr. Ellis was held.

The body lay in state at the chancel of the church from eleven o'clock until two. A guard of honor from the official board kept watch as increasing numbers of friends passed by to pay their last respects. At the funeral hour, Rev. J. A. McMurray, of the First Presbyterian Church of Ocala, gave the invocation, after which the choir sang the beautiful old hymn, "Children of the Heavenly King." Dr. M. H. Norton, presiding elder of the Tampa District, read the Psalm, and Dr. H. W. Blackburn, of the Lakeland District, the lesson from Corinthians. Dr. N. J. Peacock of the South Georgia Conference, a lifelong friend of Dr. Ellis, led the prayer, after which the choir sang, "Guide Me, O Thou Great Jehovah."

Bishop Sam R. Hay, bishop in charge of the Florida Conference, spoke feelingly of Dr. Ellis and his life and ministry. W. A. Myres, presiding elder of the Gainesville District, in which Dr. Ellis was located, presided over the service, and gave a word of farewell on behalf of the ministry of the Conference and the friends and members of the church. The benediction was pronounced by Dr. G. W. Rosenberry, presiding elder of the Bradenton District. The body was laid to rest in the beautiful cemetery at Ocala, Florida, overlooking the scene of the last labors of Dr. Ellis. Dr. Wm. Frederick Dunkle, presiding elder for the Orlando District, read the

beautiful committal service of the church. The final benediction was pronounced by W. A. Myres.

Thus ends the earthly life, but not the influence, of this very splendid man. There is for him the immortality promised by the Christ whose he was and whom he served. The floral wreaths of his friends shall hide his face; his memory shall long be green in the minds of men; his wife and family shall keep enshrined in their hearts forever the tenderness of his love, and his great spirit is forever with the Lord.

W. A. MYRES.

L. B. SIMPSON

Brother Simpson passed to that upper and better Kingdom at four o'clock, Thursday morning, February 20, 1936, after an illness of three days.

The last seven months of his life he resided at Rochelle, Fla., which is part of the Hawthorne Charge, and was most faithful and loyal to his church and pastor. He and his family were regular in attendance at the services. In fact, he attended church many times when he should have been in bed.

Brother Simpson was born in Lebanon, Ky., 53 years ago and spent the better part of his life in that state. His parents were poor in this world's goods and hardships were his lot from his earliest childhood; but with steadfastness and determination he turned his hardships into stepping stones, availed himself of an education by hard work and entered the ministry of our church.

"His first ministerial work was in the evangelistic field. He had success in holding revivals and never seemed to be happier and more at home than when he was in a revival meeting and sinners were being saved. He had a real passion for souls. In his preaching he would frequently become eloquent, and in the pathos of his earnest appeal sinners found it hard to resist his call to 'come to Jesus,' which was a set phrase with him in his evangelistic days."

He was admitted into the Illinois Conference on trial in 1914, ordained deacon in 1916, and elder in 1918. He served Tioga, Xenia, and Clay City in the Illinois Conference and then transferred to the Kentucky Conference, where he served Ghent and Saltwell. He transferred to the Florida Conference in 1920 and served Fort Lauderdale, Cedar Keys, Starke, Crescent City, Mulberry, Havana and Webster. He superannuated in 1930 because of high blood pressure.

June 11, 1913, he was married to Miss Pearl Bealmear of Marion, Ky. To this union were born four children, Esther, Sam, Ruth and Rebecca.

The funeral was held at the Hawthorne Church, conducted by his Presiding Elder, Dr. W. A. Myres, assisted by Dr. L. M. Broyles and J. E. McKinley. The following pastors of the district acted as pallbearers: J. E. Hartsfield, C. E. Cook, Don A. Cooke, G. W. Sellers and S. I. Hendrix.

J. E. McKINLEY.

MRS. W. F. ALEXANDER

Mrs. Mary Bruce Alexander was born in Vanceburg, Kentucky, October 8, 1853, and died in Tampa, Florida, July 22, 1935. The funeral service was conducted in the First Methodist Church of Tampa by Dr. J. P. Hilburn, assisted by Rev. S. H. Givler and Rev. W. M. Poage. At the request of Mrs. Alexander the simple Methodist burial service was read without eulogy or comment. Her body was buried in the Woodlawn Cemetery in Tampa.

In 1879, Miss Mary Bruce went to Brazil as a missionary, where she continued to serve for fifteen years. While in Brazil this great woman, so beautiful in her absolute and faithful devotion to Christ, was bitterly persecuted by the anti-Protestant forces who were in authority there.

Around her strong but innocent head gathered the leading influences which resulted in the bloodless revolution, 1889, which overthrew the Empire of Brazil and gave birth to the Republic, the United States of Brazil. In 1894, she was forced to give up her work in Brazil on account of her father's illness.

Upon her return to her home state of Kentucky, she, together with Miss Belle Bennett, took up the work of organizing missionary societies in the Kentucky Conference. In the fall of 1897 she answered the call to serve the Cubans in the newly organized work of Wolff Mission in Tampa, Florida. Later, seeing the great need among the Italians, she began a work among them which developed into what is now the Italian Mission. In 1911, she founded the Wesley House, now known as the Rosa Valdez Settlement, West Tampa.

In December, 1905, Miss Bruce was married to Rev. W. F. Alexander, a member of the Florida Conference. Their happy married life lasted for only a little more than two years, for he died in St. Petersburg, Florida, January 19, 1908. She was 83 years old when she died and had continued in the missionary work of the church for forty years, having retired only about ten years ago. She was a great woman; great in mind, great in spirit and great in her love for Christ and for the salvation of souls. Those who knew her best loved her most.

A. C. McCALL.

MRS. R. E. CARLSON

Maude Corinna Carlson, the wife of Reverend R. E. Carlson, lost her life with her husband in a hurricane on September 2, 1936, at Matecumbe Key where they had been appointed to serve a short time before. She was born March 16, 1900, at Webb City, Missouri, the daughter of Benjamin Franklin and Sallie Harrison Magill, of LaBelle, Florida, where the family moved in the fall of 1911, and where she graduated from high school. She was converted in a meeting and joined the church in 1917, while Reverend A. C. McCall was pastor.

She began teaching in the grammar school at LaBelle in 1920, and taught later at Alva, Arcadia, and Moore Haven. She was ambitious to go to college but gave this up willingly that she might help two of her younger sisters to attend college. She was married to Reverend Robert Emanuel Carlson on December 20, 1931, at the LaBelle Methodist Church, where he was pastor and she was a member of the church, by Reverend E. Watt Smith, presiding elder of the Bartow District.

She was a good wife and worthy partner to Brother Carlson in all the work of the church. For three and a half years she presided over the parsonage home with her sweet, quiet, unassuming efficiency that was characteristic of her work in the school room. Her cheerful smile and friendly ways helped to brighten the home and to make the Christian life attractive to those who came in contact with her. She was faithful to attend the different departments of the local church and to do her part of the work in them. She was not discouraged by difficult tasks; she did her best joyfully and trusted God to give the victory. Equally consecrated with her husband, she labored by his side for the Kingdom of God and the salvation of souls.

The Annual Conference in June, 1935, appointed Brother and Sister Carlson to serve the Matecumbe charge on the Florida Keys. They were having a happy and successful pastorate when a powerful hurricane and tidal wave swept over the island leaving death and destruction in their path. These servants of God did not seek safety in flight when the storm warnings came but they stayed to serve others and both died together at their post of duty. Several days later their bodies were recovered after a long heroic search by fellow pastors and friends.

Memorial services were held in honor of Brother and Sister Carlson at LaBelle and Groveland. Friends came to these services from all parts

of the state, and the floral offerings were numerous and beautiful. Tributes that emphasized their Christian heroism and virtues were given by several of their close friends. Soon after these services, the LaBelle Methodist Church, where almost all their ministry was spent, was named the Carlson Memorial Church in honor of these unselfish heroes who gave their lives to the Kingdom. A large number of their friends at LaBelle and throughout the Florida Conference have given offerings to help make possible the dedication of this church.

Mrs. Carlson is survived by her father and mother, Mr. and Mrs. B. F. Magill of LaBelle; her brother, Harold Magill, of Moore Haven; and her sisters, Mrs. A. Wade Blake, of Zephyrhills, Edith and Frieda Magill, and Mrs. Harry Delaney, all of LaBelle. Her body was buried with the body of her noble husband at Groveland, Florida, Brother Carlson's home town. They fell asleep faithful in Christ to awaken in that eternal home to be with the Heavenly Father and the Christian loved ones who have gone before.

HARVEY M. HARDIN.

MISS EMMA L. TUCKER

Miss Emma L. Tucker was born in Kentucky on a farm. When a small girl, her parents moved to Covington, Kentucky, where she grew to womanhood. She was reared in a Christian home in the atmosphere of positive Christianity.

She was converted at the early age of 8 years and in a series of meetings considered to be a failure since there was only one little girl converted. As a young woman, she was diffident and extraordinarily timid, seldom appearing on a public program without crying. She was given an office as the Conference organizer of the Woman's Missionary Society, Kentucky Conference, which she accepted with the greatest reluctance and only because as she said, "I was willing to be a failure for Jesus' sake if it would do any good." This was the beginning of her public ministry.

Later she was the director with her sister, Miss Tina, of a home for unfortunate girls at Nashville, Tenn., and Atlanta, Ga. She then began holding what she called "Bible Readings" and her popularity was so pronounced that she was called into all parts of the South. There was frequent opposition to a "woman preacher," but she met it in a sweet spirit and never allowed herself to be considered other than a Bible Reader.

For sake of the health of her sister, she established her home at Benson Springs, Florida, about 1906, and largely through her influence the Methodist Orphanage was located there. She generously supported every organization of the church. Scores of preachers in this conference and on the mission field date their spiritual life from contact with her. She gave moral fiber to this State at a time when it was most needed.

She and her sister were noted for their great prayer life. If a thing ought to be done they never questioned but that it could and would be done. They didn't tell God what He ought to do, but sought His will and it alone. When they went to their knees things happened.

She assisted preachers in the backwoods country circuits and was equally successful in the city churches. Two of the greatest revivals that Southern College ever had were led by her. She was the author of "X-Rays From God's Word."

She and her sister were inseparable and about five years ago they moved to Los Angeles, California, to spend their last days in the home of a niece. Miss Tina preceded her by two years to their eternal home. Their dust lies in the West but the message of their lives is an abundant heritage to the ministry of this state. Funeral services were held in Forest Lawn Cemetery, Monday, March 30, 1936.

STANDING RULES OF THE CONFERENCE

I. CONCERNING THE SECRETARY

1. The Secretary shall edit and publish the Conference Minutes.
2. He shall have such assistants as he may desire, to be appointed by the Conference on his nomination.
3. He shall place in the hands of each presiding elder within ten days after Conference adjourns a statement showing all the apportionments laid by the Conference on the district to be distributed by the district stewards provided the Conference fails to adopt its own method of distributing the apportionments directly to the pastoral charges; in the event the Conference adopts such a method, the Secretary shall then place in the hands of each presiding elder a copy of the apportionments distributed to the several charges within his district.
4. He shall be the custodian of the books and archives of the Conference and shall annually report where they are kept.
5. At the beginning of each annual session, upon the nomination of the Secretary, the Conference shall elect a committee of three to examine the daily journal and correct it, and report back to the next meeting of the daily sessions, and the adoption of their report shall be the approval or adoption of the minutes.

II. CONCERNING THE STATISTICAL SECRETARY

1. The Statistical Secretary shall annually collect, or cause to be collected, the statistics of the Conference and record the same in such a manner as the Conference may direct.
2. After the close of the second day of the Conference his books shall be closed unless opened again by order of the Conference to receive a delayed report.
3. He shall employ such help as is necessary to do the work accurately and expeditiously, which shall be paid for by the Secretary out of the apportionments for "Printing and Incidentals."
4. Fractions shall not be used in making statistical reports.
5. At the earliest possible date the presiding elder shall file with the Chairman of the Conference Commission on Budget, with the Conference Treasurer, and with the Statistical Secretary an accurate statement of the amounts of apportionments accepted by the various Quarterly Conferences within his district. These accepted apportionments shall be recorded against the respective charges by the Statistical Secretary and shall be the official record on which settlements to the Conference Treasurer shall be made by the charges.
6. He shall see that every report made by a charge or a Church exactly agrees with the one it made to the Conference Treasurer.

III. CONCERNING THE CONFERENCE TREASURER

1. The Conference Treasurer shall be elected by the Annual Conference at its first session after the adjournment of the General Conference, on nomination of the Conference Commission on Budget. The Treasurer shall serve for a quadrennium, or until his successor shall be elected and qualified.
2. The Treasurer shall receive, receipt for, and disburse as directed by the Conference all moneys collected on apportionments for general work, Conference work, and such other moneys as the Conference may direct.
3. The Conference Commission on Budget shall have full authority and supervision over the Conference Treasurer, and after consultation with

the Bishop in charge, it shall have the power to remove from office for cause or to fill vacancy ad interim. The Conference Commission on Budget shall have the books of the Conference Treasurer audited within forty days after the close of the Annual Conference.

4. The Conference Commission on Budget shall designate depository or depositories for Conference funds.

5. The Conference Treasurer shall make monthly distributions to the treasurers of the several Annual Conference Boards and causes for all Conference work and to the treasurers of the several General Conference Boards and causes for all general work according to the percentage of the apportionments for general and conference work adopted by the Annual Conference.

6. The Treasurer shall procure from the Statistical Secretary or from the presiding elders a report of the apportionments accepted by the several charges within the Conference and shall settle with those charges by that report. He shall have no power to waive or change this rule.

7. He shall on the 25th day of September, December, and March furnish each presiding elder a statement of the amounts of moneys received by him for all causes from each pastoral charge within that presiding elder's district, each such statement to include all moneys received from the closing of the Annual Conference to date issued, and shall publish these reports in the Florida Christian Advocate.

In the event the Conference adopts a different plan for the distribution of the askings among the charges as per paragraph 266 of the 1934 edition of the Discipline, the Commission on Budget shall furnish to each presiding elder a statement of the askings of the charges in his district in keeping with the plan adopted by the Conference.

REPORT OF BOARD OF FINANCE

To the Florida Annual Conference:

Dear Fathers and Brethren:

Since our last Conference our ranks have been thinned by the deaths of R. H. Barnett, R. E. Carlson, J. R. Cason, P. W. Ellis, and L. B. Simpson. We have also lost the widow of one of our preachers, Sister W. F. Alexander, one of the saints who served the cause many years in Brazil, and later in our Latin work in Tampa. The Committee on Memoirs will name the names again and recount some of their virtues. We have also lost by death Sister R. E. Carlson.

We record with gratitude the gifts by will to our Superannuate Endowment of \$10,000 by J. D. Randall, and of \$5,000 by Sister Fannie A. Baird, from which latter gift our own Conference will receive the income from only \$2,500. Thus, and in other ways, our endowment of this most worthy cause gradually grows.

Once more we venture to urge upon all our preachers to keep this cause before the minds of all our people. Here and there with judicious care, we shall find men and women who will be both able and willing to leave bequeaths that will ultimately afford a living stipend for those who through rigorous labors and self-denials have built the kingdom in this land. We request that those who leave bequeaths to our Board of Finance use the following form:

"To the General Board of Finance, a corporation of the state of Missouri, in trust for the benefit of the superannuated preachers, and other lawful claimants, of the Florida Annual Conference."

The total holdings of our own Conference, administered through the Parent Board, has reached the sum of \$115,046.11. An exact and complete report of statistics, a part of this report, goes to record herewith. We acknowledge also the gift by check of \$1,000, which saved the day for us in one of the lean times which try our Board.

Our Board has received from the Parent Board, \$3,078.59. Also, a check from the Publishing House for \$2,853.74. Very gratefully we protest our deep thankfulness.

Appropriations for the next year are being made on the same basis which has been used heretofore, but the payment of these appropriations depends upon our collecting the same beforehand as the months pass by. Our Treasurer cannot pay out what we fail to supply to him. It is fundamental that all our pastors look closely, seriously, religiously, and persistently after these apportionments, remitting to the Conference Treasurer what may come in month by month.

We recommend that W. A. Cooper be appointed to care for the Superannuate Endowment.

Respectfully submitted,

W. K. PINER, Chairman.

REPORT OF THE BOARD OF MISSIONS

REPORT NO. 1

GENERAL BOARD:

We have good news from our General Secretary, Dr. Cram, of upturn in missionary interest throughout the Church, so clearly manifest in the Missionary Council held in Washington and the Missionary Institutes which followed. The call for ten new missionaries for the foreign fields brought a hearty response. Dr. Cram says, "The Florida Conference was the first to cooperate in the sending of new missionaries to the foreign field by

assuming the support of Dr. Hughlett in the Congo-Belge. This support enabled the Board to send Mr. and Mrs. Chas. W. Clay to Brazil. As a result of your initiative there are now four new missionary families in the field and another will be sent in September this year to Cuba." We are happy that Florida led in this movement as it has in a number of others.

It also cheers our hearts to learn that the General Board has been able to reduce its indebtedness in the sum of \$140,000, and hopes to further reduce this burden by the end of this year. We gladly welcome Dr. Elmer T. Clark to our Conference, representing the General Board.

CONFERENCE BOARD:

Of the Conference Missions established last year, one has assumed self-support—two have been discontinued—the boundaries of others have been changed—and eleven new ones are requested. If the requests before us are granted, more than one-third of all our charges will be missions. Despite all the favorable conditions in our Conference, the number of missions requested grows from year to year. For this year, \$78,500 was asked for Conference Work—\$62,000 was assumed—\$52,700 was paid. Our share of this "amount paid" is \$10,279. There should be a concerted effort to advance a number of our missions to self-support.

EVANGELISM:

The Committee on Evangelism makes the following recommendations: T. E. York, H. L. Ezell, J. M. Watts, W. H. McLeod, P. J. Pappas, as approved Evangelists; and J. B. Culpepper, Sr., as a General Evangelist.

Many gracious revivals have been held and members added to our membership.

GOLDEN CROSS:

Our agreement with Wesley Memorial Hospital, Emory University, and with the four hospitals in Florida continue. During the year, we have sent patients to Wesley Memorial and to two Florida hospitals, Victoria Hospital in Miami and Lake County Medical Center, Umatilla.

We recommend these to the consideration of our people and their patronage.

OTHER MATTERS:

When the severe storm swept the east and west coasts of south Florida, the Conference Missionary Secretary and the Treasurer of this Board, check book in hand, visited the stricken areas. Financial aid was given at once where needed, that our work might not be seriously hindered or interrupted. Without this timely aid, a number of our churches would have closed for indefinite periods. We were happy to be able to render such assistance immediately.

Eight District Missionary Institutes were held following the Council. Dr. J. F. Rawls, Treasurer of the General Board; Dr. Bascomb Anthony and Dr. Nath Thompson, of South Georgia; and the officers of the Board, attended these. They were well attended and seemed to show good results. We ask for the hearty cooperation of all our preachers and people in the plans and programs to deepen the interest of our people in the great missionary work of our church throughout the world. "The world is our parish."

We recommend Rev. A. H. Cole as Conference Missionary Secretary, and Rev. John E. Ellis as Conference Secretary of the Golden Cross.

Respectfully submitted,

A. FRED TURNER, President.

C. H. SUMMERS, Secretary.

REPORT OF BOARD OF CHRISTIAN EDUCATION

Neither time nor space permit us in this report to review in detail the work of this board during the year just closing. But your board is highly pleased with the accomplishments of its staff workers. Not only have past records been maintained in fields of well-established work, but advances have been made in other directions. Particularly has this been true of our religious work on the campuses of educational institutions, both church and state. The Board has secured title, during the year, to highly valuable property at the University of Florida for its Wesley Foundation Work and the establishment of a University Church. A great opportunity is open to us in this direction.

Great advance has been made again in the work of the Young People's division. Old records have been surpassed by wide margins. The progress has been truly remarkable.

We are convinced more than ever before that the same fine progress would be manifest in the Children's Division and the Adult Division of our work, if we could but place active, full-time workers in those fields. It is nothing short of a sin against the opportunities of our day that we cannot go up and possess these lands, not only of great promise, but appalling needs, because of inadequate finance.

One change takes place on our salaried staff this year. Harvey M. Hardin, our Extension Secretary for the past four years, is returning to the pastorate at his own request. We believe however, that the same high standard of work set by him will be maintained by the man chosen to be his successor.

We recommend for appointment the following:

Dr. R. Ira Barnett, Executive Secretary.
 H. Stewart Austin, Extension Secretary.
 Don A. Cooke, Director Wesley Foundation, Gainesville.
 Dr. Ludd M. Spivey, President of Southern College.
 George F. Scott, Faculty of Florida Southern College.
 W. J. Churchwell, Financial Agent, Southern College.
 Corning F. Toile, Faculty of Southern College.
 D. M. Maynard, Faculty of Scarritt College.

We recommend that Church School Day be observed the first Sunday in October.

We submit the following budget:

REPORT OF ADVOCATE BOARD

JUNE 1936

The Florida Annual Conference.

Brethren:

The Board of Trustees of the Florida Christian Advocate is glad to report that your paper has had a most successful year. The average number of paid subscribers has been the largest in the paper's history. The Advocate has paid its bills when due and is entirely free from debt.

The board wishes to thank the bishop, the presiding elders, the pastors and the laymen for their splendid support this year. Every call of the board has been generously met and it is grateful.

The board especially wishes to commend the excellent work of Bro. P. M. Boyd. Both as editor and business manager, he has rendered the highest type of service and that without pay. He has done this while carrying the duties of a heavy pastorate and serving as chaplain of our college. The conference is in great debt to him.

The board recommends that the conference adopt January as "Advocate Month," as during the past two years, with a minimum goal of every official member a subscriber.

It recommends the election and appointment of Rev. Henry W. Blackburn as editor and Rev. R. P. Marshall as associate editor and business manager.

Paul A. Fletcher, Chmn.

Rufus E. Wicker, Secy.

ORPHANAGE REPORT

The Orphans' Home has had another year of great success measured from every practical angle of importance. The year will mark the beginning of the Home's enlarged field of service that has been in the plans of the management for several years, a definite training school to equip all the boys and girls for a definite business in life.

The church has done a marvelous work in providing a shelter and food and raiment for the destitute children, and with this has come also training for body and mind and spirit. For years these things have been provided in a most highly satisfactory manner.

This is great, and the Florida Welfare Board has rejoiced with us in the excellent manner in which this has been done. Visitors from the State Welfare Board have placed us at the head of the list in the entire state.

But our hearts have ached every year for years when time came to dismiss a matured child from the Home. How heartless to have to push a youth out into a cold world with nothing to do. But he must go for the age limit has come.

For a few years we have been able to train a few boys in printing and we rejoice that all of them have made good and have good positions with good salaries.

It was impossible to do any more, but this year, thanks to friends of the Orphanage, we are beginning an unprecedented thing in southern or-

phanages. With money provided by friends, we are building and equipping a modern industrial plant in which boys and girls will be trained to do certain kinds of work, their skill in which will give them a place in the world to make good at an honest and profitable trade. The range will be, in part, printing, electrical work, carpentry, cabinet making, leather hand craft, textile work, auto mechanics, home economics, typewriting, business courses, etc.

This much-longed-for and prayed-for equipment is the magnificent gift of Mr. Howard D. Randall and mother, the wife and son of our greatly lamented brother, J. D. Randall. This is a memorial to Brother J. D. Randall. Nothing could be done which would please him more. The Secretary of the Conference is asked to write a letter of appreciation to Mrs. J. D. Randall and Mr. Howard D. Randall, Orlando, Fla.

This gift will make the Florida Methodist Orphanage the most outstanding institution of its kind in the South.

The children have had a wonderful year of health and happiness and achievement. No serious illness of any kind has befallen any child or worker. Minor troubles have faithfully and efficiently been cared for by doctors of Orlando, Sanford, DeLand, and dentists from Orlando, DeLand.

We have now 143 children, the largest number in the history of the home. We have in all fourteen workers in the home.

No farm work is done, we have no garden space, but from the large truck farms nearby the big-hearted growers gladly supply a large quantity of fine vegetables.

The school record of the children is above a high average all around in studies, athletics, and official positions in their classes.

We are doubly fortunate in the religious work to have as pastor Rev. J. W. Austin, our former Superintendent, and his excellent wife, who render a perfectly fitting spiritual service, and the wonderful results are patently noticeable.

Our Superintendent, C. R. Shannon, and his consecrated wife, are unexcelled anywhere, and other orphanages are trying to take them away from us at greatly increased salaries.

The buildings have had moderate repairs. The campus has been improved and beautified and the general appearance of the Home has become more attractive and charming.

The Industrial building has been started. During the session of the St. John's River Conference of the Methodist Episcopal Church, in DeLand, the members were given a motorcade by the city and carried to the Orphanage. They were greatly inspired by the scene and by their inspection. And in their minutes appears this paragraph: "Since we have full confidence in the administrative ability of the present Board of Trustees of the Orphanage at Benson Springs, we do not request representation on said Board. But we do adopt this Orphanage as one of the Benevolent and Philanthropic institutions of the St. John's River Conference and request our pastors to cultivate in their churches an interest in this Orphanage and to open their churches to its agent for the presentation of its work. This means hearty support, etc."

This wholehearted cooperation and excellent appraisal is fully appreciated.

The financial year's work has been one of increased success.
Total amount raised from all sources-----\$43,024.34

Fifth Sundays -----	\$13,811.47
Mother's Day Offerings -----	5,374.41
Brother Frazier's Outside Work -----	23,838.46

The faithful and efficient work of the financial agent, Rev. C. C. Frazier, raised outside regular Conference channels of support nearly half of the cost of maintenance, in addition to other funds greatly needed. The Board sincerely appreciates his excellent work.

We recommend that Rev. C. C. Frazier be appointed financial secretary.

We ask that we be given no assessment but be given all the fifth Sunday offerings in all church schools, and all cash offerings in all church services on fifth Sundays and that the second Sunday in May be observed as Harvest Day and Saturday before as Work Day for the Orphanage.

L. P. HAGAN, President,

R. F. HODNETT, Secretary.

REPORT OF COMMITTEE ON SABBATH OBSERVANCE

Your Committee feels that there is very little said and less done about Sabbath observance now than at any time in several decades.

The observance in the home is waning it seems, and the old-time conscience about the sacredness of the day seems to have been eclipsed by the idea that "everybody" has left it off, that it disappeared with the ceremonial part of the Law.

The only way to get back to it is to have a conviction about it and practice what we believe is right.

If our people will only make a distinction in Sunday reading and refrain from the strictly Sunday amusements, plan our journeys to avoid traveling on the Sabbath and plan to do good on that day for Jesus said it was lawful to do good on the Sabbath Day.

We deplore aggressive differences relative to which is the proper day, knowing that this cannot be determined, but urge the keeping of the day, with charity for the dissenter.

In studying to show ourselves approved unto God, He urges we refrain from our thoughts, words and pleasures. Sure then we must find out His words, thoughts and pleasures, and if our Land shall long enjoy her Sabbaths, as the prophets warned the Jews, then a desolation certainly is due us, if we keep up our increasing desecrations.

Week-end concessions seem to put a premium on proper observance delinquency and surely increases our Sabbath drownings and other fatal accidents.

Let us return to a day for worship, rest and good works that can merit the approval of the Lord of the Sabbath.

R. E. WICKER, Chairman,

J. F. CLARK, Secretary.

BIBLE BOARD

We, your Bible Board, wish to make the following reports:

REPORT OF BOARD OF LAY ACTIVITIES

The Board of Lay Activities is gratified to report a continued and increased interest on the part of our laymen in the building of the Kingdom and in the acceptance of their responsibilities as prescribed in the Discipline. We cannot too strongly urge that every means of cultivation available be used for the instruction and training of our Boards of Stewards in the local churches. As is the Board of Stewards so in a large way goes the church. Under our present set-up by which each Chairman of the Board of Stewards is by virtue of his office the Church Lay Leader and these form the membership of the District Board of Lay Activities, it is quite apparent that this organization holds a strategic position for carrying the program to the local church. The development therefore of this district organization has been and must continue as one of our chief goals, since through the local Board of Stewards, which is the Board of Lay Activities in each church, through its various committees the program of the church is developed.

We call attention to the book, "A Steward in the Methodist Church," written by Mr. G. L. Morelock by direction of the General Board of Lay Activities and just released from the press. Our pastors can do no finer thing than to see that this book is in the hands of every Steward in the church. This treatise answers in a very comprehensive manner a long felt need.

LAYMAN'S DAY: We urge a continued and larger observance in our Layman's Day programs, which advertise before our people the responsible work in which the Laymen are engaged and enlarges their field of usefulness. We earnestly hope that provision can be made at this session of the conference for an enlarged program in the cultivation and training of the local Boards of Stewards. We commend the fine work which has been done in an independent way along this line by Mr. Fred T. Barnett and we commend him most heartily to our pastors for such service.

We quote from a recent meeting of the General Commission on Evangelism and heartily endorse their statement that "the best strategy for the new conference year is to give emphasis by all our forces toward the payment of 100% on acceptances and a surplus." We are thoroughly convinced that the deepening of the spiritual life of our people is necessary and must accompany this effort if we would create the spirit of real joy in Christian giving and unless this is done the collection of our Benevolences becomes more and more a matter of coercion. We must give our people information and awaken intelligent interest in these sacred causes which in our church represent the extension of the Kingdom.

TEMPERANCE AND SOCIAL SERVICE

We acknowledge our full responsibility for the continued and unrelenting crusade against the liquor traffic and all forms of gambling which are rife in our state. We urge our pastors and laymen to cry aloud and spare not in their condemnation of these evils. We are also convinced that our church membership must by precept and example hold aloft those principles of social justice in our business, public and political relations and in our dealings with inter-racial relations as well.

We acknowledge with gratitude the fine cooperative spirit shown the laymen by our presiding elders and pastors and especially do we make mention of the fine manner in which Bishop Hay at each session of the Conference held for us has magnified the layman's work.

NOMINATION OF CONFERENCE LAY LEADER

Your board of Lay Activities met in joint session with the bishop and presiding elders on the afternoon of Thursday, June 18th, to nominate a conference Lay Leader for the ensuing year. The result of this meeting was a nomination of Harwell Wilson of Winter Haven as Conference Lay Leader for the ensuing year.

F. B. MAY ,Acting Secretary

Conf. Board of Lay Activities.

STANDING RULES OF THE CONFERENCE

I. CONCERNING THE SECRETARY

1. The Secretary shall edit and publish the Conference Minutes.

2. He shall have such assistants as he may desire, to be appointed by the Conference on his nomination.

3. He shall place in the hands of each presiding elder within ten days after Conference adjourns a statement showing all the apportionments laid by the Conference on the district to be distributed by the district stewards provided the Conference fails to adopt its own method of distributing the apportionments directly to the pastoral charges; in the event the Conference adopts such a method, the Secretary shall then place in the hands of each presiding elder a copy of the apportionments distributed to the several charges within his district.

4. He shall be the custodian of the books and archives of the Conference and shall annually report where they are kept.

5. At the beginning of each annual session, upon the nomination of the Secretary, the Conference shall elect a committee of three to examine the daily journal and correct it, and report back to the next meeting of the daily sessions, and the adoption of their report shall be the approval or adoption of the minutes.

II. CONCERNING THE STATISTICAL SECRETARY

1. The Statistical Secretary shall annually collect, or cause to be collected, the statistics of the Conference and record the same in such a manner as the Conference may direct.

2. After the close of the second day of the Conference his books shall be closed unless opened again by order of the Conference to receive a delayed report.

3. He shall employ such help as is necessary to do the work accurately and expeditiously, which shall be paid for by the Secretary out of the apportionments for "Printing and Incidentals."

4. Fractions shall not be used in making statistical reports.

5. At the earliest possible date the presiding elder shall file with the Chairman of the Conference Commission on Budget, with the Conference Treasurer, and with the Statistical Secretary an accurate statement of the amounts of apportionments accepted by the various Quarterly Conferences within his district. These accepted apportionments shall be recorded against the respective charges by the Statistical Secretary and shall be the official record on which settlements to the Conference Treasurer shall be made by the charges.

6. He shall see that every report made by a charge or a Church exactly agrees with the one it made to the Conference Treasurer.

III. CONCERNING THE CONFERENCE TREASURER

1. The Conference Treasurer shall be elected by the Annual Conference at its first session after the adjournment of the General Conference, on nomination of the Conference Commission on Budget. The Treasurer shall serve for a quadrennium, or until his successor shall be elected and qualified.

2. The Treasurer shall receive, receipt for, and disburse as directed by the Conference all moneys collected on apportionments for general work, Conference work, and such other moneys as the Conference may direct.

3. The Conference Commission on Budget shall have full authority and supervision over the Conference Treasurer, and after consultation with the Bishop in charge, it shall have the power to remove from office for

cause or to fill vacancy ad interim. The Conference Commission on Budget shall have the books of the Conference Treasurer audited within forty days after the close of the Annual Conference.

4. The Conference Commission on Budget shall designate depository or depositories for Conference funds.

5. The Conference Treasurer shall make monthly distributions to the treasurers of the several Annual Conference Boards and causes for all Conference work and to the treasurers of the several General Conference Boards and causes for all general work according to the percentage of the apportionments for general and Conference work adopted by the Annual Conference.

6. The Treasurer shall procure from the Statistical Secretary or from the presiding elders a report of the apportionments accepted by the several charges within the Conference and shall settle with those charges by that report. He shall have no power to waive or change this rule.

7. He shall on the 25th day of September, December, and March furnish each presiding elder a statement of the amounts of moneys received by him for all causes from each pastoral charge within that presiding elder's district, each such statement to include all moneys received from the closing of the Annual Conference to date issued, and shall publish these reports in the Florida Christian Advocate.

8. He shall co-operate with the Statistical Secretary in seeing that correct financial reports are made to the Conference.

IV. CONCERNING PRESIDING ELDERS

1. The presiding elders are a standing committee to nominate the boards and committees of the Conference and to nominate persons to fill vacancies thereon.

2. The presiding elders shall report to the Statistical Secretary the statistics concerning the district parsonages.

3. In the absence of the pastor each presiding elder shall report for the charge in the same manner as the pastor.

4. Appointment to the presiding eldership shall vacate membership in any board of the Conference or on any standing committee.

5. Presiding elders shall report to the chairman of the Conference Board of Education the name and address of each Church School Superintendent within his district and the same shall be published in the minutes of the Conference.

7. Each presiding elder shall, at the earliest possible date, file with the chairman of the Conference Commission on Budget, with the Conference Treasurer, and with the Statistical Secretary an accurate statement of the amounts of apportionments accepted by the various Quarterly Conferences within his district.

8. Each presiding elder shall, as early in the year as possible, furnish to the Conference Lay Leader and to the General Secretary of the General Board of Lay Activities the names and addresses of all Church and Charge Lay Leaders in his district, same to be determined as per paragraph 585 of the 1934 edition of the Discipline.

V. CONCERNING BOARDS, STANDING COMMITTEES AND COMMISSIONS

1. Each board or committee of the Conference shall cause to be printed in the Conference Minutes an exact statement of salaries and expenses paid on account of any person employed by the said board or committee.

2. Each board of the Conference shall make an exact annual report to the Conference of the moneys it has received and what disposition has been made of them.

3. The Conference Commission on Budget shall contract with the Conference Treasurer, subject to the Conference, for his services and the manner in which he shall manage the funds of the Conference; shall take from

him an indemnity bond in such amount as shall cover whatever amount may be deposited in the bank, and shall annually have his books and accounts audited by a certified public accountant, and print the report of the same.

4. The Board of Finance shall cause to be printed in the minutes of the Conference the name and post office address of each Conference claimant, together with the amount paid to him annually.

5. At the beginning of each Annual Conference session any vacancy to be filled shall be reported to the Conference, and the presiding elders shall nominate to fill the vacancy.

6. That membership (whether ex-officio or otherwise) shall not be held by anybody in more than one of the several organizations of the Conference at the same time, whether that be in a quadrennial board, committee, commission, or trustee of a Conference institution (whether incorporated or not).

7. Members of the Budget Commission shall not be members in or serve upon any other of the standing organizations of the Conference, whether board, committee, commission, or trustee.

8. Presiding elders shall not be members of any board, committee or commission, or serve as trustee of any Conference institution, whether incorporated or not.

9. There shall be elected quadrennially, at the same time other Conference Boards are elected, a Conference History Board, composed of one layman from each District and an equal number of clerical members, taken from the Conference membership at large, whose duty it shall be to gather, and keep for the use of the Conference, historical documents and data and other materials appertaining to the history of Methodism in Florida, and more particularly the history of the Florida Annual Conference and to make report annually to the Florida Annual Conference.

VI. CONCERNING THE COMMISSION ON BUDGET

1. Unless otherwise ordered by the Conference, the Commission on Budget shall distribute the apportionments to the district on the same basis as used by the General Conference Commission on Budget in distributing their apportionments to the several Annual Conferences, and the ratio thus fixed shall stand through the quadrennium unless the Conference order otherwise. In the event the Conference adopts a different plan for the distribution of the askings among the charges as per paragraph 266 of the 1934 edition of the Discipline, the Commission on Budget shall furnish each presiding elder a statement of the askings of the charges in his district in keeping with the plan adopted by the Conference.

2. The report of the Commission, concerning the allocation of amounts and percentages to the various Boards and causes contained in the proposed budget for General and Conference work, shall be in the hands of the Conference at least one session before being acted upon, unless the Conference order otherwise.

3. The commission shall determine annually what amount shall be necessary to print and publish the minutes and shall assess the same upon the Conference along with other assessments.

4. The amount fixed by the Conference, upon the recommendation of the Budget Commission, for the support of its superannuated preachers, and widows and orphans of deceased preachers, shall be apportioned by the Budget Commission along with the other items as a part of the total budget askings, and shall be apportioned by the District Stewards to the several charges of the District as a separate item.

VII. CONCERNING REPORTS AND RESOLUTIONS

1. All reports and resolutions shall be typed.

2. No report or resolution shall be acted upon until a duplicate of it

is in the hands of the Secretary, except a resolution extending a vote of thanks.

PART III

JOURNAL

FIRST DAY

St. Petersburg, Florida, June 10, 1937.

Opening.—The Florida Annual Conference of the Methodist Episcopal Church, South, convened in its ninety-fourth annual session in the First Methodist Church of St. Petersburg, Florida, Thursday evening, June 10th, at 7:30 o'clock, Bishop Sam R. Hay presiding. Hymn No. 162, "O, for a Thousand Tongues to Sing," was sung by the congregation. The Apostles' Creed was recited, after which Dr. F. N. Parker, of Emory University, led in prayer. The choir rendered the anthem, "O Holy Lord," by Dett. A Scripture Lesson from the 3rd chapter of Ephesians was read by Dr. Parker, after which the choir sang another anthem, "O Lord, Veil Not Thy Face," by Beethoven.

Roll Call.—The roll of the Conference was called by the secretary of the last Conference; 208 clerical and 36 lay members answered to their names.

Organization.—Don A. Cooke was elected Secretary of the Conference. The following were elected assistants: K. H. Koestline, R. A. Alley, B. M. Montgomery, and A. R. Buhrman. C. R. Mingle-dorff was elected Statistical Secretary, with J. E. Statham and Fred L. Martin assistants.

Committee on Minutes. On the nomination of the Secretary, the following committee was elected to review the Minutes: P. L. Redfearn, W. O. McMullen, A. P. Smith.

Conference Bar.—The Bar of the Conference was set to include the first 12 rows of pews in the main auditorium. The time of meeting of the Conference was set at 8:30 a. m., and the hour for adjournment, 12:30 p. m.

Amendments to Standing Rules.—On the recommendation of the Cabinet, presented by H. W. Blackburn, the Standing Rules of the Conference were amended as follows:

I. At Section V after Rule 8 add a new rule to be numbered 9:

"There shall be elected quadrennially, at the same time other Conference Boards are elected, a Conference History Board, composed of one layman from each District and an equal number of clerical members, taken from the Conference membership at large, whose duty it shall be to gather and to keep for the use of the Conference historical documents and data and other materials appertaining to the history of Methodism in Florida and more particularly the history of the Florida Annual Conference, and to make report annually to the Florida Annual Conference.

II. At Section XI, amend by striking out the whole section, "Concerning the Fiscal Year and Quarterly Reports."

Vacancies in Boards.—H. W. Blackburn, on behalf of the Presiding Elders, made the following recommendations and nominations, which were approved by the Conference:

Because it has been the custom of the Conference for years to appoint a committee of five (three clerical and two lay members) on memorials, resolutions, and petitions to the General Conference, we recommend that the Bishop be asked to appoint this committee. The Bishop appointed the following: Felix R. Hill, chairman; Harwell Wilson, J. H. Daniel, L. A. Davis, P. A. Fletcher.

In accordance with the Standing Rules of the Conference, Section IV, Rule 1, we submit the following nominations for Committees of One Year:

Public Worship.—M. H. Norton, J. L. Horton, J. Wallace Hamilton, Harvey M. Hardin, Frank Robinson, N. W. Parker.

Sabbath Observance.—G. W. Hutchinson, J. F. Clark, J. E. McKinley, Wm. R. Boland, C. J. Tyler, W. J. Ashworth and W. L. Nelson.

Orphanage.—The following statement concerning the election of trustees for Florida Methodist Orphanage by Florida Annual Conference was read by H. W. Blackburn for the Presiding Elders, and adopted:

The Florida Methodist Orphanage is a "benevolent and charitable Association" set up under the laws of the State of Florida and operating under a Charter issued by Hon. Minor S. Jones, Judge of the Circuit Court of the 7th Judicial Circuit, Volusia County, Florida, "ordered and decreed" on the 7th day of June, 1909, and duly recorded in the Records of said Circuit Court on the 8th day of June, 1909.

The Charter provides, among other things, that the sole agent and the sole responsibility for providing the Florida Methodist Orphanage with a governing body is lodged in the Florida Annual Conference of the Methodist Episcopal Church, South. This is set forth in the Charter at Section V, as follows:

"The officers by whom the affairs of the corporation are to be managed, and the times to which they shall be elected, are as follows: A President, a Secretary, and a Treasurer (the secretary and treasurer may be one person); a Board of Trustees, composed of fifteen members. This Board of Trustees shall be elected quadrennially by the Florida Annual Conference of the Methodist Episcopal Church, South, and shall consist of seven ministers and eight laymen, and this Board shall elect from its number the President, the Secretary and the Treasurer, and all shall hold office until their successors are chosen."

The Charter also provides that those who composed the Board of Trustees at the time the charter was issued should be the first Trustees and the officers should be the first officers and should continue in office until their successors were chosen. And, since the Charter was issued and granted in June, 1909, the year 1937 becomes the year in regular quadrennial succession for the election of Trustees by the Florida Annual Conference, as the Charter provides and orders.

And since the Standing Rules of the Florida Annual Conference at Section IV, Rule 1, constitutes the "Presiding Elders" a standing committee to nominate the Boards and Committees of the Conference, therefore, the Presiding Elders submit the following nominations of seven ministers and eight laymen to be the Board of Trustees of Florida Methodist Orphanage for the next quadrennium, from and immediately after their election, and to continue in office until their successors are chosen as the Charter provides; and we appoint the first named person to convene the Board for election of its officers and the transaction of business.

A Fred Turner presented Report No. 1, Board of Missions, which was adopted. (See Reports.) He also presented a paper concerning the Bishops' Crusade, which was adopted, as follows:

"The Crusade of our bishops to lead the Church forward into more aggressive work, deeper consecration, and a quickened evangelism has brought encouragement to our whole people. We rejoice in the success which has characterized the financial part of this program, thankful for the relief of our General Board of Missions from debt and for the possibility of increase in our missionary forces.

The success in this endeavor stimulates the hope that an even greater success may crown this Crusade in its other forward movement. In the Aldersgate Commemoration we pray that all the members of our Church may be brought to experience the essential Christian blessing our founder experienced when, on that memorable occasion, his heart was strangely warmed, and he was made conscious that he was a child of God. We hope that the entire church, both ministers and laymen, will pray through to whatever gracious experiences God has in store for us. Let us labor together for a real revival of religion throughout all the fields in which we are now preaching the Gospel.

Under the leadership of Bishop A. Frank Smith, and through the regular channels of our ministry, plans are now being formulated to bring

every church in the connection into this movement. We pledge to our leaders and commend to our conference our heartiest cooperation both in our preaching and in our prayers."

PART IV

MEMOIRS

HENRY EDWARD PARTRIDGE

When Henry Edward Partridge left earth for his home in heaven December 22nd, 1936, there departed from Orlando, Florida, one of the most lovable and saintly and oldest members of the Florida Conference. For fifty-five years he labored among us and through pioneer and latter days helped to establish Methodism in Florida. Perhaps one of the most efficient services he rendered the Conference was during his many years as chairman of the Committee on Admissions. He jealously guarded the Conference doors against incompetent men, while heartily welcoming, counseling and instructing worthy candidates for admission, and many of the mature men in our Conference today feel grateful to him for guidance in their early ministry.

He helped promote and was always an ardent supporter of the Florida Conference Brotherhood and kept up an interest in that cause when others were lukewarm. His good judgment coupled with his deep piety led to his often being selected on committees exercising discipline in our ranks.

Brother Partridge was one of the leaders in the Holiness Movement in early days and while possessing a real experience of full salvation, he was never austere or censorious nor critical of those who differed with him on doctrinal points. In his pastorates and during the closing days of his ministerial career he was always devoted to young people and usually had a flourishing young people's organization in his churches. Even after he retired, he delighted in attending Epworth League gatherings, on social and worshiping occasions. He was very evangelical in his ministry and was powerful in public prayer, this power arising from his secret prayer. Many were the prayer lists found in his papers after his departure from earth.

Brother Partridge was born near Lake Micosukee, Jefferson County, Florida, April 5, 1850, the son of John N. and Eliza Waring Partridge. His father came to Florida from Columbia, S. C., and was a member of the Constitutional Convention of Florida, a local preacher and teacher. In Henry Edward's early boyhood, the family moved to Monticello, Florida. While quite a boy he manifested a tendency to the ministry by gathering little negroes on his father's plantation to preach to them and pray with them. He joined the church also in early life and as he grew to young manhood Dr. Josephus Anderson, a prominent member of the Florida Conference, took quite an interest in him and interested others in securing funds to train him for the ministry. So he entered Wofford College, Spartanburg, S. C., in the fall of 1867. Licensed to preach by Spartanburg Quarterly Conference, October 6, 1870. Graduated at Wofford, June 1871, with honors. Was admitted into the Florida Conference at Madison, January 3, 1872, ordained deacon by Bishop E. M. Marvin at Fernandina, January 12, 1873; Ordained elder in Jacksonville, Florida, January, 1874, by Bishop G. F. Pierce. On October 29, 1873, he married Miss Sarah A. Nielson of Monticello. Resulting from this union were eight children, thirty grandchildren and seven great-grandchildren. The following are his children: Mrs. N. L. Hudson, Shreveport, La.; Miss Frances Partridge, Orlando, Fla.; Mrs. A. G. Hartridge, Jacksonville, Fla.; Mrs. Mortimer Johnson, Orlando, Fla.; Mrs. H. F. Starbuck, Tampa, Fla.; H. E. Partridge, Jacksonville, Fla.; P. W. Partridge, Jacksonville, Fla., and John N. Partridge, Orlando, Fla.

The following charges were served by Brother Partridge: Quincy, 1872; St. John's Mission, 1873; Quincy Circuit, 1874; Lake City. 1875-1876; Spark's Chapel, 1877; Micanopy Circuit, 1878; Ocala Circuit, 1879; Ocala Station, 1880-1881; Gainesville District, 1882-1884; St. Paul's, Jacksonville, 1885; Tampa District, 1886; Tallahassee, 1887-1890; Leesburg Station, 1891;

President, Leesburg College, 1891-1892; Transferred to Mississippi Conference, 1892; Seashore District, 1893-1894; Morton Circuit, 1895; Waynesboro Station, 1896-1897; Transferred to Florida—Bartow, 1898-1900; Jasper Circuit, 1901; Orlando, 1902; Monticello, 1903-1905; Fernandina, 1906; Bradenton, 1907-1908; Brooksville, 1909; South Jacksonville, 1910; Hastings, 1911-1912; Kingston and Port Orange, 1913-1914; Citra, 1915-1917; Elfers, 1918-1919; Coleman, 1920-1921; Bunnell, 1922-1924; Sutherland, 1925-1926; Superannuated 1926. Served as supply two and a half years.

His last message to the Conference was: "Tell them I die in the faith." He prayed unceasingly in life and passed into unconsciousness with a whispered prayer on his lips. He was buried at Monticello, December 24, in Roseland Cemetery, by the side of his wife and loved ones. Services were held in Orlando, December 23, in First Church, at 2:30 P. M.

C. FRED BLACKBURN.

BENJAMIN TURNER RAPE

The subject of this obituary, the Rev. Benjamin Turner Rape, was born January the twenty-sixth in the year eighteen hundred and sixty-three (1863) in North Carolina. He was converted at the age of fifteen at Pleasant Grove Camp Meeting, North Carolina, and licensed to preach in 1886 by the Rev. T. W. Guthrie of the Charlotte District. In December, 1888, at Leesburg, he was admitted into the Florida Conference on trial. He was ordained Deacon, in 1891 by Bishop Duncan; and ordained Elder, in 1893 by Bishop Fitzgerald at Ocala. In 1889 he was united in marriage to Miss Jessie I. Grantham of Waukeena, Florida. To this union were born seven sons and two daughters, eight of whom lived to adult age. His wife and five children survive him. Thus briefly the record is made of a life of three score and ten and three years, but the times of labor and sorrow are not recorded by man's pen. Only as John wrote: "These came up through great tribulation."

He spent his entire ministry in Florida, during which he served the following charges: Quincy, Waubassa Mission, McClenny Mission, Tarpon Mission, Altoona, Kathleen, Jennings Circuit, Lake Butler, Woodville, Perry, Madison Circuit, Martell, Bronson, Largo, Palmetto, Wellborn, Rochelle, Alachua, Jennings, Starke, Melrose, Anthony, Dunedin, Riverview, Alva, Sebastian and Trilby. He built six churches and three parsonages.

Only a faithful wife through many years of shared cares and toil is competent to pronounce a judgment on her husband's labor, and this is that conviction washed from a sorrowing heart and tear-dimmed eyes: She said: "There has never been in our ranks a nobler man, who tried to do his duty as a Christian."

In his home I have often noticed his tender care of "mother," as he called his wife, the mother of his children and the sharer of mutual joys and sorrows.

His death was approached with the remark: "My work is done; I am ready to go." So he went, his hands brought together, his eyes upward cast, faith lost in sight; home at last.

When the last words are said, when the mourners depart, when dust is committed to dust, and when the darkness of the grave shuts out all sight of the dead, then with that which is mortal, human imperfections lie buried and the virtues of the deceased brother become a rainbow to span the tomb and shine on, while frailties go with the body to ashes. We will remember and honor his virtues that perish not with the bones.

Our Brother Rape was a clean man morally, truthful in his speech, hospitable in his home, and faithful in his ministry. Surely his Lord and Judge will welcome him as a faithful servant into the Kingdom where there is no pain nor tears.

His Brother—E. J. GATES.

GEORGE RIDLER STEPHENS

On January 24th, 1937, the end came to the useful and fruitful ministry as far as the world is concerned, of Rev. George Ridler Stephens. After a hard day's work on Sunday, he fell asleep. How fitting that such a life and ministry should reach its earthly conclusion on the Holy Sabbath. Brother Stephens had preached three times that day and in between his services he made calls on the sick and suffering in his membership. As he was preaching on the night of January 24th in his pulpit at Auburndale, Fla., he was stricken and never regained consciousness, and about eleven-thirty that night he passed away.

George Ridler Stephens was the son of G. A. and Fannie Stephens of Apalachicola, Fla. He was born December 29th, 1880. In 1910 he entered the South Georgia Conference on trial. His first appointment was the Oliver Circuit, then the home of the writer of this paper. While pastor of the Oliver Charge he was married to Miss Ola Lindsay of Oliver, Ga. To this union there were born three sons: Cary, Lindsay and Leon. Leon and his mother preceded father and husband in death a long while ago. Cary is a student at Southern College at Lakeland, Fla., and Lindsey lives at West Palm Beach, Fla.

Brother Stephens, some four years after the death of his wife, was married to Miss Berta Odom, of Macon, Ga., who survives him. He is also survived by two brothers.

During his ministry he served the Oliver circuit, Mauk Circuit, Swainboro Circuit, Dublin Circuit, Vidette, Gordon, Dorun in the South Georgia Conference. In the year 1925 he was transferred to the Florida Conference and served in this Conference Ocoee, Lake Alfred, Pine Castle, Dania, Tarboux Memorial, and was pastor of the Auburndale charge at the time of his death.

Brother Stephens had not been in good health for several years and against the advice of physicians and friends he insisted on carrying on the work he loved more than he loved his life. He died in the harness, as was his desire.. The last text he used for his sermon was the first verse of the twelfth chapter of Romans: "I beseech you, therefore, brethren, by the mercies of God, that ye present your bodies a living sacrifice," etc. This text was literally fulfilled in his life. He had already experienced that which he sought others to do. He was a man of convictions and he lived by them. He preached what he believed and he believed what he preached. All men were alike to him and he preached not according to his congregation but according to his faith. His gospel was a great gospel of Scriptural Holiness, and we might well preach as he did—by living a holy life. I had known Brother Stephens for twenty-five years. I never had an occasion to doubt his sincerity. He never cheapened himself with me. The more and the longer I knew him the more I loved and respected him. He never changed. He preached Holiness from the beginning of his ministry to the end thereof. He paid the price for his conviction and his reward is in the other world. The world had no pull on this great soul.

The funeral services were conducted by the presiding elder of the Lakeland district, Rev. H. W. Blackburn. Rev. J. T. Mitchell of Kathleen and the Baptist minister of Auburndale assisted him. The writer of this paper preached the funeral sermon. The service was conducted in his own church at Auburndale and his body was taken to Jacksonville, Fla., for interment, which was the last home of his parents.

J. L. HUNTER, Lakeland, Florida.

JOHN BUTLER CULPEPPER

The Rev. John Butler Culpepper, eminent Methodist evangelist, was born in Talbot County, Georgia, August 1, 1849, and died at Memphis, Tennessee, January 19, 1937. His body lies buried at Monroe, Louisiana where his oldest son, the Rev. Marvin Culpepper, is also buried. The

Culpeppers, the Pierces, and the Gordons of Georgia were related, so that our evangelist was kinsman to Bishop George F. Pierce and to General John B. Gordon. This wonderful gospel minister was licensed to preach in 1869, at old Bethel Church, Taylor County, Georgia. He joined the Conference next year, and spent some years as an itinerant Methodist pastor. On Christmas Day, 1873, he was married to Melvin Harper, a lovely Georgia girl, who survives to mourn his passing. During the years from 1886 to 1895 he was agent for the Orphans' Home at Macon. The old wooden building was burned in 1887, and he traveled extensively collecting funds to build the new brick home. It is said that he preached one thousand sermons and that twelve hundred people joined the church in his various meetings during that one year.

Brother Culpepper located from the regular Conference work in 1891, and for over forty years was an active evangelist. Many of his great meetings were held in Florida, and for a number of years he was a citizen of this state, making his home at New Smyrna, where he was the friend of the pastor and the lover of everybody. He was especially happy in his home life, with his gifted and deeply pious companion helping him to make a Christian home. Three of his sons became Methodist preachers, and two daughters married Methodist preachers. The Rev. Burke Culpepper is a general evangelist, while the youngest child, the Rev. John B. Culpepper, Jr., is a member of the Florida Conference.

From Missouri and Kansas to the Carolinas and Florida, and in many other sections of the country, this apostolic herald labored with marvelous success. Many tens of thousands were led to Christ and into the Church by his matchless ministry. There was a strange electric power in this slender, frail looking man, that can be explained only in terms of Divine unction. God mightily endued him as he lifted up the Cross of Christ.

JOSEPH F. BELL.

MRS. J. W. BIGHAM

Martha Ellen Bigham was born September 8th, 1850, in Marion, Kentucky, and died June 17th, 1936. Her maiden name was Martha Ellen Hughes.

She was converted at the age of seventeen and from that time to her death her devotion to Christ never seemed to waver. When she was nineteen years old she was married to J. W. Bigham. He was for some years clerk of the court of Crittenden County, Kentucky. For fifteen years he was a practicing lawyer, and few men have ever been better lawyers when his case came before a jury. Sister Bigham was a preacher's wife for forty-one years. Eleven children were born to this union, four of whom still live, one son and three daughters.

About eight years ago, Sister Bigham suffered a paralytic stroke from which she never recovered. Like other saints, she was called to endure many afflictions, but no murmur ever escaped her lips. The gracious ministries of her life grew up out of her relations to her husband. The affinity of opposites was never more marked than in the union of these two, and you can not think of one without thinking of the other. Their complimentary natures supplied for each what the other lacked. She was as shrinking and timid as the violet, while he was as raucous and hilarious as Tom Sawyer. His nature always needed restraint and guidance, and her reticent, gentle, yet anxiously solicitous temperament supplied both. I knew them from their earlier years. Perhaps no man was ever more my friend, and I am saying this to furnish me occasion to say that the warm, wide inspiration of his friendship was, largely, the fruit of her exalted devotion to him. I think of him as of glowing mornings in May, conjoined with the turbulence of rain-storms. I think of her as a verdent summer day and the added richness of golden harvests.

And I wonder what the angels did that first hour when they were first

seen walking about the streets of that fair city, beholding the radiant charm of her devotion, her quiet, timid ways, and then the opulent strength and rugged outline of her "Jimmie." Blessed, patient, serene, gentle Sister Bigham—Heaven be praised that ever you lived. One radiant year you walked amongst the ones who wear crowns and stand about the throne. Our hearts still strive along the way you went before us and we yearn, when our short days are done, to walk with you and him and others and with the Christ who saves us all.

W. K. PINER.

MARY ANN MANN

Mrs. Mary Ann Mann was born in Marion County, Florida, February 15, 1867, and went away from her home in Palm Harbor, Florida, to her home above, August 28, 1936. Mrs. Mann's maiden name was Marsh, daughter of Dr. Henry Marsh and Mrs. Rhoda Bradford Marsh, late of Sumter County, Florida. On July 2nd, 1886, she was married to A. M. Mann, three years before he was licensed to preach. In the fall of that same year she was converted and joined the Methodist Episcopal Church, South, at old Adamsville in Sumter County, Florida. When in January, 1890, her husband joined the Florida Conference, Mrs. Mann went cheerfully with him, and for forty-five active years stood ever faithfully by him, and after his superannuation she continued to be the same true, loyal helpmeet, up to the very end of her life. She was the mother of twelve children, eight of whom still survive.

In the thirty-five active years of her co-operation with her husband in the itinerant service, salaries were usually, almost invariably, distressfully small, but she never made a single gesture of hesitation touching the matter of going to any appointment to which they were assigned, nor uttered a single word of complaint on the score of hardship. And it was little less than marvelous how well she kept her large family clothed and fed on the small stipends received. Moreover, she never allowed her husband to leave unpaid debts behind him on any Charge they ever served. With love and tenderness I here and now bear testimony to her superb worth as wife and mother. Her going away was an unspeakable loss to our home. In all the relations of life she was loyal and patient, and whatever hardship any appointment ever entailed, she bore the brunt of it, somehow always taking upon herself the larger share. Her children all rise up and call her blessed, having unbounded esteem for her as a mother.

The funeral service for my beloved companion was held Sunday afternoon, August 30th, in the little church at Curlew, three miles out from Palm Harbor, and was conducted by her presiding elder, the Rev. M. H. Norton, assisted by the Rev. G. W. Sellers, and her body was placed in a steel vault in the beautiful cemetery close by. The throng attending from the entire neighborhood around, including many from the nearby towns, along with a very large and beautiful floral tribute, bore eloquent testimony to the high esteem in which she was held by all who knew her. Loving friends from another part of the state sent the following beautiful poem by way of condolence:

"You cannot say, you must not say
That she is dead—She's just away.
With a cheery smile and wave of the hand
She wandered into an unknown land,
And left us dreaming how very fair
That land must be, since she lingers there.
So, think of her faring on as dear
In the love of There as the love of Here.
Think of her still as the same, and say:
'She is not dead; she is just away!'"

A. M. MANN.

MRS. LUDWIG OSER

The Latin Mission in Florida has been saddened by the passing of Mrs. Ludwig Oser, wife of our pastor at Miami, Florida. She died on November 13th, 1936, in Miami. On November 16th, her body was laid to rest in the Woodlawn Park Cemetery, Miami. Dr. R. Z. Tyler, pastor of the Trinity Methodist Church, and Dr. C. K. Vliet, Presiding Elder, Miami District, officiated. Mrs. Oser is survived by her husband, the Rev. Ludwig Oser; her son, Dr. David Oser, and two brothers, Dr. John C. Hamilton of Brooklyn, N. Y., and Dave Hamilton, highway commissioner of Little Rock, Arkansas.

Mrs. Ludwig (Maud Hamilton) Oser was born October 19th, 1880, in Wynn, Arkansas. Her parents were David and Sarah Hamilton, a family widely known throughout the state. She was graduated from Jackson Female College, in Jackson, Mississippi, in 1897, with the A.B. degree. In 1906 she was appointed as a teacher in the Irene Toland School of our Church, in Matanzas, Cuba. She was married December 12th, 1909, in Wynn, Arkansas, to the Rev. Ludwig Oser. For twenty-six years she was the faithful and devoted wife of this man of God. For several years they have served in our Latin Mission in Florida. During the past year years they have labored to establish our Latin work in Miami. Mrs. Oser endeared herself to the Latins of Miami, and was much beloved by a large circle of American women in that city. Sister Oser was highly cultured. It was a delight to converse with her. Her devotion to her family and to the work of the Kingdom was strong and fine. May God give strength and comfort to Brother Oser and the son, David, in these trying times.

J. A. PHILLIPS, Superintendent, Latin Mission.

MRS. ANNIE C. SALE

Mrs. Annie C. Sale was born September 12th, 1867, and died less than one-quarter mile from where she was born. She was practically a life-long resident of Bronson. She was the only daughter of Col. William R. Coulter and Mrs. Lydia J. Coulter, pioneer residents of Levy County. She was married February 3, 1887, to Rev. Joseph C. Sale, an honored member of the Florida Conference of the Methodist Church, South, who was completing his fourth year on the Gainesville District when he passed away to his reward in 1899. She was with him as a loyal helpmeet in various Charges he served. She was a member of the Methodist Church since childhood and was active in Church and civic affairs.

Mrs. Sale lived a beautiful Christian life and was a loving and devoted mother to the children who were left so early to her care. She also was a member of the Eastern Star.

Her last illness was of one week's duration and she gradually grew weaker and slipped away early Monday morning, November 23, to be with her Heavenly Father and loved ones who have gone on before.

She is survived by two sons, W. Coulter Sale, Denver, Colorado; J. C. Sale, Bronson; two daughters, Mrs. John E. (Annie) Hartsfield, La-Belle, Florida; Mrs. David (Mary) Musgrove, Tampa; one brother, William R. Coulter, Bronson, and two nephews, Henry B. and Francis R. Coulter, Bronson, also nine grandchildren.

Interment was in the old Bronson cemetery, Tuesday afternoon, at three o'clock, after services in the Methodist church which were conducted by Dr. Myres, Presiding Elder of the Gainesville District, and Rev. W. H. Herndon, pastor of the Bronson Methodist Church, and Rev. Ray Y. Walden, pastor of the Bronson Baptist Church.

All of Bronson paused that Tuesday afternoon to shed a real tear of love and respect for Mrs. Annie C. Sale, one of the best known and most universally loved women of this State of Florida.

W. H. HERNDON, Pastor.

MRS. D. B. SWEAT

Minnie L. Buchanan, the daughter of Rev. C. C. Buchanan and Mollie Harper Buchanan, was born in Waycross, Ga., May 17, 1867. During the year 1894 she married Daniel B. Sweat of that city. In 1902 they moved to Bartow, Florida. Two years later Brother Sweat was licensed to preach and joined the Florida Conference.

Sister Sweat was converted at fourteen years of age and then caught a vision for Christian service. As the wife of a Methodist preacher the beauty of that vision was fulfilled in a thoughtful, practical and helpful ministry. After over thirty years of service in this state she quietly entered into her eternal rest at Lakeland, Fla., Feb. 23, 1937.

As a wife she was a real joy to her husband in all his work. Both as mother and grandmother her devotion will ever be held as sacred. Her interest and love for her two granddaughters, Louise and Rena Lee Sweat, was indeed beautiful. Her only child, Daniel B. Sweat, Jr., treasured his mother's counsel, knew the beauty of her daily life, and was her comfort in her dying moments.

Her friends were many. She had the rare gift of making and holding friends. Many young people in communities where her husband served as pastor bear testimony today, as to how the counsel and daily life of this good woman have been large factors in forming their ideals of a Christian home and the real joy of Christian service.

Quiet, faithful and efficient, her work has been constructive. Although a sufferer for many years, yet the radiance of her smile, the strength of her faith, and the beauty of her daily life, will abide in the memory and lives of many.

Those of us who were privileged to enter into the inner circle of her friendship will ever be grateful for this golden fellowship. Christ as a personal friend. The Bible as the revealed word of God. The church as the medium of practical service. The joy of Christian experience: these were the ringing testimonies of this child of God. As in life, so in death, she met every event calmly. She was not afraid to die. As she looked into God's tomorrow, she visualized two great truths, love and eternity.

On the day of her funeral a large company of friends assembled at the First Methodist Church in Lakeland. Her pastor, Rev. J. E. Ellis and Rev. G. F. Scott, a friend of many years, paid tributes to this noble woman. Resting amid a bower of beautiful flowers, friends looked upon her calm and peaceful face, and were reminded that just as the aeolian harp tuned to the passing breezes brings melody, so the harp of her soul in tune with heavenly influences touched the chords of faith, love, hope, peace. "The peace of God that passeth all understanding."

GEORGE F. SCOTT.

MRS. FRANCIS A. TAYLOR

Mrs. Francis A. Taylor, the widow of Rev. Francis A. Taylor, passed on to her Heavenly Home on November 12, 1936, at Bartow, Florida, and on November 13, 1936, her body was laid to rest by the side of her husband in the cemetery at Leesburg, Florida.

Sister Taylor was a consecrated Christian, a faithful wife, and a true friend.

In the early days of our conference, she shared with her husband the joys and the sorrows of the Methodist itinerancy. Many homes and many lives have been blessed by their ministry.

After the death of her husband in 1911, she made her home with her daughter, Mrs. E. T. Roux.

During the past four years, as her pastor, I visited her often. She was not able to attend the services of the church, but her heart was with her

church, her prayers were for it, and her deep interest was in the advancement of God's Kingdom here on Earth.

Many times she expressed her desire to go to her Eternal Home to meet again those she "had loved long since and lost a while," and most of all—to see her Saviour, who had redeemed her and had prepared a home for her.

May the influence of her Christian life long live in the hearts of those who love and honor her.

SMITH HARDIN, Her Pastor.

REPORT OF BOARD OF FINANCE

To the Florida Annual Conference:

Dear Fathers and Brethren:

We are called to mourn the death of two of the beneficiaries of your Board of Finance, namely, B. T. Rape and H. E. Partridge. Moreover, the widows of four of our departed brethren have died, namely, Mrs. J. W. Bigham, Mrs. J. C. Sale, Mrs. D. B. Sweat, and Mrs. F. A. Taylor.

We are happy to report to you that your Board has been able during the past year to pay, month by month, the regular apportionment to every claimant, every superannuated preacher, every widow and every orphan, the full amount. Though it was, even then, all too small a sum, yet we are profoundly grateful to God that this much could be done.

We received during this Conference a check from our parent Board in St. Louis, the sum of \$3,458.73, and from our publishing house the sum of \$3,169.96. Appropriations for the coming year will be made on the same basis as has been used heretofore.

We pray that your Board may have the continued cooperation of all our preachers and all our lay people. Our work is sometimes difficult, adjustments are hard to make, and mistakes sometimes creep in. Let all be assured that the Board endeavors to administer your funds equitably, when all the facts are brought to our attention.

We ask that W. A. Cooper be appointed to care for the Superannuate Endowment Fund another year. Only one conference, the Virginia, twice the size of our conference, has raised more money for this cause than has the Florida Conference.

Again: Only one time before, and that for a six-month year, has your Board been able to pay our claimants in full every month for the year.

We respectfully ask that the Apportionment fixed by our Commission on Budget for the Board of Finance for the next year be \$30,000.00.

We also ask that the apportionment for our claimants be continued as a separate item, to be collected specifically for our superannuates, widows and orphans, and then reported along with the General and Conference Work funds, as was done for the year now closing.

W. K. PINER, Chm., Board of Finance.

June 4, 1937.

Mr. R. H. Johnson, Treasurer
Florida Conference Board of Finance
M. E. Church, Miami, Florida.

Dear Sir:

In compliance with your request, I have completed the examination of the cash receipts and disbursements as shown in your books and records as Treasurer of Florida Conference Board of Finance, M. E. Church, for the fiscal year ended June 3, 1937, and hereby certify that the accompanying Statement of Receipts and Disbursements is a correct condensed transcription of your records.

The balances in the Phifer State Bank, Gainesville, Florida, in the General Fund and Trust Account total \$2,667.87 and \$355.24 respectively. These amounts have been verified by communication with the Phifer State Bank and are in agreement therewith.

Respectfully,

FRANK VAN D'ELDEN, C. P. A.

REPORT OF ADVOCATE TRUSTEES

We are glad to report a good year with the Advocate. It is out of debt, the subscription list has grown, and, in spite of the fact that the paper has been increased in size from 8 to 10 pages and a full-time paid worker has been added to the staff, it has been able to operate on a cash basis. Credit for this is due to the fine work of the editor and managing editor and to the splendid loyalty of the Bishop, the presiding elders the preachers and the consecrated laymen of our great conference.

(1st) We recommend the appointment of R. P. Marshall as editor and business manager.

(2nd) We recommend that January and February be designated Advocate Months and that a subscription campaign in every church be conducted at this time as during the past year.

(3rd) We recommend that wherever possible the Advocate be placed in the budget as suggested by paragraph 72 of the Discipline.

We recommend the appointment of P. A. Fletcher and E. B. Walthall to fill the vacancies on the board.

Signed:

P. A. FLETCHER, Chairman,
R. E. WICKER, Secretary.

REPORT NO. 1, ORPHANAGE BOARD

At the last session of our Annual Conference, your Orphanage Board promised this year would bring forth a new vocational project. Your Board makes good this promise in its last report of its labors for the closing quadrennium.

The James D. Randall Arts & Crafts Training Building is completed and stands a monument to the love of those great souls, the late Mr. and Mrs. James D. Randall. The son, Mr. Howard D. Randall, is carrying on

the work of equipping this splendid school. The shoe rebuilding machinery is installed and the work of installing the other equipment is to be resumed July 1st. This project, completed, will cost approximately \$20,000.00.

Another achievement is a memorial to the late Calvin A. West by his widow, Mrs. Mary Lowe West, of Orlando, who is erecting a modern dairy barn which will be thoroughly equipped to insure safe milk at all times. This project, when completed, will represent a cost of \$2,500.00.

Through the fine work of Mr. T. L. Walker, of Tampa, our dairy herd has been greatly improved so that whereas our 108 children of two years ago were receiving one-half pint of milk each, daily, we are today able to give each of our average of 150 children a quart of rich wholesome milk daily.

The executive committee has met one day each month at the Orphanage for the past year, giving their services toward a more efficient and enlarged program and the Conference owes those men no small debt of gratitude for their cooperation with the Superintendent and the Executive Secretary.

Our work for the year is reflected in the following financial exhibit:

We have also secured during the year in addition to the cash receipts reported outstanding bequests and gifts totaling \$20,000.00 and have anticipated bequests and gifts in process of development amounting to from \$20,000 to \$25,000.

Your Agent has traveled in excess of 50,000 miles during the past year in his labors and expresses thanks to one and all.

The Conference owes a debt of gratitude to Mr. Howard D. Randall of Cincinnati, Mrs. Mary Lowe West, and Mr. James A. Gardner of Key West for their generous gifts to the Orphanage.

All bills due for the year closing have been paid in full for the 12 months and the books of the Agent and Treasurer audited by certified accountants and copy of same filed with new Board.

Signed: CLYDE FRAZIER,
For the Orphanage Board.

REPORT NO. 2, ORPHANAGE BOARD

Since the appointment of the new superintendent, W. M. Mullen, and the new agent, C. W. White, your Board has had repeated conferences with them, concerning the interests and conduct of the Orphanage, and your Board wishes to commend the splendid spirit of earnestness and co-operation with which these brethren are undertaking their duties and responsibilities.

A cursory examination of the Charter and Constitution by the Board of the Orphanage seems to indicate that a revision is necessary. We therefore, recommend the selection of a committee of three to act with the following committee of the Board of the Orphanage, i. e., John Taylor, A. H. Cole, and C. S. Radebaugh, to be charged with the new responsibility of an examination of the Orphanage charter and constitution for the purpose of ascertaining whether amendments are necessary to more perfectly invest the title to our Orphanage property in the Florida Annual Conference of the Methodist Episcopal Church, South, and to provide for a more definite control of the Board of the Orphanage by the Florida Annual Conference, and if the Committees find that amendments, changes or additions to the charter and constitution are necessary, that the Committees be given authority to act.

Signed:

R. Z. TYLER, Chairman,
CUSHMAN S. RADEBAUGH, Acting Secretary.

REPORT ON SABBATH OBSERVANCE

The observance of the Sabbath beginning on Man's second day and for God and Man, is deemed of such great importance that it is included in the Ten Commandments; and the keeping of it has been a great means of keeping the Jewish Church intact, and the Christian Church being what it is.

It is still observed, but the observance now is getting away from the manner of keeping it in former times. Week-end parties, week-end rates, week-end excursions, all to lessen the sanctity of the day or its proper observance.

And too many plan the day to begin or complete their journeys.

The only way it seems to have the proper keeping is to urge and plan for better services on the Lord's Day; to call attention to the rules of our church; and then by precept and example to keep it ourselves as Christians should; to commend and patronize those who do keep it; then the Ministry cry aloud and spare not and we may turn our people back to it again.

(Signed) J. F. CLARK, for the Com.

REPORT OF THE BIBLE BOARD

We, your Bible Board, beg leave to submit the following report:

1. That the small per cent from our benevolences given to the work of the American Bible Society is well directed. We heartily commend the work of the society in meeting the needs of the world today in supplying an ever-increasing number of copies of the Bible and in more languages. They report an increase of more than a half million copies distributed over that of the previous year.
2. That we urge a general observance of universal Bible Sunday for December 12th. That proper programs be provided in our church schools, young people's departments and all other church services. That literature for this observance be secured from the American Bible Society and distributed.
3. That this conference give encouragement to the reading and teaching of the Bible in our public schools.
4. That we endeavor to increase the circulation and use of THE UPPER ROOM in the practice of family worship in all of the homes of our people.
5. That our people sufficiently acquaint themselves with such teachings of the Bible that will help them to more appreciatively enter into the observance of the two hundredth anniversary of Mr. Wesley's heart-warming experience.

JAS. A. HENDRY, Secretary.

DISTRICT CONFERENCE RECORDS

We, your committee on District Conference Records, have examined the records and find them in good shape. We recommend that each District secure a loose leaf file for the recording of the minutes.

J. L. HUNTER, Chairman,
H. G. COWAN, Secretary.

REPORT OF LAKE JUNALUSKA METHODIST ASSEMBLY

The debt on the Methodist Assembly at Lake Junaluska has been completely liquidated. The assessed valuation of the property owned by the Assembly is approximately \$400,000. Aside from this the Mission Board and the Board of Christian Education own property valued at \$250,000. There are private homes and hotels valued at \$350,000, making a total investment for the Church and our Church people of approximately \$1,000,000.

The Board of Trustees of the Assembly has been reorganized. Bishop Paul B. Kern is now chairman of the Board and the other two members are Dr. W. P. Few and Dr. W. A. Lambeth.

R. IRA BARNETT,
JEROME T. FEASTER,

Former Trustees, Representing the Florida Annual Conference.

REPORT OF THE BOARD OF LAY ACTIVITIES

It is our purpose to bring to you our report in the briefest possible compass, placing special emphasis only on those responsibilities which seem to be most important. The disciplinary obligation enjoined upon us is "To promote Christian stewardship, men's work, a sound financial system in every local church, adequate support for the ministry, full payment of benevolences, proper provision for other church obligations, personal evangelism, lay speaking, training of official boards, and all other interests of the church in co-operation with the agencies promoting these interests."

Sound Financial System

It means a great deal more to develop "a sound financial system in the local church" than to raise money or participate in any campaign. If a real sound financial system can be developed in a congregation, then a solid foundation has been laid for joyous experience on the part of the congregation with reference to its finances. In addition, through the years larger sums will accrue for the entire program of the church. Your Board of Lay Activities is seriously considering the initiation of plans looking toward the development of the district organization which is the medium through which these results may be obtained for the local church.

Full Payment of Benevolences

We are urging our laymen who officially compose the district steward's meetings to do all within their power to create sentiment among our laymen for larger acceptance of askings and we pledge our cooperation to the pastors and presiding elders in their efforts to secure full payment of these obligations, as well as a more adequate support of the ministry.

Training Official Boards

The Board of Stewards in the local charge is the agency to which the Lay Organization must look for effective results in the local church, and any plans for their training in efficiency will have our enthusiastic backing. The results achieved from the series of institutes for stewards and church officers held in several of the districts the past year have been marked. It is our purpose to definitely increase this character of cultural work.

Layman's Day

We definitely recommend observance of Layman's Day with a suitable program as outlined by the General Board, in every charge.

Our Church Periodicals

The Conference Lay Leader, the District Lay Leaders, and each Church Lay Leader, is charged under the Discipline with responsibility for the circulation of our church periodicals. The information coming to our people from these sources is vital to the success of our program.

Social Welfare

We reiterate our acceptance of responsibility to hold aloft those principles of social justice in our business, public and political relations, and with our inter-racial relations as well.

Temperance

We acknowledge our full responsibility for the continued and unrelenting crusade against the liquor traffic and all forms of gambling which are rife in our state. It has been proven that the liquor interests know no observance of law, and the results from the use of liquor in our state is

appalling. Let our ministry "cry aloud and spare not," warning our people of the encroachments of this enemy and lead them in the fight for the home, the church, the school, and our boys and girls. We call upon our Methodist laymen to stand by this leadership with all of the resources at their command, to the end that sentiment may be created which will stop this nefarious traffic within the borders of our fair state.

Lynching

We join the "Association of Southern Women for the Prevention of Lynching" in declaring that: "Lynching is an indefensible crime, destructive of all principles of government, hateful and hostile to every ideal of religion and humanity, debasing and degrading to every person involved. Though lynchings are not confined to any one section of the United States, we are aroused by the record which discloses our heavy responsibility for the presence of this crime in our country. We believe that this record has been achieved because public opinion has accepted too easily the claim of lynchers and mobsters that they were acting solely in the defense of womanhood. In the light of facts, this claim can no longer be used as a protection to those who lynch. We pledge ourselves to create a new public opinion in the South which will not condone for any reason whatever acts of mobs or lynchers."

Appreciation

We acknowledge with gratitude the fine cooperative spirit shown the laymen by the presiding elders and pastors and for the definite interest of Bishop Hay during these four years of his administration.

Nomination of Conference Lay Leader

Your Board of Lay Activities, in joint session with the Bishop and presiding elders, nominate Harwell Wilson of Winter Haven as Conference Lay Leader for the ensuing year.

DEWITT GRIFFIN, Acting Secretary.

MEMORIALS

The following memorials were approved by the Conference, and have been forwarded to the Secretary of the General Conference:

MEMORIAL TO THE GENERAL CONFERENCE

Dear Fathers and Brethren:

The Florida Conference memorializes the General Conference to change paragraph 549 of the Discipline of 1934, so that it will read as follows:

"The moneys raised through the Golden Cross Enrollment shall be sent to the Treasurer of the Annual Conference, who shall remit five per cent of it monthly to the Board of Missions, Nashville, Tennessee. The Board is authorized to use this for promotional work.

The remaining ninety-five per cent shall be used by the Annual Conference Board of Missions for Golden Cross work in such manner as they shall direct, after consultation with, and the approval of, the General Board of Missions: Provided, further, that the General Board of Missions may, at its discretion, remit said five per cent to hospitals belonging to our Church."

A. FRED TURNER,
JOHN E. ELLIS,
For the Board of Missions.

MEMORIAL TO THE GENERAL CONFERENCE

For the Committee on Boundaries

The Florida Annual Conference respectfully memorializes the General Conference amend the Discipline at Chapter XXII, Section 1—Boundaries of the Annual Conferences—as follows:

Par. 829 (1) Amend by striking out all reference to Florida. So that when thus amended the paragraph will read:

"... Alabama Conference shall include all of Alabama lying south of the following boundary line between Alabama and North Alabama Conferences." (Here insert the boundary line.)

Par. 837 (9) Amend by striking out all words after "Florida" in line two, so that the whole paragraph when thus amended will read:

... "Florida Conference shall include all of Florida."

MEMORIAL TO THE GENERAL CONFERENCE

For the Committee in Itinerancy

Whereas the Plan of Union at Section VII, Article 1, provides that The Annual Conference shall be composed of all traveling preachers in full connection with it together with a lay member elected by each pastoral charge; and,

Whereas the Uniting General Conference which the proposed Plan of Union provides for is not given any original legislative power to enact new laws; therefore,

The Florida Annual Conference respectfully memorializes the General Conference to amend our Discipline at Chapter II, Section II, Paragraph 44, Ans. 1, so as to give to each Pastoral Charge one lay delegate to Annual Conference, the said delegate to be elected by the Quarterly Conference of the Charge and to have such powers and privileges as lay delegates now have.

MEMORIAL TO THE GENERAL CONFERENCE

The Florida Annual Conference, in session at St. Petersburg, Florida, June 10-14, hereby respectfully requests the General Conference of said Church, at its session in May, 1938, to make the following changes in our law concerning superannuated and retired Bishops, and widows and orphan children of deceased Bishops, so as to define and clarify their status in the itinerant ministry of our church:

1. Append to Paragraph 123, Section II, Chapter III, a proviso that shall make the entire paragraph read as follows: "A Bishop may be superannuated on account of age or infirmity, at his own request, or on recommendation of the Committee on Episcopacy; **provided**, that no Bishop shall remain on the effective list longer than the General Conference nearest his seventy-second birthday: and, **provided**, when a Bishop is thus retired from active service, for either of the foregoing reasons, he shall thereupon have his membership in the Annual Conference of which he was last a member, as a traveling elder in good standing, and as a superannuated member of said conference: and, as is the case with other Conference Claimants, his support shall be provided by the Conference Board of Finance and the General Board of Finance, according to the rules governing support of Conference Claimants; and, **provided further**, the foregoing provisions for superannuated or retired Bishops shall apply to the widows and orphan children of Bishops."

2. In conformity with the foregoing change in Paragraph 123, change Paragraph 253, Section 1, Chapter V, so as to make the entire paragraph read as follows: "Provision for the incomes from askings of the various Church Boards, General and Conference, for the support of effective Bishops, superannuated Bishops and preachers, the widows and orphans of deceased Bishops and preachers," etc.

3. In Paragraph 257, Section 1, Chapter V, strike out the words, "for the support of superannuated Bishops, widows and orphan children of Bishops," in the second, third, and fourth lines; and strike out the whole of "**provided**" down to, and including, the words, "their necessities."

R. E. L. FOLSOM.

MEMORIAL TO THE GENERAL CONFERENCE

We, the Florida Conference, Methodist Episcopal Church, South, memorialize the General Conference as follows:

Strike out Section VII, Paragraph 663, of the Discipline, entitled, "The Form of the Solemnization of Matrimony," and substitute the following:

Dearly beloved, we are gathered together here in the sight of God and in the presence of this congregation (of these witnesses) to join together this Man and this Woman in holy matrimony, which is a relationship established of God in that He ordained that Man should not live alone: for from the beginning of the creation He made them male and female, and for this cause shall a man leave his father and mother and

cleave to his wife; and they twain shall be one. This holy estate was hallowed and honored by Jesus Christ, our Lord.

It was ordained for the mutual good, society and comfort of man and woman, that each should be the help-meet for the other.

It was ordained for the continuance of the holy ordinance of family life.

It was ordained for the welfare of the state and human society, which tend to be strong and happy wheresoever the marriage bond is held in honor, but are ready to perish wheresoever the same is dishonored.

This ordinance therefore is not by any to be entered into unadvisedly or lightly; but reverently, discreetly, advisedly, soberly, and in devotion to the will of God.

Into this holy union these two persons are come to be joined. Let us invoke upon them the blessing of God, our Father:

Almighty and most merciful Father, we, thy children, do praise Thee for all the gifts of Thy providence, and for all the bounties of Thy grace. Especially do we at this time thank Thee for the institution of marriage, and that Thou hast made it to be honorable in all. And we humbly beseech Thee graciously to send down Thy blessing upon Thy servant and Thy handmaid who are about to be joined together according to Thy holy institution and ordinance. As Thou hast brought them together by Thy providence, sanctify them by Thy Spirit, giving them a new frame of heart fit for their new estate, and enriching them with all grace whereby they may perform the duties, enjoy the comforts, undergo the cares, and resist the temptations, which accompany that condition, as becometh true Christians. Grant that they may now enter into the marriage covenant in Thy love, and truly keep the vows which they are about to make, according to Thy word. Grant this, O our Father, by the presence of Thy ever-gracious Spirit, through Jesus Christ our Lord. Amen.

(Then the Minister shall say to the Man, using his Christian name):

N., wilt thou have this woman to be thy wedded wife, to live together after God's ordinance in the holy estate of matrimony; Wilt thou love her, comfort her, honor and keep her, in sickness and in health; and, forsaking all others, keep thee only unto her so long as ye both shall live?

(The Man shall answer):

I WILL.

(Then the minister shall say to the Woman, using her Christian name):

N., wilt thou have this Man to be thy wedded husband, to live together after God's ordinance in the holy estate of matrimony; Wilt thou love him, comfort him, honor and keep him, in sickness and in health; and, forsaking all others, keep thee only unto him, so long as ye both shall live?

(The Woman shall answer):

I WILL.

(Then the Minister shall say): Who giveth this Woman to be married to this Man?

(The Father of the Woman, or whoever giveth her in marriage, shall answer):

I DO.

(Then shall the Minister address the candidates, saying):

As a sign of the holy vows which you are about to make you shall now give to each other the right hand, and declare after me the marriage covenant:

(To the Man, who shall repeat after the Minister this vow):

I, -----, do take thee, -----, to be my wedded wife:/ and in the presence of God and before these witnesses I promise and covenant,/ to love, reverence and honor thee even as Christ loved the Church;/ and through thee the Home which we thus establish;/ I shall honor thee by consecrated devotion to our calling, for we are one;/ and I promise in all faithfulness/ to promote the peace, purity and integrity of our wedded life, till death us do part;/ and thereto I plight thee my troth.

(To the Woman, who shall repeat after the Minister this vow):

I, -----, do take thee, -----, to be my wedded husband;/ and in the presence of God, and before these witnesses, I promise and covenant/ to love and to cherish thee;/ to grace and ever strive to make perfect the home which we thus establish;/ to reflect honor upon thee by consecrated devotion to our calling;/ and I promise in all faithfulness/ to promote the peace, purity and beauty of our wedded life, till death us do part;/ and thereto I plight thee my troth.

(Then shall they loose their hands, and the Man may give unto the Woman a Ring, on this wise: When the ring is presented unto the Man, he shall place it upon the fourth finger of the Woman's left hand, and they may respond as follows):

M: -----, with this ring I thee wed. "Entreat me not to leave thee, or to return from following after thee."

W: -----, "Whither thou goest I will go, and where thou lodgest I will lodge."

BOTH: "Thy people shall be my people and thy God my God." Amen.

(Then shall the Minister address those assembled, and say):
Let us all pray.

O Eternal God, the Creator of our lives and the Father of our Spirits, Giver of all spiritual grace, the Author of everlasting life; send Thy blessing upon these Thy servants, this Man and this Woman, whom we bless in Thy name; that they, living faithfully together, may surely perform and keep the vow and covenant betwixt them made, and may ever remain in perfect love and peace together, and live according to Thy holy laws.

O God, who hast so consecrated the state of Matrimony that in it is represented the spiritual marriage and unity betwixt Christ and His Church, look mercifully upon these Thy servants, that they may so love, honor and cherish each other, and so live together in faithfulness and patience in wisdom and true godliness, that their home may be a haven of blessing and of peace; through Jesus Christ our Lord. Amen.

(Then shall the Minister join their right hands together, and say to the company):

Forasmuch as-----and-----have consented together in holy wedlock, and have witnessed the same before God and this company, and thereto have given and pledged their troth, each to the other, and have declared the same by giving and receiving a Ring, and by joining hands, I

pronounce that they are HUSBAND AND WIFE, in the name of the Father, and of the Son, and of the Holy Spirit. Amen.

Those whom God hath joined together let no man put asunder.

(Then shall the Man and Wife kneel together, and the Minister shall add this blessing and benediction):

May God our Father bless, preserve and keep you; the Lord mercifully with His favor look upon you and fill you with all spiritual benediction and grace; that ye may so live together in this life that in the world to come ye may have life everlasting.

The peace of God which passeth all understanding keep your hearts and minds in the knowledge and love of God and of His Son Jesus Christ, Our Lord; and the blessing of God Almighty, the Father, the Son and the Holy Spirit, be with you and remain with you always. Amen.

S. A. Weston, of the Congregational Publishing Society, Boston, writes:

"Replying to your letter of May 5, (1937), we are glad to give you permission to use the passages which you mentioned from the PILGRIM PASTOR'S MANUAL in your proposed ritual. Please see that credit is given as follows:

"From Pilgrim Pastor's Manual prepared by George M. Boynton and Parris T. Farwell. Copyright the Pilgrim Press, 1894, 1916. Used by permission."

Only a few phrases from the Pilgrim Pastor's Manual are incorporated into this ritual.

High authorities in the Episcopal Church assure me that there will be no objection to our appropriated sentences and phrases from the Book of Common Prayer in this ritual.

I. CONCERNING THE SECRETARY

1. The Secretary shall edit and publish the Conference Minutes.
2. He shall have such assistants as he may desire, to be appointed by the Conference on his nomination.
3. He shall place in the hands of each presiding elder within ten days after Conference adjourns a statement showing all the apportionments laid by the Conference on the district to be distributed by the district stewards provided the Conference fails to adopt its own method of distributing the apportionments directly to the pastoral charges; in the event the Conference adopts such a method, the Secretary shall then place in the hands of each presiding elder a copy of the apportionments distributed to the several charges within his district.
4. He shall be the custodian of the books and archives of the Conference and shall annually report where they are kept.
5. At the beginning of each annual session, upon the nomination of the Secretary, the Conference shall elect a committee of three to examine the daily journal and correct it, and report back to the next meeting of the daily sessions, and the adoption of their report shall be the approval or adoption of the minutes.

II. CONCERNING THE STATISTICAL SECRETARY

1. The Statistical Secretary shall annually collect, or cause to be collected, the statistics of the Conference and record the same in such a manner as the Conference may direct.
2. After the close of the second day of the Conference his books shall be closed unless opened again by order of the Conference to receive a delayed report.
3. He shall employ such help as is necessary to do the work accurately and expeditiously, which shall be paid for by the Secretary out of the apportionments for "Printing and Incidentals."
4. Fractions shall not be used in making statistical reports.
5. At the earliest possible date the presiding elder shall file with the Chairman of the Conference Commission on Budget, with the Conference Treasurer, and with the Statistical Secretary an accurate statement of the amounts of apportionments accepted by the various Quarterly Conferences within his district. These accepted apportionments shall be recorded against the respective charges by the Statistical Secretary and shall be the official record on which settlements to the Conference Treasurer shall be made by the charges.
6. He shall see that every report made by a charge or a church exactly agrees with the one it made to the Conference Treasurer.

III. CONCERNING THE CONFERENCE TREASURER

1. The Conference Treasurer shall be elected by the Annual Conference at its first session after the adjournment of the General Conference, on nomination of the Conference Commission on Budget. The Treasurer shall serve for a quadrennium, or until his successor shall be elected and qualified.
2. The Treasurer shall receive, receipt for, and disburse as directed by the Conference all moneys collected on appointments for general work, Conference work, and such other moneys as the Conference may direct.
3. The Conference Commission on Budget shall have full authority and supervision over the Conference Treasurer, and after consultation with the Bishop in charge, it shall have the power to remove from office for cause or to fill vacancy ad interim. The Conference Commission on Budget shall have the books of the Conference Treasurer audited within forty days after the close of the Annual Conference.

4. The Conference Commission on Budget shall designate depository or depositories for Conference funds.

5. The Conference Treasurer shall make monthly distributions to the treasurers of the several Annual Conference Boards and causes for all conference work and to the treasurers of the several General Conference boards and causes for all general work according to the percentage of the apportionments for general and Conference work adopted by the Annual Conference.

6. The Treasurer shall procure from the Statistical Secretary or from the presiding elders a report of the apportionments accepted by the several charges within the Conference and shall settle with those charges by that report. He shall have no power to waive or change this rule.

7. He shall on the 25th day of September, December, and March furnish each presiding elder a statement of the amounts of moneys received by him for all causes from each pastoral charge within that presiding elder's district, each such statement to include all moneys received from the closing of the Annual Conference to date issued, and shall publish these reports in the Florida Christian Advocate.

8. He shall cooperate with the Statistical Secretary in seeing that correct financial reports are made to the Conference.

In the event the Conference adopts a different plan for the distribution of the askings among the charges as per paragraph 266 of the 1934 edition of the Discipline, the Commission on Budget shall furnish each presiding elder a statement of the askings of the charges in his district in keeping with the plan adopted by the Conference.

Resolved, further, that we humbly bow to the will of Him who doeth all things well, and strive that our lives may catch enduring inspiration from the example of our departed friend and brother, until we shall be permitted to clasp hands with him again in the eternal city of our God.

“REPORT OF THE SPECIAL CONFERENCE COMMITTEE ON AMENDMENTS TO THE CHARTER OF THE FLORIDA METHODIST ORPHANAGE (See Annual Conf. Minutes, P. 85)

At the 1937 Session of Florida Annual Conference, the Board of Trustees of Florida Methodist Orphanage in Report No. 2, as recorded on page 85 of the Conference Journal, requested of the Conference the appointment of a committee of three to meet with a like committee of three appointed by the Board of Trustees to consider “whether amendments are necessary to more perfectly invest the title to our Orphanage property in the Florida Annual Conference . . . and to provide a more definite control of the Board . . . and if the Committees find that amendments, changes or additions to the Charter and constitution are necessary, that the Committees be given authority to act.”

Complying with this request, the Conference ordered the appointment of such a committee of three and Bishop Hay appointed W. F. Dunkle, J. H. Daniel and L. P. McCord to serve as the committee representing the Florida Annual Conference.

This Committee makes the following report:

During the year several attempts were made to hold a meeting of the joint Committee. These attempts did not succeed. No meeting of the Joint Committee was held. At one time two members of the Trustees' Committee and one member of the Conference Committee met, but lacking a majority, no business was done.

However, your Committee did make diligent effort to find out whether the purposes for which it had been appointed needed to have attention. It secured an opinion and advice from some of our best attorneys and each of them advise that the present Charter does not meet the requirements specified in the request of the Trustees when they asked for the appointment of the Joint Committee.

Acting on the basis of these opinions and advices, your Committee drew up and presented to the Trustees Committee certain suggestions for amendments and changes in the Charter and Constitution of the Florida Methodist Orphanage. Whether these suggestions were considered your Committee does not know.

Your Committee is advised through certain publications in current newspapers that the Board of Trustees has applied to the Circuit Court of Volusia County for some amendments to the Charter. With these your Committee has had nothing to do nor is it aware of the nature or extent or purpose of them.

Perhaps your Committee has served its purpose. Of this you must be the judge.

With the filing of this report your committee asks to be discharged from further service."

Respectfully submitted,
W. F. Dunkle,
J. H. Daniel,
L. P. McCord,

PART V

MEMOIRS

THEODORE LAFYLES ZABUD BARR

The passing of Rev. T. L. Z. Barr from his parsonage home at 15 East 59th Street, Jacksonville, Florida, to his heavenly home, brought to its earthly close one of the purest lives God ever permitted to inhabit the earth. Truly as of Enoch of old, "he walked with God; and he was not; for God took him." . . . "For before he was translated, he had this testimony, that he pleased God." On Friday, June 10th, at 2:30 p. m., the gentle spirit of this man of God was released from a tired and struggling body, enfolded in the arms of a loving son and daughter, while the devoted wife lay prostrate, and helpless hands of family and friends surrendered to the will of God.

On January 5th, Brother Barr suffered a heart attack and for some weeks was quite ill. After convincing him that he must have a vacation, Dr. Homer Thompson, presiding elder of the Jacksonville District, and his official board, persuaded him to take a few weeks off, and he visited his sister at Bristol and his daughter at Quincy. Coming back, rested and having gained in weight, he threw himself into full swing, preparing for his Aldersgate Revival to begin April 3rd. But March 20th proved to be his last day in the pulpit. Since that day he was confined to his parsonage home and almost entirely to his bed. During his delirium he would lecture on John Wesley and preach sermons on the "Warm Heart" and quote Scripture at length. The Revival had to be canceled, and it proved that his sickness was so serious that this action was best, though Brother Barr greatly desired that it should continue as planned.

As Conference approached, there were signs of improvement, and he was able to dress and lounge and even sit for some hours. He looked so good as we visited him, and always called for prayer. But on Monday, May 30th, in the late afternoon he was stricken with an attack which was so severe the end seemed almost certain. But though he rallied, he never gained back what he lost.

As Conference convened, he said to his family, "They are calling my name and I cannot answer," and that seemed to hurt him so much. However, for the first time in our history the roll was not called audibly, slips being passed for record. Then Friday morning he said with heavy heart, "Now they are placing me on the superannuate list," but before he was acted upon God called him to the Great United Conference in Heaven and he could answer for himself.

The funeral services were conducted by Dr. Homer Thompson, assisted by Rev. D. D. Dieffenwierth, in his own Main Street Church, on Sunday, June 12th, at 4 p. m., amid his loving members and hosts of friends from far and near, and the body was laid to rest in West Evergreen cemetery in Jacksonville, with Masonic rites.

The doctor said that Brother Barr died of a tired heart. Surely that heart had borne the burdens of many, had shared the sorrows of the multitudes, and had taken the cares of countless numbers.

In most touching and meaningful words, Dr. Thompson spoke as I have never heard him: "In the going of this man of God there is a minimum of tragedy and a maximum of glory," he said. And again, "Brother Barr was a holy man; I doubt if he ever committed a sin since he was converted." All who knew Brother Barr testify alike. Surely a Prince in Israel has fallen. Loyal, devoted, true, unselfish, courageous, tender, thoughtful, grateful, kind, sacrificial, he moved among men as no ordinary traveler, a man of gravity and destiny.

There was radiant light all along his way. His devotion to his family

was beautiful beyond description, and this is reflected with splendor in all his pastorates. A great pastor, a strong preacher, a careful organizer, a brother beloved. Brother Barr so often said, "I want to die in the harness," and he did.

"Servant of God, well done!
Rest from thy loved employ;
The battle fought, the victory won,
Enter thy Master's joy.

"Soldier of Christ, well done!
Praise by thy new employ;
And while eternal ages run,
Rest in thy Saviour's joy."

D. D. Dieffenwierth.

HENRY WARD BEECHER BOYD

Henry B. Boyd was born at Fort Meade, Florida, June 20th, 1874. While a small boy, his family moved to Manatee County, near the town of Myakka City, known in those past days as Myakka.

He attended the schools that were maintained in those past days, which were far below those of our day. His education was, therefore, quite limited. He was converted and united with the Methodist Church, South, early in life. He was married to Miss Callie Hancock in 1897. This union was blessed with one son, Horace, who is serving as supply pastor in our Conference. He was called to the ministry and responded, serving as a supply pastor for a number of years. His first wife did not long walk the path of life with him. He was married to Miss Susie Albritton in 1907. Several children remain to revere his memory. He served as supply for a number of years; was admitted into the ministry on trial in 1921; was ordained Deacon in 1924 and Elder in 1928. His last appointment was Greensboro Circuit, in Gadsden County, Florida.

Henry Boyd was a true man of God. He had a definite Christian experience. He preached the gospel of Christ with power and demonstration of the Spirit, and many were converted under his faithful ministry. The Church was always built up wherever he served. Ever a faithful, devoted servant of the Church and a true witness to Jesus and His power to save.

He passed to his reward on November 15th, 1937, from the room of the hospital at Bainbridge, Georgia, to which he had been taken. He leaves an influence among us that we will not forget through the years. In the cemetery of his home church, surrounded by a number of his brethren in the ministry and a host of friends and loved ones, we tenderly laid Henry away to await the first call of the glorious resurrection morn.

"Servant of God, Well Done"

ANSELL HARRY HANCOCK

Ansell Harry Hancock was born in Thomas County, Georgia, near Thomasville, on November 12th, 1887. He received his early education in the elementary and secondary schools of his county-seat. Born of a sturdy Scotch-Irish line, nurtured in the fine spiritual atmosphere of the First Methodist Church of Thomasville, he was genuinely converted, heeded an irresistible call to the ministry, and licensed to preach the gospel of Jesus Christ in the church of his youth in the twentieth year of his life.

His formal education was continued in Young Harris College, Young Harris, Georgia, where he was recognized by his fellow students for his stability, purity of life, and friendliness. It was at Meridian College, Meridian, Mississippi, that he studied theology, and built the foundation for his con-

structive ministry. He continued his studies through the years and was a faithful and effective preacher of the Word.

The entire ministerial life of this good man¹ was given to Christ in the service of the Florida Annual Conference. Beginning as a supply on the Hosford charge, in the Tallahassee District, in July, 1914, he entered the Conference, on trial, in 1916, and gave more than twenty years of fruitful service to his Church, finally falling on sleep on February 23rd, 1938, after a brief and painful illness.

On March 10th, 1915, he was married to Clara Mary Martin, of Sumter, S. C., who proved to be a faithful wife, devoted mother, and gifted companion in Christian work. To this union three children were born, Ansell Harry, Sarah Frances, and Joseph Elmo; all survive to share the sorrow of their mother.

The following charges were served by this faithful pastor: Hosford, 1914-17; Aucilla, 1917-21; Mayo, 1921-22; Chattahoochee, 1922-27; Green Cove Springs, 1927-28; Bunnell, 1928-29; Avon Park, 1929-33; and Clermont, 1933-38. The two five-year pastorates—at Chattahoochee and Clermont—speak eloquently of the esteem in which he was held by those to whom he ministered, as did the great crowd at his funeral in Clermont on February 25th, when hundreds of friends—Jews and Gentiles, Catholics and Protestants, colored and white—crowded the church and stood uncovered about the grounds, in silent tribute to the memory of the man they loved. Few men have held the affection of their constituents as did this consecrated man of God.

Among the notable achievements of Brother Hancock are: the building of the church at Sumatra, the purchase of the parsonage at Hosford, and the liquidation of the debts on two other churches on the Hosford charge; the building of commodious parsonages at Chattahoochee and Avon Park; the reduction of the debt on the parsonage at Clermont; and the beautification of property wherever he labored; but the outstanding accomplishment of this minister was the building of a character that radiated the light of godly instruction, and the warmth of Christian love, and left permanent construction in Kingdom building throughout the land.

Brother Hancock was a good preacher, a splendid administrative leader, and an effective teacher, but he was primarily a pastor. He was a great pastor. The living embodiment of unselfishness, he moved as if driven by a pleasing divine compulsion to the side of those in need of comfort, companionship, counsel, and encouragement. He, like One of old, "went about doing good"; he was a "smoother of the way"; and countless numbers felt the warmth of his love, and the strength of his friendly hand.

In the passing of A. H. Hancock, his wife lost a noble husband, his children a godly father, his brethren a brother beloved, and humanity a true friend. But we know it is just for a season, for we who believe in immortality feel that such a life is both real and permanent, and we expect to be with him again.

JOHN PRESLEY HILBURN

The Reverend John Presley Hilburn, D.D., was born at Gainesville, Arkansas, June 26, 1858, and died at Tampa, Florida, August 7, 1937. His life measured a little more than seventy-nine years, making a well-rounded career, full of action and full of honors. The fifty-nine years of his ministry as a Methodist preacher were filled with noble service to his fellow-men, and left the permanent impress of his brave and righteous spirit. His father, the Rev. A. S. Hilburn, was a prominent minister in Arkansas, and his mother, Mrs. Emily F. Hilburn, was a woman of deep piety and of marked intellectual gifts. His parents and grandparents were all natives of North Carolina. Both his father and his paternal grandfather were

Methodist preachers, and two of his brothers followed the same holy calling.

Under the guidance of his Christian home it was not strange that he should early enter into a definite experience of religion. At the age of thirteen years he joined the church, and his soul was blessed with an overflowing sense of joy and assurance. When he was twenty years of age, he was licensed to preach, and two years later, Dec. 4, 1880, he was admitted on trial into the White River conference. His first appointment was made by Bishop Pierce to the Jonesboro circuit, where he served two years. In December, 1883, he was transferred to the St. Louis conference, remaining there till June, 1886. For health reasons he was then transferred to the Denver conference, and stationed at Socoro, New Mexico. He tarried in the southwest till December, 1890, when he came by transfer to the Florida conference, and spent the rest of his life in this state.

He served Micanopy circuit, 1891-2; Palatka station, 1893-4; Ocala, 1895-8; Tampa district, 1899-1902. In 1903, he was the college agent, and secured funds to erect the administration building at Sutherland. For 1904, he was presiding elder on the Gainesville district, and on the Jacksonville district, 1905-6, going to Bartow station in 1907. In June of that year he was elected president of our college, where he remained for five years. He was elder of the Tallahassee district, 1913-15; Fort Myers station, 1916-17; Sanford, 1918; Orlando district, 1919-22; Bartow station, 1923-24; Tampa district, 1925-28; and Jacksonville district from June, 1928, to June, 1929. At the conference in Miami, June, 1929, he was superannuated, which relation he held till God translated him to the home in heaven. Thus he served two years as local preacher, twenty-four years in the pastorate, seven times appointed to district work, giving nineteen years to this important ministry, six years devoted to college work, and eight years on the honor roll of retirement, making a total of fifty-nine years of sacred ministry in the church.

Under his leadership as elder, Hyde Park and Tampa Heights churches in Tampa, Springfield and Hendrix Memorial in Jacksonville, Moore Haven, Lake Placid, Avon Park, Pahokee, and other churches around Lake Okeechobee were founded. He was the prime mover in establishment of our college at Sutherland, for over thirty years was a trustee of that institution, and for a number of years he was a trustee of Emory College. Six times he was sent as a delegate to the General Conference.

He was married to Miss Ella C. Peace of Salem, Missouri, on June 11, 1890, and they lived together in deep devotion for forty-seven years. She preceded him to the glory world by less than a month. She was a handsome and gracious woman, endowed with poetic and spiritual qualities of a high type. Their only child, Col. Oscar Hilburn, is a resident of Tampa, a Christian lawyer, and an honorable citizen.

Dr. Hilburn was a man of deep and tender sensibilities, full of courtesy and good spirit, and was never failing in loyal attachment to his friends. He loved a good joke and could tell a humorous story to perfection, but his mind was too clean and his love of purity too high ever to indulge in a smutty yarn. He was a great preacher, profound and logical in thought, and at times with a heart overflowing with tender emotion. Among his brethren he took first rank as a church statesman, and was a leader in all the larger programs of conference work. He was so steadfast, so full of courage, and so certain to be on the right side in every issue, that we gladly followed him. I knew him and loved him for more than forty years. The first year I was out of college he came and spent two weeks helping me in a revival meeting, and we roomed together in intimate association. He was charming in personal fellowship, high in the tone of his thinking, and his devotion to Christ the Redeemer was like a glowing flame of holy love. Through all these years he honored me with his friendship, and I count it one of the rich possessions of my life to have been close to his noble and great heart. During the two years of my eldership on the Tampa

district he was president of the college at Sutherland, and our association was intimate and mutually helpful. I was with him at times when his heart was tested, but he always did the noble and big thing. Several years ago he gave me a typewritten history of his life and ministry, requesting that I keep it sacredly and for me to write his memoir. This paper is my humble effort to honor a noble friend, whom I loved and trusted through all the sweet years, till God's chariot took him to the supernal home.

A prominent minister said of him: "He was a man among men. He did not have to take a back seat. No one thought of him as being a weak man. How fair he was, how clear in his thinking, he was a wonderful debater, a great church lawyer." One of our bishops called him "the greatest executive in the Florida conference, if not in Southern Methodism." In the language of Holy Writ, "A prince and a great man has fallen in Israel." Strong, tender, fearless, full of hope, a man of fervent piety, and a minister eager to win souls for Christ, he has passed into the mysteries. We honor and acclaim your memory, dear Dr. Hilburn, in the name of our divine Lord, whose servant you were, and whom you adored in a lifelong consuming passion.

Joseph F. Bell.

HOLMES LOGAN

When Brother Holmes Logan went to his home in heaven, he left a host of friends to mourn his departure. Born in Ireland, he had the native humor of that isle, along with a genial, loving nature, but withal strong in his convictions and ready to stand up for them under any circumstances. He was a loyal friend and many were the favors he showed his friends in an unobtrusive manner. A great lover of music and a proficient performer on many instruments, he was very happy when he could organize a boy's band or junior choir in his churches.

Perhaps some of the best work of his life was at the Orphanage at Benson Springs teaching the boys the printer's trade and music. Brother Logan was a resourceful pastor, a good preacher, diligent student, and an able teacher with the blackboard lessons.

During the last few months of his life he was afflicted as the result of an automobile accident, as he and his wife were on their way to their appointment at Pinecastle. Both were seriously injured yet when convalescing on their new charge they were so cheerful and grateful for their escape from death it was an inspiration to visit them, an experience not to be forgotten. So the clouds of trouble made the sunset death of his life even more radiant and beautiful.

Holmes Logan was born in Ballymena, Ireland, September 16th, 1868. Went to Australia as a missionary in 1891. Was there 12 years. Was in the Salvation Army 21 years; 5 years in Canada, where he worked with the Ojibbeway tribe of Indians. He joined the Methodist Church and served 4 years in the ministry there. Came to the United States in 1903 and spent 8 years more in Salvation Army work. United with the Southern Methodist Church in 1911, joining the Florida Conference.

His first marriage was in Australia to Edith Annie Storey, March 7th, 1894. His second marriage took place in Belfast, Ireland, to Winifred Annie Storey on July 10th, 1934. Two children survive him, Mrs. C. I. Lambert, of Miami, and Harry H. Logan, of Albany, Georgia.

His appointments in Florida include: Tarpon Springs, Lake Butler, Middleburg Circuit, Hinson, Miakka Circuit, Myrtle Street (Lakeland), Moore Haven, Apopka, Fulford-Ojus, Highland Park (Miami), Ley Memorial (Key West), editor of the "Orphan's Friend" at Benson Springs 3 years, Moore Haven (2nd time), and Pinecastle.

After a few days of illness, Brother Logan on Sept. 24, 1937, passed from earth to heaven from Orange General Hospital in Orlando, Florida.

ALLAN MACFARLAN

On the morning of April 6th this year, 1938, Rev. Allan Macfarlan passed from the walks of men. He had been in poor health for some time when he took to his bed a short while before his going. For this reason he welcomed the experience we call Death. In possession of his keen mental powers at intervals to the end, he recognized his friends and loved ones and when the children were gathered at his bedside, he insisted his time had come and that he was ready to go.

Brother Macfarlan left at least two enviable records. One of them was his service to the Kingdom of God. That service covered 44 years, with some variations and was rendered in three different states. He probably never served a charge that paid more than \$1,200.00 per year—most of them less. A roll call of appointments reveals the nature of his fields of labor. The record is as follows: Missouri—Charleston Circuit, Bismark Circuit, Point Pleasant Circuit and Popular Bluff Station. South Carolina, his native state—Lexington Circuit, Santuck Circuit, Jefferson Circuit, Tradesville Circuit, McCall Circuit, Bennettsville Circuit, Waccamaw Circuit, North Mullins Circuit, Branchville Circuit and Waverly Street Church, Columbia, S. C. Florida—Hawthorne, Webster, South Jacksonville, Ovieda, Homeland and Inverness.

Brother Macfarlan brought to his work everywhere much more than usual ability. He was endowed with tireless energy, genial personality, fine sense of humor, unusually good mind and rugged character. In some of these qualities we have never known his superior. He also was genuinely religious. He served in other ways, but his chief contribution was in the pastorate.

Then there was his remarkable family. Like so many Methodist preachers he had the good fortune to marry a superior woman. At his third appointment in Missouri, Point Pleasant, he met Patricia Elizabeth Howard. She became his devoted wife and journeyed with him almost 50 years—to the end for him. They reared a family that some of us regard as among the most remarkable we've known. There are seven sons and a daughter, Robert G., J. Howard, J. Hunter, John G., Allan, Jr., Francis H., Nolan H., and Janet, now Mrs. David Black. All of these children are equipped for life and are successful as high standing citizens in Florida, Georgia, Ohio and Texas.

It was a benediction to know Brother Allan Macfarlan, as it is a blessing to know his excellent family. Truly, he, his work and home were and are monuments of the grace of God in Christ Jesus and we bless God for his memory.

FRED PIXTON

Rev. Fred Pixton was born in Liverpool, England, April 13, 1860. His father was English and his mother was Scotch. His mother died when Fred was only three years of age. His father, after some ten years, married again. The family, consisting of father, stepmother, and three sons, moved to Canada, leaving Liverpool April 16, 1874, and settled in Muskoka, Ontario. Fred was converted in a Methodist meeting at Muskoka when 16 years old and joined the Presbyterian Church, to which his parents belonged. In 1877, the family moved to Arkansas and settled in the southern part of Franklin County, some thirty miles east of Fort Smith. He says of himself that, "I was not very religious while in Arkansas, though I was moral. I never smoked, cursed, or drank and lived a clean life." In October, 1881, with a team of horses and a covered wagon, the family left Arkansas for Florida, arriving in Ft. Dade, Hernando County (now Pasco County), in January, 1882. He attended Sunday School at Enterprise Church, Ft. Dade Circuit; taught a class of boys in the Church School and

was general superintendent one year. In the fall of 1883, he joined the Methodist Episcopal Church, South; Rev. G. W. Mitchell was the pastor.

He was married to Miss Hortense Lee on November 6, 1884. He was licensed to preach April, 1885; was admitted on trial into the Florida Annual Conference at Orlando, January, 1886; was ordained a deacon at Leesburg, December 18, 1887, by Bishop Key; and was ordained an elder at Gainesville, January, 1890, by Bishop Keener. Brother Pixton served actively in the Florida Conference for forty-seven years. He served the following charges in the Florida Conference: Hernando Mission, Panasoffkee, Sumpterville, Jasper Circuit, Starke, Lakeland and Plant City, Leesburg, Lake City, Alachua, Sanford, Fort Meade, Homeland, Fort Myers, Dade City, Gary, Oak Park, St. Mathews, Jacksonville, Mulberry, Myrtle Street, Lakeland, and Apopka. At the Jacksonville Conference, December, 1932, Bishop John M. Moore, presiding, he requested voluntarily a superannuate relation, which was granted. The two reasons given for the request for superannuation were his increasing deafness and his age, which was 72 at that time.

While in Liverpool, England, he attended a private school from the time he was school age until he left England. That broke up his school life, and he never attended school again, but he was a student all the days of his life. He studied his Bible and was a master at preaching and interpreting the Scriptures.

On the night of July 14, 1937, in Tampa, the spirit of our good friend and brother slipped away from us and returned to God, who gave it. On Saturday p. m., July 17, in the Nebraska Avenue Methodist Church, where he had worshiped since his superannuation, amidst a church filled with sorrowing friends and beautiful floral offerings, the funeral services were held. Those having charge of the service were: Rev. M. H. Norton, G. W. Hutchinson, and W. J. Carpenter. Many others paid tribute to the splendid work and genial spirit of this good man. After the service, his body was taken to Dade City and, as the shades of evening gathered, was laid to rest beside the sleeping bodies of his father and stepmother.

He leaves to mourn his going: his wife, Mrs. Hortense Pixton, of Tampa, Florida; two daughters—Mrs. W. E. Arthur, Bradenton; Mrs. George Hayman, Tampa; and five sons—J. F. Pixton, Little Rock, Ark.; Marvin F. Pixton, Atlanta, Ga.; John E. Pixton, Washington, D. C.; William G. Pixton, Nashville, Tenn.; and Clark E. Pixton, Tampa. This fine family that Brother Pixton leaves is a high tribute to the life and character of any man.

Truly a "Prince in Israel" has gone from us. His presence will be missed among us. This ends the earthly life but not the influence of this godly man. The supreme desire of our hearts should be that the life of faith, of consecration, and of unswerving devotion to right living which so characterized his life might be possessed by those of us who are left behind to carry on the work he so courageously fought for while he was among us.

M. H. Norton.

ENOCH MARVIN ROOKS

The Reverend Enoch Marvin Rooks, son of John James and Adaline Rooks, was born in Chipley, Florida, June 26, 1877, and died at Bonifay, Florida, May 17, 1938.

He was reared in a Christian home and early in his childhood was converted and joined the Methodist Episcopal Church, South. He never "sowed any wild oats," but was ever after his conversion a consistent Christian. He received his early training in the public school at Chipley, Florida. Then feeling called of God to enter the ministry, he went to college, taking his four years at Southern University, Greensboro, Ala., now Birmingham Southern.

His father died when he was but four years of age. His mother died when he was twenty. He lived with his mother and two sisters. He felt that he must stay with his mother and sisters and care for them until his mother passed to her heavenly reward and his sisters were married.

Before he left for college, he fell in love with a young lady. Miss Dixie Beatrice Williams. This fine young woman agreed to wait until her sweetheart could finish his college course before they were married. She urged him to study for the ministry before they were married. Then on Dec. 16, 1908, he was happily married to Dixie Beatrice Williams. To that happy union were born four children; Enoch Murrah, John James, Marvin William and Rebecca Beatrice Rooks.

Enoch Murrah Rooks, age 27, now lives in Alachua, Fla. John James, age 24, called of God to the ministry, has taken his A. B. degree at Birmingham Southern, and is now finishing his last year at Duke University, Durham, N. C.

Marvin Williams, age 21, is preparing himself as a teacher, Rebecca B., age 13, is with her mother going through the public schools. The brothers have agreed to see her through her college life. These children are a credit to their parents.

Bro. Rooks joined the Alabama Conference in the fall of 1907. He was ordained a deacon in 1909, then ordained an elder in 1911. He served in the Alabama Conference for seventeen years. He was transferred to the Florida Conference in 1924 and served fourteen years in this conference. At Starke, 1 year; Alachua, 2 years; Stuart, 3 years; Ortega, 3 years; Green Cove Springs, 3 years; and Edgewood, Tampa, 2 years.

On the evening of May 17, while visiting relatives at Bonifay, Fla., his heart suddenly stopped and he slipped from us to his eternal reward. On May 19 at 3 p. m., at the church in Alachua the funeral services were held. The church was filled with ministers and friends to pay a last tribute to this faithful servant of God. Dr. M. H. Norton had charge of the service and was assisted by Dr. W. A. Myres, presiding elder of the Gainesville District; J. L. Hunter, D. W. Ferrell, of Tampa; and A. G. Cox, pastor of our church at Alachua.

The body of Bro. Rooks was laid to rest in the old historic cemetery at Alachua, amid beautiful floral offerings which had been placed there by loving and sorrowing friends.

Our beloved brother was ideal in all the relations of life. As a son, he was obedient, loving and at all times considerate of the happiness of his mother and sisters. As a husband and father, he was worthy of all praise. His sorrowing wife, who now rejoices that she has always been in sympathy with all his work, says: "He was always a most lovable and enjoyable companion, so true, so tender and thoughtful of me as a most devoted husband."

Bro. Rooks was a princely man in Heavenly Kingdom. By his domestic fidelity, his clean living, his arduous labors, his devotion to his highest ideals and his pre-eminent usefulness he endeared himself to his brethren and now by our love for him we are resolved that his memory shall never perish among us.

M. H. Norton.

J. B. ROONEY

It was about the year 1910 that I discovered J. B. Rooney. Well, one had to discover him. He never advertised himself. I was at First Church, Lakeland. Brother Rooney was out among the miners of Polk County. I am sure he never thought of saying anything about being out there. I am equally sure he never even thought of it.

But, out of some occasion, I invited him to come and preach for my people on a Sabbath morning. He came. And he preached. His text,

"Enter thou into the joy of thy Lord." I can tell, now, what he said, and the manner of his saying it.

One word might, measurably, sum up this strange, mighty man—he was molded in a big mold! Or, there was absolutely nothing little about him. He didn't know the how of being little. That, for the man, himself.

Then, I question that he ever had to learn how to preach. Oh yes, he was a student. Surely he was. But he was "a born preacher." And, being a "born preacher," he did not stop at merely being "born." He grew. He was one of the great preachers I ever knew.

Still, most of all, best of all, J. B. Rooney, had always the salt of a genuine, unpretentious, savory goodness about him. I loved him and we assuredly count on seeing him again in the father's house.

GEORGE W. ROSENBERY

George W. Rosenberry was born in Newton, Pennsylvania, September 14th, 1873, and went away on January 2nd, 1938. He was the son of James and Eleanor Rosenberry. Early in his life he was converted and joined the Methodist Episcopal Church. During his young manhood, he attended Dickenson Seminary, located at Williamsport, Pennsylvania, and then matriculated at Syracuse University, where he completed the full four years of the prescribed classical course in three years of study, graduating Magna Cum Laude. As further recognition of his excellence in scholarship, he was elected to membership in the Syracuse chapter of Phi Beta Kappa. In addition to his earned college degrees, he was twice awarded honorary Doctor's Degrees.

During his undergraduate study, he served mission charges near the city of Syracuse, New York, and upon graduation was received on trial into the Central New York Conference. The following appointments were served by him in this Conference: DeRuyter, two years and Nelson one year. In the meantime he married a Deaconess of the Conference who served with him as a devoted wife and faithful mother, as well as a constant helper, to the close of his ministry.

Besides the mother and wife, Mrs. Esther L. Rosenberry, he is survived by two sons, Delmar Rosenberry, of Nashville, Tennessee, and George Rosenberry, of Swedesboro, New Jersey.

Near the turn of the century, this man of pioneering spirit and indomitable will answered the call to "go west, young man," so he transferred to the Dakota Conference and was stationed at Yankton for seven years and Huron for three years. After these two pastorates, he served for six years as Presiding Elder of the Sioux Fall District in South Dakota. Because of the extreme climate and the failing health of his companion, he was granted a sabbatical year and came to Lee County, Florida. Not content to be inactive, he soon found a place of service with our pastors in Fort Myers, LaBelle and Alva.

After a year or two he joined the Florida Conference and was sent to Punta Gorda and from there to College Heights, Lakeland, where there was a small mission congregation, meeting in a little room. Here he stayed four years, overcoming almost insurmountable difficulties. He erected both the lovely parsonage and magnificent church building which stand today as a crowning monument to his superb building abilities. Following this pastorate, he went to Tampa Heights and erected there a magnificent educational building. After serving four years in Tampa, he was assigned to Palatka and then to Ocala. He was for four years on the Bradenton District. At the session of our Conference at St. Petersburg last June, he was appointed to the Springfield Church in Jacksonville, where he had started his work with the same sort of enthusiasm only to be stricken during the Christmas holidays, and after a brief illness passed to his re-

ward just before the Sunday School hour on Sunday morning, January 2nd, 1938.

No man has served among us more loyally, more unselfishly, more devotedly, and more constructively, than did this good man. His genial, hopeful, helpful attitude and fine spirit was a benediction to all who knew him and especially to those who sat under his ministry. There was never an uncertain sound of the trumpet in his ministry, no thought of retreat anywhere along the line, no idea of surrender to the forces of evil and certainly no selfish ambition gnawing at his soul. The memory of his life and his ministry shall ever rest upon our Conference as a sweet aroma.

The funeral service was conducted from the Springfield Church on Wednesday afternoon, January 5th, 1938, Dr. Homer Thompson, Presiding Elder of the Jacksonville District in charge. The preachers of the District served as pallbearers. His body rests in the Edgewood Cemetery near Jacksonville, but his noble spirit continues to bless the world.

MRS. HELEN EUBANK CRANDELL

Mrs. Helen Eubank Crandell passed into the spirit world from her home in Kentucky, July, 1937. She was married to the Rev. John S. Crandell on Sept. 15, 1881, and for over twenty-five years served with him as his devoted companion in ministerial labors. They gave sixteen years of service in the Louisville Conference, one or two years in the St. Louis Conference, and about eight years in the Florida Conference. Brother Crandell died at Cedar Key, Jan. 1, 1908, leaving his wife and two sons to mourn his passing.

For a number of years, Mrs. Crandell lived in Jacksonville, and was a member of the Springfield church. I was her pastor there for three years, and found her a humble, pious, and industrious member of the community. With her needle, she helped to solve the problem of getting along. I esteemed her one of God's faithful servants. She died among her people in her native state of Kentucky. While no record is at hand as to her closing days, this writer feels sure that she has entered the home of the redeemed saints in Heaven.

MRS. AMELIA FUNK

Amelia King Funk was born in Plymouth Township, Richland County, Ohio, December 16, 1865, and died in Florida Sanitarium, Orlando, Florida, February 14, 1938. She was a daughter of George W. and Amanda King. She married W. H. Funk, June 10, 1908. Her education was received at Ohio Northern University, Athens, Ohio, and Wooster College, Wooster, Ohio. She taught in Richland County, Ohio, schools in her early teachings and later taught in Berea, Ohio, and then in the Mansfield, Ohio, city schools. When Mr. Funk and she married, they moved to Florida, where they both taught in the Southern College until Mr. Funk entered the ministry in Florida.

Mrs. Funk was converted and joined church at the McKendree Methodist Church in Plymouth Township. This church has since been abandoned and moved away. She later transferred her church affiliations to the First Methodist Church at Mansfield, Ohio.

In the last year and a half of her life she was afflicted and spent some time in the Florida Sanitarium at Orlando, Florida, coming back to Ohio for a few months and then returned to Florida until her death.

R. K. Clark.

MRS. J. P. HILBURN

It cannot be other than the keenest pleasure to speak or write of the virtues of good and faithful people.

And so I speak deliberately of that faithful consort of the Rev. J. P.

Hilburn, who, himself, could linger but a little longer after she went away. It was my pleasure and profit to live, a time, in their home. I had, therefore, that sort of intimate opportunity to appraise her character and manner of life.

Two traits or, I might say, constant mental attitudes, marked her womanly way of living:

First, she was ambitious for the success of her husband and was clear-cut in her notions as to how that success was to be scored. From that angle her life was merged into his.

Second, being an ardent home-lover and, as Paul Says, a "keeper at home," her house-management or house-keeping was as nearly immaculate as one would see in the journey of a lifetime.

To find, therefore, any just estimate at the bottom of the page of her life's record—in her habits, in her moral, social and spiritual contacts, Sister Hilburn was always to be found on the right side. Resquiescat in peace forever.

W. K. Piner.

MRS. L. W. MOORE

The passing of Mrs. Levi Wesley Moore takes from us the widow of one of our best loved pastors. She was born Ella Eugenia Ferrand, daughter of Mr. and Mrs. Stephen White Ferrand on the 31st day of October in the year 1865, in Jacksonville, Florida. She was married to Levi Wesley Moore in St. Augustine, Florida, May 2nd, 1883. She shared the joys and sorrows of her fine husband till Dr. Moore was called to his reward in 1925, closing forty-five years as a faithful and loved member of the Florida Conference of the M. E. Church, South. Thus we count forty-two years as a faithful preacher's wife. The writer recalls her fine devotion to Dr. Moore in his last days and her loyalty to his memory. And now after thirteen years of widowhood on Friday morning, February 25th, 1938, at the home of her daughter, Mrs. F. E. Weihe, Leesburg, Florida, this good woman fell on sleep.

She leaves to mourn their loss: Charles F. Moore, Jacksonville, Fla.; Mrs. Eula Mae Durrand, Leesburg, Fla.; Mrs. Effie Leigh Weihe, Leesburg, Fla.; Walter L. Moore, Miami, Fla.; Albert F. Moore, New York; Mrs. Lollie Pearl Reid, wife of Rev. J. B. Reid, Lakeland, Fla. Two children are dead—a daughter who died in infancy and Wilbur Eugene Moore, a son, who gave his life in France in the World War. The Gold Star on his mother's breast told of her love for him.

On Sunday afternoon, February 27th, 1938, in the beautiful Morrison Memorial Methodist Church in Leesburg, we said goodbye to her. The choir sang, "It Is Well With My Soul." Her pastor, Rev. John G. Stradley, read the lesson. Dr. L. M. Broyles, of Ocala, led in prayer. Dr. W. A. Myres, presiding elder, spoke. Dr. and Mrs. Moore were his first friends in Florida. This friendship had extended over some thirty-seven years. The floral tributes were beautiful. The church was filled with friends who had known and loved this good woman.

As the sun dropped westward, we laid her to rest in Lone Oak Cemetery, Leesburg, Florida, a blanket of flowers to cover her, the stars and God to keep watch, and loving hearts to keep her memory green.

Some lines, written by Dr. Moore, will close fittingly this tribute:

"He knoweth best: thus all alone

I'll let Him choose for me.

With Him to lead, I will not fear

Though dark the way may be.

So peace shall come into my breast

The while I sing, 'He knoweth best.' "

W. A. Myres.

MRS. FANNIE RANKIN THROWER

Mrs. Fannie Rankin Thrower was born, August 17th, 1870, in Maine. She died, November 18th, 1937, at the age of 67. She had lived in Ft. Myers ever since her husband, Dr. O. A. Thrower, was sent to the First Methodist Church as its pastor some 15 years ago.

She was married to Dr. Thrower about 25 years ago. From the statements that she often made to me about him, it seems that their married life was, as she would state it, if she were here to speak, ideal. She always spoke so sweetly of his memory. She longed to be reunited to him.

Sister Thrower came to Florida with her mother while yet a young lady. Before her marriage, she lived in Jacksonville, where she was active in the work of the church, mainly as a teacher in the church school. She spoke often of the class of boys which she taught, and of the achievements her students have made in life since they were in her class.

Truly she was a mother in Israel. It was always a pleasure to visit with her. I always left her home feeling refreshed in my soul after a chat with her. Of all the members that have passed away this year, I have missed her the most.

She became a member of the Grand Ave. Church in April of 1936. She was always faithful to her church in all things. When she was physically able, she was always found in her favorite seat in the church a long while before time for services to begin. I called on her often to pray, because it seemed that heaven and earth met when she prayed. The last place she went to before becoming confined to her room was a night service at the Grand Ave. Church.

She loved the ministers and their wives. She often spoke of her life as a minister's wife and the joy that it was to fill that honored place. Although each one was dear to her, she seemed to have a very high regard for Dr. Smith Hardin, who was a lifelong friend of her husband.

Sister Thrower was loved by all who knew her. She was always kind and sweet. She was of the type that kept her clouds within herself, letting her sunshine bless all who came in contact with her. Although she suffered severe pain the last few weeks of her life, her visitors knew nothing of it except by asking direct questions.

At the dawn of day, on November 18th, 1937, while the most of us were making our preparations for the daily tasks in this world, the Heavenly Father looked down from His throne in the sky, and said it is enough, she has toiled enough, she has fought a good fight, she has finished her course, she has kept the faith, it is time for her to receive her crown; she quietly slipped away to join her husband, and others she had longed to see again for so long a time.

The next day at the Lawrence A. Powell Home, services were conducted for her by Dr. Smith Hardin, presiding elder of the Bradenton District, her pastor, Rev. Robert H. Carr, and R. A. Guy, the pastor of the First Methodist Church.

Her body was cremated and her ashes placed in the grave of her mother.

Robert H. Carr.

REPORT OF BOARD OF FINANCE

Dear Fathers and Brethren:

You will hear, with sympathetic attention, this all but unprecedented record of death amongst our preachers during the past year. It carries the names of J. P. Hilburn, Fred Pixton, H. B. Boyd, A. H. Hancock, Holmes Logan, J. B. Rooney, G. W. Rosenberry, Allen MacFarlan, E. M. Rooks and T. L. Z. Barr.

And the following wives of preachers have died: Mesdames J. P. Hilburn, Helen D. Crandell, L. W. Moore, O. A. Thrower, and W. H. Funk.

Only twice before has your Board been enabled to make so good a record as during the year now come to its close. We have paid dollar for dollar and month by month, every superannuate, widow and orphan who looked to us for financial assistance. It is true that for April we were able, at the ordinarily due date to pay only 50%, but soon thereafter the other 50% was mailed to every claimant.

We feel this was due to two distinct facts: First, the plan used for collecting the money as a separate item; and, Second, your Board has striven to keep our expense item at the very lowest point consistent with a safe and business-like manner of conducting the business.

The loyalty and sympathetic cooperation of our people must never be overlooked or forgotten.

The church repeatedly calls to mind the passing of Luther E. Todd, than whom the church never had a more accurate or efficient servant. Dr. Todd never failed to cross a "t" or dot an "i" when handling the sacred funds committed to his hands.

A faithful and painstaking man, the Rev. C. W. Tadlock, takes his place.

We mourn, with you, the death of that rare man and trustworthy servant of the church, our Conference Treasurer, H. L. Phifer. We would pronounce his very name with reverence.

Since reaching the seat of the conference, we have received checks as follows:

From our Parent Board, St. Louis.....	\$3,408.98
From our Publishing House, Nashville.....	\$3,169.96

We presume the apportionments to all claimants will be made for the incoming year upon the same basis as that used in former years.

We present for your acceptance and approval two requests: First, that the levy for our superannuates be made as a separate item; and, Second, that the Commission on Budget apportion to this Board for our Superannuates, the sum of \$28,000.00.

Signed,

W. K. PINER, Chairman.

REPORT NO. 1 BOARD OF MISSIONS

Your Conference Board of Missions brings a heartening report from the 68 faithful missionaries and their no less consecrated families, who for the past year have gone out to labor in the hard places under the direction of our conference with assistance from your board. The stories of their labors which they bring constitute another heroic chapter in the Book of Acts, no less worthy of praise than that which is recorded of the early church. Incomplete reports show that these missionary pastors have received more than 650 into the membership of our church by profession of faith during the year.

Your Board of Missions recommends the appointment of John W. Branscomb as Conference Missionary Secretary.

In keeping with the requirements of the recent general conference that a Commission on Evangelism shall be set up in each annual conference, we nominate the appointment of the following persons: Clerical—H. W. Blackburn, J. W. Hamilton, George Foster, R. A. Guy; Lay—L. P. McCord, Mrs. T. V. Moore, and A. K. Hawkins.

For membership on the Commission on Rural work we recommend Rev. Charles H. Voss, Mrs. J. M. Smith, of Quincy, and John Branscomb, who will serve ex officio.

We wish to commend the effective work of our conference evangelists, Rev. P. J. Pappas, Rev. W. H. McLeod, Rev. Henry Ezell, and Rev. John M. Watts., and we recommend their approval for another year.

We also wish to commend Rev. John E. Ellis for the efficient manner in which he has handled the Golden Cross Fund as its secretary, and we recommend his reappointment. A number of our folk have been greatly blessed this year through the aid of this fund.

It is with joy that we report that the Hughlett Special which has captured the imagination of hundreds of our people has been paid in full for the year and we commend it to your prayerful consideration during the coming year.

Respectfully submitted,
A. FRED TURNER, Chm.

REPORT NO. 3—BOARD OF MISSIONS

MINISTERIAL SUPPORT

Whereas, That throughout the Florida Annual Conference there are a number of pastors laboring under the handicap of small salaries and restricted standards of living, while some of us with more favored incomes are not provided with an adequate method of sharing with our less fortunate brethren, and,

Whereas, The income of the Board of Missions is not sufficient to enable it to adequately supplement the salaries of these brethren, and

Whereas, The General Conference, in its recent session has recommended that steps be taken by the several Annual Conferences to remedy this situation, and

Whereas, Several Annual Conferences as well as several districts within our own Conference have been successful in supplementing the salaries of poorly paid pastors, through a plan of mutual sharing known as a Fellowship Fund,

Therefore, Be it resolved,

First, That we commend the fine work that has been accomplished in those districts having a Fellowship Fund, noting the aid thus provided to the needy brethren and the enrichment of the lives of those contributing.

Second, That we recommend to the other Districts for their careful consideration the Fellowship Fund as a practical means of helping those pastors who receive sub-minimum salaries.

Third, That we request the Board of Missions to have a standing committee on ministerial support which shall make further study in the whole

matter in harmony with the General Conference Commission on Ministerial Support.

REPORT NO. 1, ORPHANAGE BOARD

The general condition of the children in the home is very satisfactory. There has been no serious illness during the year. In many respects we have had a very satisfactory year.

There are now in the home 138 children. There were 138 when this year began and we have taken in 17 and released 17.

The Executive Committee has met during the year as often as was felt necessary, giving their services toward a more efficient program. The entire Board has met twice.

Our work for the year is reflected in the following financial exhibit:

The entire number of these children have been clothed by various classes and organizations in the churches and by individuals and we have only spent for clothes the amount of \$228.28. For this generous work by these classes and members the Board is very grateful.

The doctors of Orlando, Sanford and DeLand and the Crippled Children's Home at Umatilla have donated their services generously and gladly when medical attention was necessary. To them we express our sincere thanks.

Your Agent has traveled by automobile, bus and train a total of 47,-

887 miles during the year. He expresses thanks to all for the courtesies shown.

The West Dairy Barn has been completed during the year through the generous assistance of Mrs. Mary Lowe West.

All bills for twelve months have been paid in full and there are no outstanding obligations. We have in cash in the maintenance account \$4,162.02 with which to begin the new year.

REPORT OF ADVOCATE TRUSTEES

Lakeland, Fla., June 11, 1938.

The Florida Christian Advocate has had a very successful year. Without raising the price of our publication we have been able, through increased advertising revenue, to publish a much larger and brighter paper. This has cost much in time and energy as well but we believe that this better paper is appreciated by the conference and that the members and delegates will do all in their power to increase the circulation during the year. You have said to us, "Give us a larger and more interesting paper and we will see that it is circulated." We have fulfilled our part of the bargain.

The Advocate campaign was an unqualified success. We appreciate your support which made this possible. May we call to your attention the fact that nearly all these subscriptions were new ones and that there are a great many which are yet to be renewed. Here is where we will need your further cooperation. Immediately after conference lists will be sent to the pastors and from these lists they can get the names of those who have not renewed.

We recommend that each church set as its goal for the year these two objectives: 1. Every official member a subscriber, and 2. A number of subscriptions equal to ten per cent of the membership of the church.

We ask that you study the budget plan and, if possible, adopt it for your church. A number of our churches are using this plan and we have not found one which is not enthusiastic about it. By using this you may send in subscriptions for every family in the church and pay for them in installments at the rate of 85 cents apiece. The bishops in their address to the General Conference said, in part,

"The weekly Advocate is an indispensable organ of communication. Either by individual subscriptions or collective provision of the congregational budget, the paper should begin its weekly visits simultaneously with church membership."

May we here express our appreciation of the encouragement given us by the presiding bishop of this conference and echoed by many of the brethren. We believe that this next year will be the greatest year in Ad-

vocate history and that the goal set by the bishop—a two-thirds increase—will be realized.

We recommend that the months of January and February be set aside for the Advocate campaign as heretofore.

We further recommend the reappointment of R. P. Marshall as editor and business manager.

Signed:

MILTON H. WYATT, Chairman,
R. E. WICKER, Secretary.

SUPPLEMENT TO REPORT OF ADVOCATE BOARD

In accordance with the rule adopted by the Conference, we submit statement of salaries paid by the Board:

To R. P. Marshall, editor and business manager, \$1,800.00 minimum; \$2,100, maximum.

Allowance for expenses based on commissions on Advertising, estimated amount, \$300.00.

Amount allowed for rent, \$300.00.

Signed: MILTON H. WYATT.

REPORT ON SABBATH OBSERVANCE

He who created this world and the things therein, created also in His image and likeness the human family—delegated to us the power over His creation, also divided time into periods.

With a definite injunction: Remember the Sabbath Day to keep it holy. Six days shalt thou labor and do all thy work, but the seventh or Sabbath is mine. Keep it holy.

We believe this is necessary for the happiness and peace of our people. That command has never been withdrawn. Therefore, we appeal to all Methodists and other Christians to keep the day holy.

Let us begin in our hearts, in our homes, our places of business, and churches to create a spirit that may become universal to desire to make it a day of real worship and rest. To do so, we urge all alike to attend church services on each and every Sabbath and to refrain from all secular business.

Signed:

T. W. CARLETON, Chairman,
W. G. STRICKLAND, Secretary.

REPORT OF THE BOARD OF CHRISTIAN EDUCATION

We are greatly encouraged as we review the records of this year. Every phase of our work has shown gratifying progress. We are especially proud of the advances that have been made in the field of extension work, in campus activities and in the matter of temperance education.

We recommend the following for appointment:

Ludd M. Spivey, president, Florida Southern College.

Corning F. Tolle, alumni secretary, Florida Southern College.

George F. Scott, professor, Florida Southern College.

Donald M. Maynard, professor, Scarritt College.

A. Ronk Buhrman, director, Wesley Foundation, University of Florida.

R. Ira Barnett, executive secretary, Board of Christian Education.

H. Stewart Austin, extension secretary.

We commend to our people for their support the efforts of the trustees of Wesleyan College to liquidate the indebtedness on this institution.

We heartily concur in the recommendation of the Advisory Commission on the Gainesville Situation that a Wesley Foundation building be erected in Gainesville.

We stand unitedly and whole-heartedly behind Dr. Ludd M. Spivey in his projection of the E. Stanley Jones Foundation enterprise and pledge him our utmost support.

We urge every pastor to observe Temperance Day in his church or Churches, take offerings and remit same to the conference treasurer for the promotion of temperance education by this Board.

We recommend that Church School Day be observed October 2, 1938, or as near thereto as possible.

We nominate to represent this Board on the Rural Work Commission H. Stewart Austin and G. W. Hutchinson together with the executive secretary.

We recommend the holding of a one-week Pastors' School at Florida Southern College, August 29-September 2.

REPORT OF THE BIBLE BOARD

Our Aldersgate commemoration would hardly be complete without mention of the place the Bible held in the life of John Wesley. The Bible was his first text book. His mother first taught him to read from the Bible beginning at Genesis.

Here are some of his memorable words regarding his belief in the Bible: "To candid, reasonable men I am not afraid to lay open what have been the inmost thoughts of my heart. I have thought I am a creature of a day passing through life as an arrow through the air. I am a spirit come from God and returning to God. Just hovering over the great gulf till a few moments hence I am no more. I drop into an unchangeable eternity. I want to know one thing, the way to heaven, how to land safe on that happy shore. God himself has condescended to teach the way. For this very end he came from heaven. He hath written it down in a book. O give me that Book. At any price give me the Book of God. I have it, here is knowledge enough for me. Let me be a man of one book. Here then I am far from the busy ways of men. I sit down alone, only God is there. In his presence I open, I read His book; for this end to find the way to heaven."

It is contained in our general rules that the Bible is the only rule and sufficient rule both of our faith and practice. Our fifth article of religion states our belief in the sufficiency of the canon of scriptures as contained in the Old and New Testament for our edification and comfort in all right living and knowledge of God.

Let us as Methodists give not only more place to the reading of this one Book but in practicing its precepts in every relation of life.

About .48% of every benevolent dollar in our conference goes to the support of the American Bible Society. Our church paid \$555 more in 1937 than in 1936 to this cause.

REPORT NO. 1

BOARD OF LAY ACTIVITIES TO FLORIDA ANNUAL CONFERENCE

BENEVOLENCES

We, the Board of Lay Activities of the Florida Annual Conference, in session assembled at Lakeland, Florida, charged with the responsibility by the action of the General Conference, submit the following statements and recommendations in reference to the Benevolences.

One of our continuous tasks is to create a sentiment throughout our Church in favor of our connectional program. This calls for intensive edu-

cation with reference to every feature of that program. We must bring to our congregations everywhere a vision of the "fields white unto harvest," and new emphasis must be placed on the fact that a Methodist church is not simply a "local church"; but that our program is world-wide in its scope and influence. John Wesley, the founder of Methodism, said: "The world is my parish."

There are eleven separate activities, or causes, in the general benevolences as follows: Christian Education, Theological Schools, Missions, Home and Foreign, Negro Work, Administration Activities, including the Bishops', Church Extension, Superannuates, Lay Activities, American Bible Society, Summer Assemblies, Federal Council of Churches.

There are 17,143 local congregations or churches in Southern Methodism. Each of these local churches is connected with every other local church in Southern Methodism and as the work of any one of these 17,143 local churches ebbs or flows, just so is the work of the whole of Southern Methodism retarded or advanced. Our benevolences contribute to the carrying out of the whole connectional program, and form the base line of the entire operation of our Church.

We are pleased to note an increase in the acceptances for the past year as compared with those of the previous year, and we pledge our co-operation in creating sentiment among our people for larger acceptances of these askings.

We heartily commend the recommendation of the General Board for the organization of District Leagues of Stewards with the suggested constitution, as outlined by the General Board, believing that this will be a vital help in making the program for the year a success.

We recommend as a goal the payment of at least one-half of the acceptances by the time of the district conference sessions, and full payment by the time of the Annual Conference session.

Where practicable, we suggest that Preachers in charge present from the pulpit once a month one of the major items of support provided for by the benevolences.

Where practicable we suggest that district conferences have at least a two-day session, and that prominence be given on the program to the presentation of the benevolences.

We recommend that Stewards' Institutes be conducted throughout the bounds of the Annual Conference, and that efforts be made to place in the hands of each steward in all churches the book, "A Steward in the Methodist Church," by Dr. George L. Morelock, the General Secretary.

At the meeting of the Conference Board of Lay Activities at Lakeland Terrace Hotel, Thursday afternoon, June 9th, at which the Presiding Elders were present, Harwell Wilson was nominated as Conference Lay Leader for the ensuing year.

Respectfully submitted,

HARWELL WILSON, Chairman,
E. J. DANIEL, Secretary.

REPORT NO. 2—BOARD OF LAY ACTIVITIES

TEMPERANCE

We, the Board of Lay Activities of the Florida Annual Conference, in session at Lakeland, Florida, submit our report on Social Welfare and Temperance.

WAR

We deplore the unsettled condition that exists in the world at this time. Spain, war-torn and bleeding. China and Japan "unofficially" at war. Italy and Russia near the breaking point. England, France and Germany

greatly disturbed. And other nations, including those mentioned, are busily engaged in the competitive manufacture of implements of war.

Russia has nearly succeeded in accomplishing its purpose of dethroning God, annihilating the religion of Jesus Christ, and destroying the Christian Church, within its borders. And is endeavoring to thrust its anti-religious, Communistic theories on the nations of the earth, ours included.

At this time of perplexity, we urge the Church, in united effort to agonize in prayer to God to visit the nations of the earth with a mighty manifestation of His Power, in a gracious revival of Religion, that the saving of the Gospel and the grace of the Prince of Peace may intervene and pervade the entire world and drive back the forces of death and hell, which threaten to destroy the very foundation of Christianity and Civilization. Nothing less than a God-sent, prayed-down revival of religion can save the world from chaos.

RACE RELATIONS

Perhaps our Church, more than any one influence, has led in cooperative effort to create a better understanding between the races.

We have in our Southland more than seven million Negroes. Here very peaceful relations exist between the two races, white and black, who are working together with a mutual understanding of the problems involved.

We believe it fitting to quote the words of Booker T. Washington, as follows: "In all things that are purely social, we can be as separate as the fingers, yet one as the hand in all things essential to mutual progress."

GAMBLING

The Methodist Church has ever been an ardent foe of this vice, in all forms, which is no longer confined to the underworld or the professional gamblers, but has invaded our schools, homes, some church circles, and has entered the commercial field.

We urge our members not to participate in this vice in any of its many forms, but we urge them to use their influence against it.

TEMPERANCE—THE LIQUOR PROBLEM

From its earliest beginnings the Methodist Church has been an uncompromising foe of the liquor traffic. "The circuit rider waged war with vice of every sort. The Methodist Church was the original Temperance Society in the West, if not in the nation."—(Sweet), (Methodism in Kentucky—Arnold, Vol. 1).

We urge our people to be alert and keep informed as to the facts about alcohol and the underhand methods used by the liquor interests, and not be intimidated by the deceptive cry of the "wets," "the Church in politics."

If the Church fails to lead at this time when the enemies of God, Home, Church and Native Land are "marching on," claiming the lives, bodies, and souls of many of our people, young and old, male and female, to what organization shall we turn for leadership in this fight of right against wrong?

From the pen of Bishop Kern we learn: "Figures from the United States Department of Internal Revenue furnish clear evidence that the consumption of liquor in recent years has increased almost beyond belief. From 38,000,000 gallons in 1934 (the first year after prohibition) to 75,600,000 in 1935, to 100,000,000 in 1936, and in 1936 there were manufactured 449,000,000 gallons of distilled liquors as contrasted with 181,000,000 gallons produced in 1914. The production of vinous liquors has increased from 49,000,000 gallons in 1914 to 170,000,000 gallons in 1936."

Our highways have become boulevards of death because of drunken drivers. Alcohol claimed as victims, dead and injured, due to drunken drivers in 1933, 22,943; in 1934, 35,563; in 1936, 47,828.

RECOMMENDATIONS

We urge that a special temperance program be put on at each district conference, under the supervision of the Presiding Elder and the District Lay Leader.

That every pastor be requested to nominate no person for membership on the Board of Stewards who drinks intoxicating liquor, or who is in sympathy with or engages in the sale of liquor, or one who rents property for that purpose.

We urge the legal voters of our membership to use the ballot in the suppression and eradication of the liquor traffic, and vote for dry candidates for office, from the lowest to the highest, thus enlisting in the cause of righteously and the welfare of humanity by voting for principle regardless of political party affiliation.

EVANGELISM

The second phase of the Bishops' Crusade is definitely concerned with a revival of heart-warming religion throughout our borders. To accomplish this, it is essential that laymen be moved to do their share toward giving the message to their fellows.

We hail with delight the creation by the last General Conference of a commission on evangelism, which will, during the quadrennium, put special stress upon the program of evangelism, and we note that one of the leading Laymen of our church, and who is our guest at this Conference, Dr. Harry Denman, will lead the church in this effort.

STEWARDSHIP

The principle of Christian Stewardship recognizes God's ownership of ourselves and all we administer. He has made us co-laborers with Him in the task of bringing in the Kingdom—by the use of material things which we temporarily possess and by the gifts of time, talents and personality. What can be done to promote it? We recommend:

1. That pastors preach more often on Christian Stewardship, striving to keep alive the principle and practice in the congregations.
2. That courses in Stewardship be taught in the adult and young people's classes in the church school.

We especially commend the fine work throughout the Conference of Mr. Fred T. Barnett, who indeed is the worthy son of a worthy sire in proclaiming the gospel of Stewardship.

SOUND FINANCIAL SYSTEM

That a sound business policy needs to be applied to church finances is not disputed. There is complete lack of system in a large area of the church. Figures show that half of our ministers are inadequately supported, there is a low plane of benevolent giving, 65% of the membership do not contribute to the support of the program of the church, 60% of Boards of Stewards are unorganized, and not more than 20% of the charges conduct an every-member canvass. Many of these conditions could be remedied by a well-organized and functioning Board of Stewards in every local church and by a system of finance which educates and cultivates the entire constituency and which is projected on a sound business basis.

We believe a sound financial system in the local church should include:

1. Regular offerings on the part of every member as an act of worship. We urge the use of envelopes for this purpose.
2. A statement of the purpose and need that will give to each offering an educational value.
3. A thorough Every-Member Canvass seeking to secure interest and a contribution from every member.
4. A careful follow-up, during the year, of all pledges.

ADEQUATE SUPPORT OF THE MINISTRY

The success of the church is determined in very large measure by the character, qualifications and efficiency of its ministerial leadership. No man can reach his highest possibilities if his budget does not cover provision for life's necessities, for transportation, education for his children and education for himself through books and periodicals, attendance on pastors' schools and institutes.

Some conclusions are basic.

1. Ministers are expected to give all their time to the work of the pastorate, therefore it is the duty of the church to provide an adequate living for its ministers.

2. The church, if it preserve its missionary character, must establish and maintain charges in areas which cannot, in the beginning, maintain a pastor unaided.

3. It is a recognized responsibility of the church as a whole to provide a subsidy for these weaker charges until they can stand alone.

Some practical suggestions grew out of these conclusions:

1. The fixing by each annual Conference of a minimum salary scale.

2. Wherever possible boundaries of charges be adjusted so as to provide an adequate salary for the pastor.

3. A continuous, persistent effort to develop in each charge a sound and adequate financial system.

LAY SPEAKING

We would renew emphasis on the value of developing lay speakers for service in the many churches where the pastor can give only part time to the congregations. Such lay workers can be valuable aids in developing loyalty for and promoting the program of the church. There are areas in our conference which cannot be reached by the regular pastors except at long intervals. Unless provision is made to enlist, prepare and use lay speakers for service such areas will continue to suffer neglect. We urge District Lay Leaders, Presiding Elders and Pastors to make definite plans to meet this need.

LAYMAN'S DAY

Layman's Day has in many places proven profitable, so we recommend a continuation of the program on the second Sunday in June or as near thereto as possible.

We recommend "Why Go to Church?" as the topic for discussion for Layman's Day in 1938 and we call upon all District Lay Leaders to plan carefully for observance of the day in every local church.

CHURCH PUBLICATIONS

We recommend that every effort be made to increase the circulation of our church organs, vigorously striving to place church literature in the homes of our people and in every way giving whole-hearted support to our own publications.

Respectfully submitted,

HARWELL WILSON, Chairman,
E. J. DANIEL, Secretary.

A CATECHISM OF THE WESLEY FOUNDATION, UNIVERSITY OF FLORIDA

(JUNE, 1937-JUNE, 1938)

1. Question. What does the term, "Wesley Foundation" mean?

Answer. This term refers to one phase of student religious work as carried on by our church. We have a broad term Methodist Student Movement which covers all student work in all kinds of schools: church schools, independent schools and tax-supported schools. Specifically, student religious work on state campuses is known as the Wesley Foundation.

2. Q. Is the Wesley Foundation a church?

A. No. The Wesley Foundation is an arm of the church. It is the Methodist church at work on the campus of the state university (in our Conference). To quote Dr. Harvey Brown of the General Board of Christian Education: "We supplement the service of the college church by employment of a . . . trained worker to do pastoral service, counseling, and teach courses (curriculum courses for which institutions give credit on degrees) in religion when opportunity offers."

3. Q. How many Methodist students attended the University of Florida the year 1937-1938?

A. 850 of the 3200 students attending the University are Methodists. 700 of these are affiliated with the church and 150 are Methodists by preference.

4. Q. How many Methodist students are enrolled in the colleges of the South? How many are in state institutions and how many are in church-related colleges?

A. A survey taken in 1937 finds more than 100,000 Methodist students enrolled in the colleges of the South.

53 per cent are in state schools; 26 per cent are in church schools; 21 per cent are in independent schools.

5. Q. Does the program for students as promoted by the Department of Schools and Colleges of the General Board contemplate a normal church composed of students and townspeople, or a specialized church composed of students alone or faculty members and students?

A. Says Harvey Brown: "The Church will be the religious organization through which the student will find expression of his religious life when he leaves the campus, and there must be a continuity of church experience through the changes incident to college."

Says Dr. H. D. Bollinger, Director of the Wesley Foundation of the M. E. Church: "The Wesley Foundation Movement thus far has adopted the general policy to channel students through a normal church composed of students and townspeople. The object is to train students through a normal church while in college so that they may continue in a normal church after they graduate."

6. Q. What property do we own at Gainesville?

A. We own a corner lot at University Ave. and Roux St. just off the University campus, 115 feet by 200 feet. On the north end of this property we have a handsome home for the Director.

7. Q. Is there any indebtedness on this property?

A. Yes. The property is mortgaged for \$8,500.00.

8. Q. Can a Wesley Foundation program be carried out without a Wesley Foundation building.

A. No. It is impossible to project a successful student program that reaches the Methodist constituency of the student-body without building facilities. The home of the Director is not a Wesley Foundation building. It is simply a home. A student building would provide assembly room for large groups of students. It would be headquarters for the Methodist students in all of the religious work pertaining to campus life. It would be a meeting place for many activities engaged in jointly with the young people's department of the First Methodist Church. A student building would make possible many social and recreational gatherings which we cannot have now. With adequate facilities, entire student conferences can be held within the walls of a student building, such as was the case when the Florida Chain of Missions sponsored a Student Conference held at Tallahassee at the Baptist Student Building with an attendance of about 300 delegates.

9. Q. What can be done to improve our Wesley Foundation work at Gainesville?

A. (I) Let us cultivate an attitude of understanding and respect toward this work! It is a vital work! It is a valid work. It is a work which conflicts in no degree whatsoever with any other student work of our church! It is a work which our brethren of the north take seriously, spend more freely for, and, so far as I have been able to tell, have developed to a most worthy field of religious enterprise! It is no mean task to be given the direction of the Wesley Foundation work at a place like the University of Wisconsin! We must wake up here in Florida and realize that the Wesley Foundation is a legitimate Methodist institution which has as rightful a claim on the hearts and pocketbooks of the Methodists of Florida as any of our Conference institutions!

(II) Let us begin to use our imagination that we might see the potentialities which lie in that great army of young men at our state University—one out of each four of which is a Methodist and a possible future church leader!

(III) Let us not go on indefinitely without very necessary building facilities. The Methodists, with the largest church group on the campus, are now standing by while the Episcopal church prepares to build—in the near future—a student building costing \$25,000!

(IV) Let us banish from our minds forever any false conception of our Wesley Foundation work, that would regard this field as a vague, impractical experiment, where a man with a medium salary and a good home sits around in comfortable idleness with sophisticated college boys who like to talk about the intellectual problems of religion!

We have the very serious task keeping young men tied to the church during a critical period of adjustment in their lives! We have the task of bringing Christ to the campus! We have the responsibility of developing future leadership for our church and the coming Kingdom—and for this we need your prayers, your sympathy and your whole-hearted support!

A. R. BUHRMAN, Dir., Wesley Foundation.

REPORT OF THE ADVISORY COMMISSION ON THE GAINESVILLE SITUATION

The Advisory Commission on the Gainesville Situation has held three meetings during the conference year. After careful consideration of the facts in the Gainesville situation, we adopted the following resolution at our last meeting:

Resolved, First, That we leave the matter of building a new church plant in Gainesville entirely up to the Methodist people of Gainesville; sec-

ond, that we endorse the building of a Wesley Foundation unit in Gainesville; third, that, if the First Methodist Church of Gainesville should decide to re-locate and build its new church within four or five blocks of the University campus, the Wesley Foundation unit be built in conjunction with this new church plant; fourth, that we urge an early decision on this matter by the Church.

Signed:

R. IRA BARNETT, Chairman,
HARWELL WILSON, Secretary.

REPORT OF WOMAN'S MISSIONARY SOCIETY

I feel that the members of the Woman's Missionary Society are making a valuable contribution to our church through service, prayer and gifts.

Our membership is over 11,000, which I feel is a goodly number, but when I remember there are over 60,000 Methodists in our State, I feel we have fallen short in enlisting our women.

Our goal is "every woman in our church an active member of the Woman's Missionary Society."

Our gifts run into the thousands and we spend almost as much locally as we do for council work.

This year we are beginning rural work in the Florida Conference and it would have done your hearts good if you could have seen our women at our own Conference in Tallahassee go forward and place an extra pledge on the altar to take care of this new work.

Miss Alman will be the Deaconess in charge of this work in Polk County. There is a splendid article in the recent Advocate written by our past president, Mrs. Godfrey, which relates to this new rural work in Florida. I wish each one might read it.

If any of the pastors do not have a Missionary Society in your church, go back and organize one, call on our District Secretary to help you. I feel if you do not have a wide-awake society you will not have a very live church.

We want to cooperate with you in any way we can; we are ready and willing to serve.

I wish to express my thanks and appreciation for the privilege of speaking at this conference of our woman's work.

MRS. J. T. FEASTER, Vice-President,
W. M. S., Florida Conference
